The Ingram Case Appealed. ALBANY, Sept. 20.-Yescerday a Grande. notice of appeal to the supreme court in the case of Oregon against Frank S. Ingram, who was convicted of murder in the second dcgree and sentenced to the penitentinry for life on March 31, last was served on County Clerk Payne, It is signed by the attorneys, J. K. Weatherford and W. R. Bilyeu. The principal grounds for appeal are the admission of evidence objected to by the defense, among other things the will of C. T. Iugram and the refusal to allow the challenge to three jury men accepted, George McHargue, Frank Crabtree and J. D. Wood. This places the case before the supreme court, and the result will be watched with great interest. The announcement of this appeal will be received with surprise by most people, as it has generally been thought that the defendant had resigned himself to fate and the case had been dropped,

most immediate relief from Indigestion, and that uncomfortable fullness after meals, by simply taking a dose of Simmons Liver Regulator? Some people think that because it is called Liver Regulator it has nothing to do with Indigestion and the like. It is the inaction of the Liver that causes Indigestion, and that fullness; also Con-stipation, and those Bilious Headaches. Millions have been made to understand this and have been cured from these troubles by Simmons Liver Regulator-a medicine unfailing and purely vegetable.

From Rev. M. B. Wharton, Baltimore, Md "It affords me pleasure to add my testi-mony to the great virtues of Simmons Liver Regulator. I have had experience with it, as occasion demanded, for many years, and regard it as the greatest medi-cine of the times. So good a medicine deserves universal commendation.
