BANKING ABILITY.—A city the size of Salem requires as much ability to manage its finances as a bank. The records and books should be so kept that citizens may know at any time to a cent what the assets and liabilities are. It will require the best kind of business ability to straighten out the tangle of present city accounts. The Mayor to be should possess the ability of a bank president to protect the city credit. He should have the assistance of the best class of business men upon whom no one has a "pull."

CAVING IN.—Unless some more props are set up against the piling at the south end of the Commercial street viaduct the forty-foot earth embankment will surely crush that end of the bridge. As soon as the clay gets perfectly soaked with water there will be a destructive landslide there. It is a valuable piece of public property that should be cared for and that at once.

Take Simmons Liver Regulator for dyspepsia, biliousness or headache. Hellenbrand's meals are as usual—the best.

"Safe and Certain"

[8] the testimony of Dr. George E. Waller, of Martinsville, Va., in reference to Ayer's Pills. Dr. J. T. Toller, of Chittanooga, N. Y., says:— "Ayer's Pills are highly appreciated. They are perfect in form and coating, and their effects are all that the most careful physician could desire. They have supplemented all the pills formerly popular here, and I think it must be long before any other can be made that will at all compare with them. Those who buy Ayer's Pills get full value."

"I regard Ayer's Pills as one of the most reliable general remedies of our times. They have been in use in my family for various affections requiring a purgative medicine, and have given unsatisfactory results. We have found them an excellent remedy for colds and light fevers."—W. R. Woodson, Fort Worth, Texas.

"I prescribe Ayer's Pills in my practice, and find them excellent. I urge their general use in families."—John W. Brown, M. D., Oceana, W. Va.

M. W. SARGEANT

FROM MEHAMA.

Saturday night at 7:30 p. m. the church bell was tolled and every one knew it was the departing of Mrs. Mary Elder who left this world—without a murmur—and passed into the home where she will be forever happy. Mrs. Elder was only 19 years and 3 months old when she died. She married when she was about 17 years old. She leaves a host of friends.

But we little thought when the bell was tolling at 7:30 last night that we would be called at 3:30 Sunday morning to shed tears over the death of little Harry Parker who passed peacefully away this morning. Although he was only 19 months and 4 days old, everybody knew him, and that acquaintance was love. "A bright little boy" was always the remark, but he was too fair for this world. He was only sick 4 days. Although we know you are gone from us, Harry, you shall never be forgotten.

The remains were interred in the cemetery at Stayton, Monday, at 2 p. m.

Mr. and Mrs. Parker have the sympathy of a kind and loving community. The loss of your darling has cast a gloom over the country that will not soon disappear.

A Sad Awakening!

"When in the dark, on thy soft hand I hung, And heard the tempting siren of thy tongue, What flames—what darts—what anguish I endured, But when the candle entered—I was cured!"

Such complexion as so many of our young ladies possess—dull, pimply, and covered with sores and blackheads, is enough to cool the ardor of the warmest lover. To such young ladies we would say, that you can never have soft, fair, smooth, attractive, kissable complexion, unless your blood is pure and healthy, for the condition of the blood decides the complexion. Dr. Pierce's Golden Medical Discovery will purify your blood, tone up your system, and drive away those distressing headaches and backaches, from which you suffer periodically, and give you a complexion a lily or rose-leaf might envy.

Catarrah in the Head

Is undoubted a disease of the blood and as only a reliable blood purifier can effect a perfect cure. Hood's Sarsaparilla is the best blood-purifier, and it has cured many very severe cases of catarrah. It gives an appetite and builds up the whole system.

Hood's Pills act especially upon the liver, routing it from torpidity to its natural duties, cure constipation and assist digestion.
