O. DICKINSON REMEMBERED.

Resolutions Adopted at Pacific University, Forest Grove November 30.

The following resolutions, upon the death of Rev. O. Dickinson, were passed by the faculty of Tuatlatui academy and Pacific university, of Forest Grove, on November 30th.

"Whereas, God in His providence has removed Rev. O. Dickinson, late of Salem, from the church militant to the church triumphant, and whereas, Brother Dickinson has been for many years a conscientious and faithful trustee of Tuatlatui academy and Pacific university and has shown his deep interest in its welfare by many labors and by regular and careful attention to business,

"Resolved, By the faculty of Tuatlatui academy and Pacific university, that we highly appreciate the sterling Christian character of our departed brother and are grateful for such an example of sincerity and resolute fidelity to duty, as well as for the special care and attention given by him to the work in which we are engaged.

"That the memory of his example and of his kind words of counsel and cheer will be to us an abiding encouragement and incentive to a faithful performance of our duties, reminding us of the high and solemn responsibilities that rest upon us.

"That we tender to his surviving family and friends our hearty sympathy and we hope that they may have the comforting assurance of our Lord's loving care and guidance."

"A Priceless Blessing."

AYER'S CHERRY PECTORAL is the best remedy for Croup, Whooping Cough, Hoarseness, and all the sudden Throat and Lung Troubles to which young people are subject. Keep this medicine in the house. Hon. C. Edwards Lester, late U. S. Consul to Italy, and author of various popular works, writes:—

"With all sorts of exposure, in all sorts of climates, I have never, to this day, had any cold nor any affection of the throat or lungs which did not yield to Ayer's Cherry Pectoral within 24 hours. Of course I have never allowed myself to be without this remedy in all my voyages and travels. Under my own observation, it has given relief to a vast number of persons; while in acute cases of pulmonary inflammation, such as croup and diphtheria in children, it has been preserved through its effects. I recommend its use in light and frequent doses. Properly administered, in accordance with your directions, it is a priceless blessing in any house."

American Cholera.

From the Daily Revelle, Whatcom, Washington: "T. C. Burnett, the Democratic candidate for sheriff was taken violently ill at Clearbrook. He had all the symptoms of Asiatic cholera, and for an hour or two it was feared he would die. They finally gave him a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which revived him until a physician arrived. That is precisely what the manufacturers of that medicine recommended for cholera. Send for a physician but give them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. Dan'l J. Fry's drug-store, 225 Com'l St.
