- A DISGUSTED CROWD.**—An "Albany day" was a failure at that city the same as at Salem. The Democrat says: "For several days this has been advertised as Albany day at the Portland exposition, and excursionists were counting on going for the reasonable fare of \$3.75, including admission. This morning forty or fifty were present at the depot to go, when the startling announcement was made for the first time that the crowd would have to guarantee fifty tickets before any would be issued. The crowd was not on the guarantee, as they had not gotten up the excursion." The Portland exposition is finding such arrangements do not work. The business enterprise that is not regularly announced in the leading newspapers, is not going to flourish very greatly.
- THE LARGEST YET.**—The New York Racket has this day received the largest shipment of goods it has ever received consisting of under clothing of all kinds, for ladies, gents or children, dress shirts, men's pants boys and youths clothing, hosiery for ladies gents and children, doilies, crabs, handkerchiefs of all kinds, napkins, table covers damask, suspenders, hair brushes, ladies belts, toilet soaps, dress shields, tooth brushes, hair supporters, elastic webs, pencils, tablets, letter paper, envelopes, umbrellas, fur and wool hats, silk and cashmere gloves, and many other articles, all sold at Racket prices. Those who wish to save a good percentage in buying their goods, would do well to call. No. 333 Com'l St.
- THAT CHINA CASE.**—Dong Foy, who was yesterday afternoon tried before Recorder Goodell for "inveigling another person without authority away from her home with intent to secretly confine said person," was discharged. The woman is Fung Lee, wife of Ton Lee, who is trying to compel her to live with him. He has now begun suit in the circuit court against Mrs. Holt, of the Chinese Woman's home in Portland, who is charged with being an abettor to the abduction, for damages in the sum of \$2000 and in the next term. In the meantime Tom is without a wife.
- JUMPED OFF.**—A boy aged 12 years, named Joe Ledgerwood, jumped off the overland train at Furner the other morning. That train makes no stop there and the boy misunderstood the brakeman, who calls out the stations and walked off the car steps while the train was under nearly full speed. He was not hurt seriously, but considerably bruised on the left side. His home is at Sublimity.
- THE BEST.**—There are places in the city where every thing is to be had at its best, and in no line is there such a unparalleled list as in family groceries supplies. They are best had from the immense supplies of Squire Farrar & Co.
- Moquette rugs—Keller & Marsh.

## Don't You Know

that you can secure almost immediate relief from Indigestion, and that uncomfortable fullness after meals, by simply taking a dose of Simmons Liver Regulator? Some people think that because it is called Liver Regulator it has nothing to do with Indigestion and the like. It is the inaction of the Liver that causes Indigestion, and that fullness; also Constipation, and these Bilious Headaches. Millions have been made to understand this and have been cured from these troubles by Simmons Liver Regulator—a medicine unailing and purely vegetable.

From Rev. M. B. Wharton, Baltimore, Md.

"It affords me pleasure to add my testimony to the great virtues of Simmons Liver Regulator. I have had experience with it, as occasion demanded, for many years and regard it as the greatest medicine of the times. Its good a medicinal dispenser universal commendation."
