essays will be sent to the world's fair.

The entertainment on Wednesday evening was attended by a large audience and was very satisfactory all around. Misses Harris, Carpenter, Adair and Beamer sang very sweetly. The male quartette was good. Prof. Scriber recited "The case of Young Bange" with such skill that she was enthusiastically encored.

Prof. Hawley's talk on the physical features of the Nicaragua canal was illustrated by a map 12 feet long with transverse and horizontal sections, and was well received.

Humpty Dumpty was a shining success and created ripples of laughter moderate and immoderate. Miss Helen Matthews was an exquisite "Alice." The three entertainments will net about \$65, with which two unabridged dictionaries, a \$17.50 astronomical globe, an almost complete set of Andrew's wall maps and a large supply of periodicals for the reading room, have been bought.

Verily we are obliged to the good people of Salem for attending so well and aiding us so materially.

Phenomenal Indeed.

Yes; to build up a trade second to none in Salem in one short year and all on the spot cash basis seems really phenomenal. It is conceded on all sides that one firm in Salem has accomplished this feat. This firm claims to underbuy and undersell all time stores. Their enormous trade would seem to fully justify their claim. We refer to the "Blue Front" grocery and crockery store of Damon Bros., at 335 Commercial street. Spot cash and low prices is the motto of this firm. Their stock is probably the largest and best selected in Salem.—Statesman.

The success of the Blue Front should not necessarily be a surprise to any one who understands the cash system. The Blue Front pays spot cash for everything and sells for spot cash. Thus they are enabled to buy close and to undersell time stores. The cash system is the true system and always in the interest of the consumer. Besides this the Blue Front carries the finest stock of groceries, crockery, glassware and lamps in Oregon outside of Portland.

TO BE FIXED.—The county court has spent the greater part of the day in trying to fix up the South Salem road case. The result will probably be that a subscription will be made up and the county will assist the fund to temporarily repair the road and then have it graded and graded next spring. The court has adjourned.

THIRTY DAYS.—One George Brown, who was held by the Salem police for having stolen a lot of gloves from J. B. Small, a farmer northeast of the city, was examined before Judge Goodell and fined. He was identified by Small.

CONGREGATIONAL.—Rev. H. D. Belt of Woodland, Cal. will preach at the 1st Congregational church next Sunday, both morning and evening. Mr. Belt comes very highly recommended and a good congregation should greet him. 12-8-92.

CHRISTMAS TREE.—The Evangelical church expects to have a Christmas tree on Saturday evening, December 24th. They invite the friends of the church to bring their gifts and make their children and friends happy.

PRESBYTERIAN.—Prof. W. C. Hawley, of the Willamette university will speak at the First Presbyterian church at the Sunday morning service, and perhaps in the evening.

UNITY CHURCH.—Rev. T. W. Haven will fill the pulpit Sunday morning and evening. Sunday School at 12 m.

A. M. E. CHURCH.—There will be no services at St. Paul's A. M. E. church, North Salem tomorrow, Sunday. G. W. WHITE, pastor.

DON'T BEA CHUMP.—What's the use of chasing yourself down the street when you can get a cab or express wagon by turning the blue boxes.

Great Relief

Is instantly afforded sufferers from Bronchitis, by the use of Ayer's Cherry Pectoral. Either as an anodyne, to allay inflammation, or an expectorant, to loosen and bring away the mucus, this preparation has no equal.

"Last winter I contracted a severe cold, which, by repeated exposure, became quite obstinate. I was much troubled with hoarseness and bronchial irritation. After trying various remedies, without relief, I at last purchased a bottle of Ayer's Cherry Pectoral. On taking this medicine, my cough ceased almost immediately, and I have been well ever since."—Rev. Thomas B. Russell, Secretary Holston Conference and P. E. of the Greenville Dist. M. E. C., Jonesboro, Tenn.

"My mother was sick three years and very low with bronchitis. We feared nothing would cure her. One of my friends told me about Ayer's Cherry Pectoral. She tried it, has used eight bottles, and is now well."—T. H. D. Chamberlain, Baltimore, Md.
