Candidates Harrison, Reid, Weaver and Bidwell were all born in Ohio, Edward Walford, M. A., the famous English antiquary, has been granted a

Edward H. Platt, eldest son of the ex-emator, is tall and thin, with Burnside whiskers and mustache.

John M. Corns, surnamed "Honest hn," has been mayor of Ironton, O.,

for twenty-two successive years. Tillett, the English labor agitator, has his little library stored with the works of Ruskin, Carlyle, Newman and Spen-

"The Frenchwoman gains her liberty, he Englishwoman loses hers and the Americanwoman continues to do as the pleases," as a result of the wedding ony, according to Max O'Rell.

Sismarck was always noted for his esight, and instead of allowing future ages to collect memorials and roles of his career he has during his lifetime turned seven rooms of his house into a well filled and interesting Biamarck

Robert Lincoln has retained but few of the innumerable relics and souvenirs he once possessed of his illustrious fa-ther. He himself has but little reverence for relies, and nearly everything of the kind he had has been begged away

Lord Salisbury shuns observation and notoriety as carefully as some seek it.
He is not much to be met with in the atreets of London, for, like Mr. Chamberlain, he does not believe in the necessity of exercise and seldom troubles himself to take it.

Louis Kossuth, the liberator of Huugary, lives in seclusion at Turin, the capital of Piedmont. He is quite gray, sadly stooped and almost blind, but possesses still much of the enthusiasm and personal magnetism which made him as propular in this country. him so popular in this country.

The largest Masonic library in the world, and the only one occupying a cuilding of its own, is in Cedar Lapids, ia. It contains 12,000 volumes, and is in charge of Theodore S. Parvin, who for nearly fifty years has been grand secretary and librarian of Iowa.

RAILROAD JOTTINGS.

Narrow gauge railway lines are now the rule in Great Britain.

H. A. Mace, of Dunmore, Pa., has been elected president of the National Train Dispatchers' association.

The Grand Trunk company has secured entrance to Ottawa over the line of the old St. Lawrence and Ottawa

Statistics recently compiled show that about 1,200 miles of new railroad were built in this country during the first six months of the year.

The Canadian Pacific officials are now talking of bridging the Niagara river, with a view to entering the United States and eventually gaining a terminal here.

The Georgia Central railroad receivership has been made permanent by an order issued by Judge Speer, of the United States circuit court, in Georgia. d as receiver.

The capacity of the freight car is gradually growing greater, and yet the new car seems more easily handled than the car of smaller pattern. The most important feature of the new car is the attachment of automatic brakes and couplers, which not only lessens the possibility of accident, but is a boon to the m, who otherwise have to couple with their hands.

WORLD'S FAIR NOTES. The board of trade of Dubuque, Ia.,

has appointed a committee to prepare an exhibit for that city to be sent to the World's fair. The mineral exhibit at the World's fair promises to be incomparably finer than any ever before made, either in

this country or abroad. Handsomely framed, large photographic views of the prominent features of the numerous seaside resorts of New Jersey will be shown in the exhibit of that state at the World's fair.

In the government building at the World's fair will be exhibited the original standard surveyor's chain, author-

ized by act of congress May 18, 1797, for executing surveys of government lands. The flora of Montana will be shown at the World's fair by a collection as com-plete as it is possible to make it. The state has about 1,000 different varieties

of wild flowers, and of these 800 have already been collected. The World's fair commission of the state of New York has applied to the exposition through the department of transportation for 1,250 square feet of space for the exhibition of a great relief map of the canal system of that state.

Every square mile of the sea contains 120,000,000 fish of various kinds.

The tortoise is the longest lived of all is. It frequently reaches the age of 250 years.

The number of rabbits destroyed in few South Wales during the past year computed at 20,000,000.

Bats are curiously constructed. The cart's action is aided by the rhythmic tion of the veins in the wings.

In order to keep sea porgies through the summer the fishermen of Rhode Is-land have nets so arranged that the passing schools are led up into salt water ponds and the channels connect-ng with the ocean are closed.

INCIDENTAL ANGLING.

Catching a Few While Resting to Give Pap a Chance to Wait. I had walked out upon the trunk of a fallen tree and cast so as to be clear of its entangling twigs, when, hearing a succession of shorteneezes. and turning in the direction whence gaged in fishing from the rock are a short distance from me. The point I had reached through thicket nd brier was a wild, unfrequented bend of the stream, where to sign of life had been visible, except here and there the quick, restless fit of a bird and the playful antics of a young squirrel, as he ambled along the zigsag lines of a rail fence on the opposite bank. I was therefore ple antly surprised in having my soli tude broken upon by a human companion so unexpectedly near, and de-cided to learn to know him. I thereupon accosted him:

"Good morning, young man!" ventured. "Mornin, mister."

pleasantly. "Your name isn't Wilkinson, is it?"

"Nope, it's Brill. I'm Lij Brill."
"Well," I replied, "Brill is a better
name than Wilkinson; at least, it is more easily spoken, because there is less of it. How are they biting your way, Elijah?"
"Only middlin peart. I've got a

raised a tempting string that made me envious and anxious .o own it for the sake of my reputation and the encouragement of our desponding commissariat of the camp; "but," he continued, "I'm not fishin, mister! when I got to the cattle path as winds through the timber to the crick, I jest natchally somehow couldn't get past it, and 'lowed pap might wait while I dropped a line in and rested up a spell. This is not one of my reg'lar days to fish. Only happened to be on my way to town in somethin of a hurry to get that drat ted beam for pap, and I must be goin, or ma, she'll"-

"I dare say your father needs it," I said, interrupting him.

"Well-pap's waitin for it. likes to wait, mister, pap does. He can't plow till I get back, but he'll sit around under the shady end of the tool shed and wait and whittle and whittle and wait. But I must be goin, mister. Ma, she'll skin me whole, I do reckon. She's the one as wants the beam to get there." "I see how it is, 'Lijah," I inter-

posed; "your ma runs the tavern, as it were, and your pa is the head waiter.'

"That's the idee. You've got it, mister. May be you know my ma. No? Well, you ought to call, jest to see her make him stand 'round and know his place. A catamount honey-moon has lit up our farm for nigh on to twenty year. But I must go.
You haven't got a little tobacco about
you, I reckon? Obleged to you.
Here, mister, take my string. Ma, swim in; pap, he'll wait till they days for his offering. So on returnhaven't got time. Dassent take 'em home, anyway, mister, kase I haven't been a-fishin, you know. Only resting up a spell to give pap another good chance to wait."—Forest and Stream.

How to Manage a Minister. "I have heard of an orthodox min-

ister who was thought to be a little too liberal," said a man who was not his parishioner, "and there was an agitation in his church. Ask him to leave? Give him a trial for heresy? No, indeed. The richest man in his church invited him to go to Europe. They are going to raise his salary when he gets back, and he is going to give them sermons telling them how much more he believes in the power of the love of the Lord than the hate of the devil. That congrenons about the size of the tabernacle and other nondoctrinal subjects that minister has felt himself forced to preach about while he has been growing."—Boston Transcript.

It Pleased Browning. Browning is said to have relished greatly the story of the experience in Boston of an English friend, who, while staying at one of the principal hotels in that city, was unable to sleep, owing to mysterious, doleful noises that came from a room near by. Calling a boy, the Englishman asked what was the cause of the disturbance. "Oh, sah!" was the lad's reply, "that is the Browning club, just reading Browning, sah. That is all, sah."—San Francisco Argonaut.

Health in Alaska.

According to the census made by by the Moravian missionaries at Bethel, in Alaska, not less than 50 per cent. of the people are afflicted cent., followed by rheumatism, scrofula and heart disease. Two thirds of the children born do not live, or rather, do not outlive their parents.—Philadelphia Ledger.

Bank Bills of Australia.

The Australian bank bill is printed on light colored thick paper, which shows none of the thick fiber marks or geometric lines used in American currency as a protection against counterfeiting.—Golden Days.

DEATH WEEK.

is kept during the last seven days of March, and is a survival pure and the sounds issued, I observed a full simple of early paganism. In the grown boy, barefooted and coatless, old Slavonic mythology, as in the minds of the mass of untaught Russians nowadays, the idea of death and winter is closely associated, and "Vodyanoi," or water spirit, with which it begins, to the driving out and drowning of death, with which

Yet, with all these noble Indian names attract foreigners.

ice is due—the Russian pos ants hold who has his abode in the rivers and streams. He has elept over the winter, they say, and awakes hungry few bass and some goggle eye and a and angry with the first rays of the bachelor or two," he said, as he returning sun. He bursts the conreturning sun. He bursts the congealed covering of the water, sends the ice floes drifting, drives the fish from their haunts and causes the

streams to overflow. In the last week of Merch there-You see, pap, he sent me to town to the peasants in rural Russia start the city, this time calling it Portland. fetch a new beam for the Plow, and the "death week" celebration by It may be remarked that there are at of money for the purchase of a young Westbrook. horse. The animal must not be a Such changes are outrages on the son must contribute more than an something. other to the amount required.

The horse is taken to a stable specially reserved for the gift to the "Vodyanoi" and fed for three days following in a body. The mane is line upon a revolving drum the number decorated with red ribbons, the head of buckets brought up. By this arsecured to the neck. Then a hole is made in the ice and the horse thrown taken out of the mine.—New York Jour into the water a living sacrifice to

the "Vodyanoi." Fisher folk in the Archangel district pour a quantity of fat into the water instead of throwing in a horse, and the millers of the Ukraine cast the horse's head into the river and not the living animal. After appeasing the water spirit, the house spirit, the "Domovoi," calls for a sacrifice. He awakes on the night of she natchally hates water that fish | March 25, and will wait only three ing from the river sid prepare a suitable gift for him. They take a fat black pig, kill it and cut it into as many pieces as there are residents in the place. Each resident receives one piece, which he straightway buries under the doorstep at the entrance to his house.

In some parts, it is said, the country folk bury a few eggs beneath the threshold of the dwelling to propiti-ate the "Domovoi."—London Spec-

Morality of Circus Life.

As regards the morality of circus life, the occupation of the performers forbids that they should indulge in dissipation of any kind. Even if inclined in the direction of vice they have no time to indulge in it. On the road they rise at 7 or 8 o'clock, the hate of the devil. That congre-gation will enjoy a change from ser-at a hotel and have a morning rehearsal. Then come dinner, the afternoon performance and supper. then the evening performance, and at 12 o'clock, or an hour and a half after they are through work, they must be in the car again or a severe fine is imposed.

In winter the stars go to Europe and perform in the heated circus buildings or stay at home and prac tice. It is a hard life, but it is as good as any other honest calling, and cannot recollect a single scandal that has been proved to lie at the door of a circus actor. - Denver Sun.

Sardon and the Financier.

A rich financier once called upon Victorien Sardou and explained briefly that the passion of his life was to attend on the first night of the representation of a play. "Sorry I can't oblige you," said Sardou, anticipating the request. "I thought not, M. Sardou, but I have an idea. I have with chronic disease. Affections of the lungs take one-half of this 50 per old. I will give her 200,000 francs if old. I will give her 200,000 francs if your son will accept her as his wife; then being the father-in-law of the son of the author I shall have a right, as a member of the family of the author, to assist on the first nights of his pieces."-Chicago Post.

NOTICE.

If the red man had given us nothing A Singular Ceremonial Which Takes else than combread and hominy he
Place in Rural Russia. would have bestowed on the American would have bestowed on the American "Death week," the "Smartna Ne-delya" of the Slavonic people, marks the end of winter in rural Russia. It supply of names, mostly musical and supply of names, mostly musical and always different from those in any other part of the world. On this supply of names we should draw on all occasions possible when a new town or mountain is to be christened. The Indian names have a poetic or legendary signification. They should be faithfully preserved, if the ceremonies proper to the "death week," from the sacrifice to the

it terminates, are based upon the at hand, there is a tendency to drop superstition that was formerly universal in northern Europe. That towns borrowed English names, alwriters on Russia and the Russians, ready duplicated dozens of times, and have given no account of the "death which are absolutely meaningless in week" celebration is due, no doubt, United States history. The outrage is to the fact that it takes place at a even perpetrated of rebaptizing a town time of the year when travelers are and changing its beautiful old Indian rarely tempted to visit Russia, and is name to a British one. Maine has been confined to rural districts out of the especially guilty in this respect. Port-beaten track, which are unlikely to land itself, the largest city in the state, was originally an Indian village called When the ice begins to break on Casco. The name was a musical and the water, winter is considered over striking one. Then for some reason the in Russia, and the break ng of the name of the place was changed to Machigonne, pronounced Mashigon, also an -to the "Vodyanoi," or water spirit, Indian name, not so musical as the first one, but still an original appellation.

Machigonne it should have been left, but no! A British word had to be body who had exceedingly bad taste, and it was baptized once more, this time to be called Falmouth. But the people of the place had become nervous in their minds on the subject of names fore, before the ice begins to break, by this time, and once more renamed the "death week" celebration by It may be remarked that there are at preparing a sacrifice for the "Vody- present thirty Portlands in the United anoi," so that he shall not be kept States. Worse still, a few miles out of waiting when he awakes from his Portland was a village called Saccawinter sleep. They meet together rappa, where is a fine water power. in the village where the celebration The same mania for meaningless British is to take place and subscribe a sum names has changed Saccarappa into
