THE U AND I COMPANY.—A num-  
ber of beautiful girls is one of the  
many features of "U and I" com-  
pany which will be presented at  
opera house, Monday, Jan. 16th.  
George P. Murphy is the bright  
particular star. Mr. E. J. Heffer-  
man, playing the opposite part,  
"O'Donovan Innes" Miss Edith  
Newton, a first-prize graduate of  
the New York Conservatory of  
Music, and only 20 years of age, is  
the leading vocalist of the company.  
Harry McDowell, the funniest of  
all comedy policemen, is the wily  
copper, and Edward Lawrence, who  
is also well known, illustrates the  
trials and tribulations of a New  
York flat house janitor.

TO BE REMODELLED.—Plans and  
specifications for improving circuit  
court room of the Marion county  
court have been submitted to the  
county court by Walter Pugh.  
This remodeling reducing the area  
of the court room by building two  
additional rooms, an attorney's con-  
sultation room, and the other for a  
judge's private office and a water  
closet for use of jurors. Judge Hub-  
bard will advertise for bids for do-  
ing the work in a few days and it is  
undoubtedly a much needed im-  
provement.

RUNAWAY.—This forenoon the  
team of W. N. Savage's milk wagon  
took fright at an old oil can on Cen-  
ter street and ran away, straddling  
a tree, breaking the harness, and  
spilling the milk. It caused some  
delay to Mr. Savage's customers but  
he soon got around with an express  
wagon. The old cans have been in  
the street all winter, contrary to law  
of the city.

ORMSBY NOT IN IT.—A corres-  
pondent intimates that four of the  
five members of the legislature from  
Marion county are aspirants for  
state offices. Whoever they are, or  
whatever their aspirations may be,  
Capt. Ormsby says he does not  
know but wishes it distinctly un-  
derstood that he is not of the number.  
He is here to do the best he knows  
how and for no other purpose.

A WANDERING HOUSE.—Silas  
Howard has bought the old house  
that Leopold Hirsch owned and  
lived in on corner of Chemeketa and  
Liberty streets. It was moved back  
into the alley and will now be  
moved to Marion between 13th and  
16th.

THE COUNTY TAXES.—County  
Judge Hubbard says the county  
court has not made a special levy of  
two mills for road work this year  
in lieu of all other road taxes, but has  
levied the road tax as part of the  
general fund under the old law  
which allows part of it to be worked  
out. But an allowance for a road  
and bridge fund was included in the  
estimate.

PARDONED.—Geo. W. Meservy,  
sentenced for larceny from Curry  
county last October, was pardoned  
today by Governor Pennoyer, upon  
recommendation of the Judge and  
district attorney. He had only five  
dollars, and the governor and  
others contributed to enable him to  
get home.

able papers belonging to C. L. Sher-

### A FIGHT FOR LIFE OR DEATH.

#### A Big Attorney Fee Involved in the Rose-Carter Case.

The hearing in the habeas corpus  
case of R. C. Carter, alias Rose before  
County Judge Hubbard did not  
come off this morning, but was con-  
tinued to 11 a. m. the 14th. The  
hearing set for 1 p. m. today before  
Judge Edes will probably be con-  
tinued also, pending the disposition  
of the matter before Judge Hubbard.

### THE ATTORNEYS

In the case are District Prosecuting  
Attorney McCain, his deputy, A. O.  
Condit, and City Attorney Bingham.  
For Carter appear C. M. Idleman,  
and Sears, McGinn and Linson of  
Portland, and Tilmon Ford. It is  
evidently a fight for life and death  
and will be one of the most interest-  
ing criminal trials on record.

### THE CASE

is somewhat as follows: The pris-  
oner claims to be one Rose, married  
a few months ago to a Miss  
Black of Mt. Tabor, who has prop-  
erty there in real estate worth  
from \$15,000 to \$25,000. He was ar-  
rested as a fugitive from justice  
named R. C. Carter, who committed  
a murder and was sentenced to be  
hanged at Mt. Vernon, Missouri,  
six years ago. The man killed was  
Robert Crockett, who had given evi-  
dence against Carter before the  
grand jury for having sold liquor  
without license at his drug store.

### HIS ESCAPE

Carter was confined in the county  
jail until he made his escape six  
years ago next month, only a few  
days prior to the date set for his  
hanging. During his imprisonment  
his wife had been very attentive to  
him, visiting him every day, and  
one day some one passed a pistol to  
him unnoticed by the attendants.  
That evening when the deputy  
sheriff ordered the prisoners into  
their cells before closing the doors  
Carter instead of entering his cell  
stepped into a dark corner, and an-  
swered "all right." The doors were  
closed, and Carter remained in the  
corridor of the jail. When the  
sheriff unlocked the door Carter  
shot the officer and made his escape.

### IS RECOGNIZED

Cal Carter as he was known in  
Missouri is recognized in the person  
of this man Rose by several people  
in the city today.  
Capt. Batchelor, W. T. Welch and  
Constable Tom Welch of Salem  
knew him well in Missouri, about  
Stockton and Cedarville. Capt.  
Harris, of McMinnville, claims also  
to have recognized him this morn-  
ing as he was given a glance at him  
in the corridor of the jail. When  
Carter saw Harris he immediately  
dodged back into his cell and would  
not come out. This Cal Carter was  
known as a sport in southwestern  
Missouri and was always present at  
horse races and fairs, was considered  
a violent man who never backed  
down from any scrape he got into.

### A BIG FEE

A JOURNAL reporter wormed out  
some facts today by seeking to ascer-  
tain why so many of the most prom-  
inent lawyers were engaged in the  
struggle over this man Rose, who  
was arrested in East Portland by  
Chief of Police Minto. His wife  
has been communicated with by  
someone here and two acres of land  
worth probably five thousand dol-  
lars and some lots on the peninsula  
at Portland are put up as security  
for the fees of defense. A hard fight  
will be made in the courts to free  
Rose.

Before Judge Edes in recorder's  
court the case was again continued  
until Saturday at 1 p. m. when  
the case will be tried to the court  
as a preliminary examination to  
bind Carter or Rose over.

lishment.

### THE SALEM WATER CO

#### Will Open an Office on South Commercial Street.

At the annual meeting of Salem  
Water Co., J. M. Wallace, J. M.  
Martin and J. H. Albert were elected  
directors. The officers of the com-  
pany are: J. M. Wallace, president;  
J. M. Martin, superintendent. An  
office has been rented in the Wil-  
lamette hotel block, between the  
Western Union Telegraph and  
Wells Fargo Express offices. Every-  
body having business with the com-  
pany will find them at this place  
after Jan. 15th. The office hereto-  
fore has been at the Capital National  
bank. It is the intention of the  
new management to increase the  
capacity of the pumping works,  
lay the big main out to the crib, and  
to maintain an office where people  
can come at any time and pay their  
bills or report their complaints.

MODERN BUILDINGS.—At least  
two modern buildings will go up in  
Salem during 1893, that are now al-  
ready in sight, and probably more  
will follow. The advertisement for  
bids on the new city hall is out and  
the Masonic temple project is taking  
shape. There are applications for  
renters at big figures on both struc-  
tures.

MEMENTO OF COLUMBUS.—While  
nearly all the legislators are putting  
in their recess at Portland those  
that are here can get one of those  
souvenir world's fair coins at John  
G. Wright's Pioneer grocery.

THE OLD AND NEW.—J. A. Van  
Eaton succeeds Squire Farrar & Co.  
in the grocery business at the old  
stand of this popular firm. The new  
firm will lead in fine goods, as did  
the old one.

ANY \$5.00 CUSTOMER.—Can get a  
handsome Columbus memento at  
Wright's Popular grocery on Com-  
mercial street free.

MORE TAXES.—There is no end to  
the taxation business. Without a  
levy for roads, with an immense in-  
crease in valuation, still there is an  
increased levy of taxes in this county.

METROPOLITAN.—Salem had only  
one horse car every half hour a few  
years ago on State street. Now cars  
pass each way every five minutes,  
sometimes three or four following  
each other.

Dr. J. C. Ayer & Co., Lowell, Mass.

Price \$1; six bottles, \$5. Worth \$5 a bottle.

### NOTES FROM STATE HOUSE.

Senator Looney will push his bill  
to amend the food commissioner  
law. It emanates from the state  
dairy association, and provides for  
a dairy and food commissioner in  
one man, who shall be a competent  
dairyman, and shall upon call ad-  
dress meetings in any part of the  
state on the subject of dairying.  
This is an amendment which will  
do much to advance the dairying  
interests of the state.

Alvah W. Patterson, of the Hepp-  
ner Gazette, is doing the session for  
his and several other papers.

Senator Willis' bill to abolish the  
employment of lady clerks is looked  
upon as a huge joke.

### Catarrh in the Head

Is undoubtedly a disease of the  
blood, and as such only a reliable  
blood purifier can effect a perfect  
cure. Hood's Sarsaparilla is the  
best blood purifier, and it has cured  
many very severe cases of catarrh.  
It gives an appetite and builds up  
the whole system.

Hood's pills act especially upon  
the liver, rousing it from torpidity  
to its natural duties, cure constipa-  
tion and assist digestion.

Every preparation is being made  
by the Ladies society of the  
Congregational church to make the  
entertainment to be held Feb. 14th  
a grand success. Some of the best  
talent that can be had has been en-  
gaged and will be such as will no  
doubt draw a crowded house.

A new meat and poultry market  
will open Saturday morning, at 324  
Commercial street, opposite State  
Insurance. T. H. Blundell.

### "Puzzled The Doctors."

MOST of the cases cured by Ayer's  
Sarsaparilla have been given up  
to the regular practice. Physicians are  
recommending this medicine for  
ever, and with satisfactory results.

E. M. Sargent, Lowell, Mass., says  
"several years ago, my daughter broke  
out with large sores on her han-  
dles, and other parts of her body. The  
case puzzled the doctors. My daughter  
used Ayer's Sarsaparilla, and it resulted  
in a complete cure. Her blood seems  
to have been thoroughly purified, as she  
has never had so much as a pimple  
since taking this medicine."

"This is to certify that after having  
been sick for twelve years with kidney  
disease and general debility, and having  
been treated by several physicians with-  
out relief, I am now better in every re-  
spect, and think I am nearly well,  
having taken seven bottles of Ayer's  
Sarsaparilla."—Maria Ludwison,  
Albert Lea, Minn.
