FIRST ANNIVERSARY.—The Salem Y. M. C. A. celebrates its first anniversary this evening, one year having passed since this order for physical, intellectual, moral and spiritual culture of young men was established in our city. At 8 p. m. at the Association rooms there will be a report of the year's work. Speeches by business men and officers, to which all friends of the institution are invited. The statistics will show that in the first eleven months after the opening of the rooms, 41,000 was the attendance at the rooms, 8,861 was the attendance at the religious services, 239 in bible classes, 16,382 visited the gymnasium, 1,991 in gymnasium classes, 2,108 baths taken in the rooms, 975 letters written in the rooms by young men, fifteen young men found employment through the employment bureau. The maintainence of this ass'n for the benefit of young men costs about three thousand dollars a year, but no one doubts that it is well invested.

THE STALLION SHOW.—In two weeks the great annual horse show will occur in Salem. Much interest is being shown by all horse owners, and a goodly show is promised. Judge T. C. Shaw, J. T. Beckwith and J. A. Tanner, the committee in charge, have been doing some good work. They know all the horsemen, and are looking out for their interests. This insures their presence, and we can expect to see the finest horses in Oregon here March 25th.

THE SCHOOL CASE.—Saturday afternoon a jury tried the North Salem school whipping case, rendering a verdict for defendants, acquitting them of assault and battery. The jury was composed of E. M. Law, John Hughes, J. B. Stump, Chas. Simpson, Geo. Johnson. All the witnesses were again examined and at a late hour the case was given to the jury. The verdict was not guilty and Prof. Sellwood and Miss Carnahan were discharged, and were warmly congratulated by their many friends.

RECEPTION.—Under the auspices of the ladies' auxiliary to the Y. M. C. A. a reception will be given next Wednesday afternoon, March 15, in the elegant and pleasant rooms of the association, to which all ladies, especially mothers, interested in the work for young men, are most cordially invited. Reception from 2 o'clock until 5. Light refreshments will be served by representatives of the auxiliary.

$2500 IN PRIZES.—That is what the Oregon state sportsmen's association organized Friday last will offer in prizes at the state tournament to be held at Salem June 27, 28 and 29. The Portland Review, for which Frank Howe is agent will give a state gold medal to be shot for then.

LARGEST YET.—The largest sale yet offered in Salem is the Shoe Sale at The Palace. Whole stock of new goods at cost.

Dr. Contris fills teeth without pain.

SURPRISED THE JUDGE.—The Old Folks Whist Club armed with cards, lunch, tables, and several tons of social gall invaded the sanctity of Judge and Mrs. J. J. Murphy's home Saturday evening and surprised them on the occasion of their wedding anniversary. John G. Wright was a committee of one to go up to the state house and get the Judge to leave his desk, telling him it was an awful dull day and inviting him down to his house to have a game of whist. They found a host of people in charge of parlor and kitchen, and the flag of sociability flying at the mast head. It was a great success.

GOOD SELECTION.—Miss Ada Breyman has been chosen to arrange the art exhibit from Oregon at the world's fair. Miss Breyman is considerable of an artist herself and a lady of taste and refinement who will be able to conduct her department with credit to herself and the state. She expects to go on to Chicago and personally superintend the placing of pictures and art works. While Oregon can boast of no artists of national fame, she will have an exhibit no Oregonian need be ashamed of, when compared with other Northwestern states.

FOR NEWPORT.—Visitors to Oregon's favorite watering place will be interested to know that the steam tug Resolute will be run on route between Newport and Yaquina, in connection with the Oregon Pacific hereafter, in carrying passengers and freight. The passenger fare will be reduced to twenty-five cents. This change will be welcomed by all visitors to the bay.

STREET IMPOVEMANT.—George W. Gray, Esq., is anxious to have 13th street improved from State street east. The plans and specifications are all made and the city council at its next meeting will probably take steps to have that street improved, and as the principal property owners seem to be in favor of it the improvement will undoubtedly be undertaken.

NEW CHURCH.—Rev. Wm. Lund, of St. Paul's Episcopal church, Salem, has been holding service in the first presbyterian church, Woodburn, for some time and has administered the rite of baptism to several persons. A subscription has been started to build a church there.

THE NASBYS.—Postmaster Gilbert of Salem and Postmaster Finzer of Woodburn have been complimented by the retiring postmaster general for their services, which are characterized as important to the department and conducted with fidelity and zeal. It is presumed other postmasters were also complimented.

REPAIR THE BRIDGE.—The big bridge between Salem and Polk county undoubtedly needs repairs and paints. It was built by the two counties and the city, and Judge Hubbard says the court will pay its share towards the work, which he suggests the city council place in the hands of the city engineer.

LOCATED.—The new United Brethren church in Salem has been located at 12th and Mission streets, Rev. J. S. Jennings, Wm. M. Sargeant, John Harritt, Mrs. Julia Harritt, and A. Cox are trustees. A neat and commodious church house is to be built soon.

TRAIN LATE.—The Overland from California went through in two sections today. There were a number of cars of fruit and the second section was several hours late.

TRICHINAE IN OREGON.

Fatal Disease of Swine Said to be Abroad.

From the quarterly report submitted to the Marion county court by Stock Inspector W. S. Simeral it appears that there exists in this county the dread and fatal disease of hog trichinae

WHAT HE SAYS.

In his report dated March 11 the inspector says: "There is considerable sickness among horses and cattle. Sheep are only in fair condition as far as has been heard from."

"There are some hogs in the county affected with catarrh or snuffles, and some of Trichinae." Signed.

Trichinae is a microscopic parasite worm infesting swine, and when the flesh containing them is eaten raw, or insufficiently cooked, produces trichinosis, a disease often fatal.

WHERE, OH WHERE! IS GEORGE?

A Salem Man Falls Heir to an Immense Fortune.

San Francisco papers tell of one George B. Barstow, residing at Salem, Or., who has fallen heir to $315,000 by the death of his cousin, Mrs. Abby White, of Santa Barbara, Cal. She left a fortune of nearly $3,000,000 to be divided between seven heirs.

By means of the new Obenauer City Directory, Mr. Barstow was found to have been a barber at Hotel Willamette where he remained but a short time. There was no knowledge of him at the postoffice general delivery, nor at the police headquarters.

THE JOURNAL learned that he had gone to Tillamook and a dispatch was received this afternoon that the Salem Barstow is empolyed in a meat market there. If he is the Barstow, he will please roll down his sleeves, take off his blood stained apron and prepare to join the 400.

There was a case of 17 Mongolian pheasants, including cock, hen and 15 chicks, 4 pair for a group, 2 pair eastern Oregon prairie chickens, 2 pair dusky grouse, 2 pair ruffled grouse, 4 pair valley quail, 3 pair mountain quail, a group of jack snipe, and some other single specimens. Mr. Rhodes has worked at this collection for over a year and it is to be part of the Oregon exhibit at the world's fair.

SCOTTS MILLS.—Seven Iowa families, escorted by Mr. Corkle, of the Oregon Land Co., started today for their probable future homes at the Scotts Mills colony. There are four families of Commons, Mr. Coover, and Messrs. Nordyke's, two brothers. These people arrived Saturday and go by team to their new home. That region is settling up rapidly with Iowa people under the impulse of Eastern immigration brought to Oregon by the above Land Co.

REMOVED.—The city government has been removed to new quarters today in the Gray building on the corner of Liberty and State, over Smith's art store. The recorder will hold his police court right on the corner, a back room being used for the meeting of the city council The city jail prisoners will be kept in spare cells of the county jail, and these arrangements will continue until a new city hall and jail are built.

Dr. Contris fills teeth without pain.

The city prisoners will probably be moved to the county jail this evening, as the city government is now houseless and homeless.

The Steamer Elwood brought up a heavy load of freight from Portland yesterday. Agent Herron is rustling a large share of that U. P. freight at Portland for all points along the river.

The testimonials frequently published in this paper relating to Hood's Sarsaparilla. They are from reliable people state simple facts, and show beyond a doubt that HOOD'S CURES. Why don't you try this medicine? Be sure to get Hood's.

Constipation and troubles with the digestive organs and the liver, are cured by Hood's Pills. Unequalled as a dinner pill.

How's Your Liver?

Is the Oriental salutation, knowing that good health cannot exist without a healthy Liver. When the Liver is torpid the Bowels are sluggish and constipated, the food lies in the stomach undigested, poisoning the blood; frequent headache ensues; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. Simmons Liver Regulator has been the means of restoring more people to health and happiness by giving them a healthy Liver than any agency known on earth. It acts with extraordinary power and efficacy.

NEVER BEEN DISAPPOINTED,

As a genéral family remedy for dyspepsia, Torpid Liver, Constipation, etc., I hardly ever use anything else, and have never been disappointed in the effect produced; it seems to be almost a perfect cure for all diseases of the Stomach and Bowels.
