Second—Cross 239, Blosser 140; Cross's majority 99.

Third—Waite 110, Gray 132; Gray's majority 22.

Fourth—Klein 289; Hutchins 172, Albert 189; Albert's majority 17.

The new council, which goes in office on the first Monday of the new year, is as follows:

First ward—M. W. Hunt, G. F. Smith.

Second—E. M. Lafore, E. C. Cross.

Third—C. B. Moore, G. B. Gray.

Fourth—A. Klein, J. H. Albert.

The contest over the marshaling was probably the nearest to a test of party strength, and Mr. Minto got nearest to the actual Republican majority. It was not a party contest otherwise, voters making up their tickets to suit themselves.

A NEAT DEAL.—One of the largest and most interesting real estate deals consummated in this community for many a day was the transfer of that large tract of land south of New Park last week to the Salem Motor company. It comprises a total of about 500 acres of land that was considered unapproachable by any dealer, and was owned by six different parties. The deal was brought about by John C. Booth, after a month of close figuring, and reflects great credit upon that gentleman. He not only thoroughly understands his business, but possesses the confidence of all who know him. This is not the first deal of such a character that he has brought about, as many friends know. The transfer means great improvements for that entire section, and will create not a little activity in the near future. Salem is to be congratulated upon this transaction.

W. R. C.—Sedgwick post No. 1, last night elected the following officers for the ensuing year: Sarah Jones, president; Lizzie Smith, S. V.; Alice Davis, J. V.; Lucetta Burton, treasurer; Mrs. Ferguson, chaplain; Lida Ryan, Con.; Mrs. Holcomb, guard; delegates to the encampment: Lou Smith, Lizzie Sayre, Lotta Burton, Lucia Crossan, Flo. Caterlin, Mrs. Sanderson.

Editor Conover, of Dayton, was in the city a few days this week.

Mrs. Chas. A. Gray and children went to Portland this afternoon to visit with her mother a few days.

The fusion Democrats had it in for the straight-outs yesterday.

W. T. Rigton, the undertaker, is suffering from an attack of lumbago.

Mr. Gatch's large vote shows his popularity and is an expression of confidence he may well feel proud of. A number of his enthusiastic admirers and old school day friends sent congratulatory telegrams to his parents at Seattle.

SEDGWICK POST.—This post, No. 10, G. A. R., held its annual election Monday night and the following is the result. R. A. Crossan, commander; G. W. Davis, senior vice-commander; D. C. Howard, junior vice-commander; R. R. Ryan, sergeant; D. C. Sherman, quartermaster; Jas. Prescott, chaplain; P. A. Thomas, officer of the day; I. C. Sutton, officer of the guard. The following delegates and alternates were elected to attend the state encampment to be held at Pendleton April 12th and 13th: D. C. Howard, J. H. Smith, D. B. H. Bradshaw, G. P. Sanderson, T. M. Kerby, Geo. Wright, Geo. W. Davis, J. L. Campbell, E. L. Briggs, Geo. Williams, A. L. Pearson; alternates, J. H. McCormick, J. A. Rotan, J. A. Ferguson, M. E. Goodell, A. F. McAtee, G. Stols, F. Lockley, P. A. Thomas, Edward Burton, T. Holverson, Thomas Reynolds.

PIERCE SUSTAINED.—Judge Burnett rendered a decision yesterday, sustaining the demurrer to the writ of mandamus, which was filed Saturday afternoon by the attorneys for H. B. Miller, republican candidate for presidential elector, to compel the secretary of state not to count the votes for Nathan Pierce in the counties where his name appeared on the ballot twice. This is a temporary victory for Pierce, as his majority, if all the votes are counted, will be close to 1000. The secretary of the state has begun canvassing the vote, but a notice of appeal to the supreme court has been served on him.

THE SEED BUSINESS.—Wholesale and retail, conducted by the late O. Dickinson, will still be continued at the old place, 292 Commercial street, by the O. Dickinson Seed Co., under the management of P. H. Raymond. Mr. Raymond has had several years' experience in that line under Mr. Dickinson, and the public can be assured that the fine quality of goods will still be maintained by the new firm, and the strictly honorable methods which characterized the late proprietor will be pursued under the new management. O. Dickinson Seed Co. 12-6-3t

LAST TRIBUTE.—The many friends of Will Chaffee, who for two years past was an employee of the Churchhill Sash and Door Mfg. Co., was buried today at Rural cemetery. Two electric cars of young men and women attended his remains. The coffin was beautifully decorated with flowers and this young stranger, 3 thousand miles from home, was shown the gracious attentions that were due to his fine character, and that Salem people are capable of when appealed to.

SADDED HOMES.—Two Salem business men are this week called upon to bear the cross of a great personal loss. Their homes are deprived of the guiding hand of a mother, a supreme affliction where the family circle comprises little ones still in need of the tender care that only a mother's hand can bestow. The sympathy of the community always goes out to such afflicted households in a generous measure, and Salem has few sadder cases than these.

### "Puzzled The Doctors."

MOST of the cases cured by Ayer's Sarsaparilla have been given up by the regular practice. Physicians are recommending this medicine more and more, and with satisfactory results.

E. M. Sargent, Lowell, Mass., says: "Several years ago, my daughter broke out with large sores on her hands, face, and other parts of her body. This case puzzled the doctors. My daughter used Ayer's Sarsaparilla, and it resulted in a complete cure. Her blood seems to have been thoroughly purified, as she has never had so much as a pimple since taking this medicine."

This is to certify that after having been sick for twelve years with kidney disease and general debility, and having been treated by several physicians without relief, I am now better in every respect, and think I am nearly well, having taken seven bottles of Ayer's Sarsaparilla. —Maria Ludvigson, Albert Lea, Minn.

AT ALBANY.—The city election resulted as follows: For marshal, J. A. McFerron, 426; J. N. Hoffman, 402; E. A. Parker was re-elected treasurer, there being no candidate against him. For councilmen, first ward—J. J. Whitney, 122; Isaac Conn, 56. Second ward—C. G. Burkhardt, 114; S. M. Pennington, 86. Third ward—P. B. Marshall, 182; H. Bryant, 144. Total vote cast, 729.

The Testimonials

Constipation, and all troubles with the digestive organs and the liver, are cured by Hood's Pills. Unequaled as a dinner pill.

MORE HOURS.—Manager Anson of the Capital City Electric street railway has issued an order that compels all employees on the cars to put in sixteen hours a day. The men feel that it is asking too much. It may be a stroke of economy on the Portland management, but is believed to be a round-about way of forcing off the old employees and making room for new hands who are friends of the new officers. The plain fact is no man can work sixteen hours a day, and have time to eat and sleep and live.

ELECTION CASES.—The trial of J. M. Dollarhide, a young man arrested Monday for illegal voting, was tried before Judge Batchelor this morning and discharged. Deputy District Attorney Condit prosecuted for state. Wm. M. Moore is to be tried for same offence Tuesday, at 1 p. m. J. T. Richards was fined \$5 and costs for assault and battery on Charles Clay. Richards had Clay arrested on same charge.

ELECTION ROWS.—A number of drunks disgraced the city last night. One drunk was hauled up before Recorder Goodell, but released. He said there were so many that it would not have been fair to prosecute just one and let all the rest go. Several saloons had glasses smashed in.

Deafness Can't be Cured.

by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that we cannot cure by taking Hall's Catarrh Cure. Send for circular, free. F. J. Cheney & Co., Toledo, O. Sold by druggists, 7c cents.
