THE ANNUAL MEETING.

This event in the history of the First Congregational church of Salem on Tuesday evening of this week is watched with marked interest. One new trustee is to be elected to succeed Mr. Talbot who has removed from the city, Messrs. Davis and Gilbert holding over. The contest will be over the election of a clerk, as the issue of entering up the minutes and resolutions on the church records, of granting Rev. Corwin a letter, is still undecided. There will probably be a full attendance and the hope is expressed by many who are not members of the church that all may result as harmoniously as possible. The good work of the society and Sunday school should be carried on where it was left off.

STREET WORK.

The contractors on Commercial and cross streets have had a force of men at work throwing the gravel from the sides to the center, and then rolling the same down solid. Then a coat of sand will be put on and that is to be rolled. This will finish the streets according to contract.

ALLIANCE OFFICERS.

Saturday afternoon the Marion county Alliance elected the following officers: John Jory, president; T. C. Davidson, secretary; G. W. Weeks, business agent; Wm. Darby, lecturer; M. V. Rork, assistant lecturer.

PENSIONS GRANTED.

As follows: To Sarah A. Miller, dependent mother of Hugh J. Miller, \$12.00 from Sept. 25, 1890; Claudius Potee, \$12.00 from Nov. 5, 1890; Henry L. Mills, \$12.00 from July 21, 1890. Capt. D. C. Sherman of this city secured the above.

Deafness Can't be Cured.

by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that we cannot cure by taking Hall's Catarrh Cure. Send for circular, free, F. J. Cheney & Co., Toledo, O. Sold by druggists, 75 cents.

Great Relief

It instantly afforded sufferers from Bronchitis, by the use of Ayer's Cherry Pectoral. Either as an anodyne, to allay inflammation, or as an expectorant, to loosen and bring away the mucus, this preparation has no equal.
"Last winter I contracted a severe cold, which, by repeated exposure, became quite obstinate. I was much troubled with hoarseness and bronchial irritation. After trying various medicines, without relief, I at last purchased a bottle of Ayer's Cherry Pectoral. On taking this medicine, my cough ceased almost immediately, and I have been well ever since."—Rev. Thomas B. Russell, Secretary Holston Conference and P. E. of the Greenville Dist. M. E. C. Jonesboro, Tenn.
"My mother was sick three years and very low with bronchitis. We feared nothing would cure her. One of my friends told me about Ayer's Cherry Pectoral. She used eight or ten bottles, and is now well."—T. H. D. Chamberlain, Baltimore, Md.

The Advertisement

Of Hood's Sarsaparilla is always with the thought of recovery because it is tried; it always appeals to the sober, common sense of thinking people because it is true; and it is always fully substantiated by endorsements which, in the financial world would be accepted without a moment's hesitation.

For a general family cathartic we confidently recommend Hood's Pills.

A Dangerous Deadlock

Overs when the steved-like action of the kidney is interrupted, and they partially cease to secrete from the blood those impurities for the escape of which they are such important channels. Bright's disease, diabetes, suppression of the urine, and weakness and inaction of the bladder—these are complaints to the relief of which Hostetter's Stomach Bitters are admirably adapted. These ailments un-checked are very formidable, and the utility of a recourse to this fine remedy and preventive cannot be pleaded with too much insistence. The Bitters is likewise efficacious in an innumerable degree for malaria, neuralgia, rheumatism, debility and indigestion. In neuralgia it has also proved itself a sovereign medium of relief.
