

THE CAPITAL JOURNAL

PUBLISHED DAILY, EXCEPT SUNDAY, BY THE Capital Journal Publishing Company.

HOFER BROTHERS, Editors. Daily, by carrier, per month, \$0.50. Weekly, 8 pages, per year, \$5.00.

SUGGESTED COMMENTS.

The preachers tomorrow should pray and preach for better roads.

The horse show will make Salem a little World's Fair all by itself.

Polk county shares with Marion the glory of her grand horse interest.

The horse and his friends in possession of our city today, including THE JOURNAL.

There is a pretty close connection between good roads, good horses and prosperity.

We will never have good county roads until owners of abutting property are compelled to build them.

The ladies love the horse and an able horsewoman means health, pleasure, and a vigorous constitution.

The horsemen should form a road association and offer a big premium for the best mile of country road built this year.

The people tell the assessors they would be willing to be taxed for it if they could only get good public highways.

The street commissioner and his assistant should go ahead and finish up some of his fine graded streets that were left unfinished.

A local report each week from Scott's Mills, the Oregon Land Co.'s new town is promised THE JOURNAL. That town is filling up like a free candy pull.

Horsemen and all visitors remark the improved condition of Salem streets. Let them note that they were not built on the plan of taxing some one else, but at expense of abutting property.

The game law enforcers say the laws protect all song birds and boys shooting robins, meadow larks, and any of our small American songsters will be prosecuted.

The few miles of road to the Wallace place in Polk county are the only bit of good road in this vicinity at present. It has been good all winter. Our road makers should study that road.

The Republicans should never allow the Democrats to loot the United States senate offices contrary to all precedent. They have too much patronage at their disposal now to know what to do with it.

Advertisers are reminded that the WEEKLY CAPITAL JOURNAL has a large and constantly growing circulation. It has large lists, owing to having able local correspondents at nearly every Postoffice in the county. Come and see how many are printed and circulated, from our mailing lists and you will be surprised. It is a model weekly family newspaper and is highly appreciated.

Poyser & Puttkamer, the brick makers, have offered the city council of Oregon City, to pave one block of Main street with vitrified (or melted) brick of their make, under the conditions that if said pavement does not stand ordinary wear, they are to make a donation of the brick to the city; if the pavement proves good, the city is to pay them \$13 per 1000, and give them the contract for all the brick required. They should be invited to make the same test at Salem.

WILLAMETTE NOTES.

J. W. Whitaker recited the "Boy in the Rigging" on Friday.

The usual semi-term rhetorical occurred Friday afternoon.

Nearly every student wore a green ribbon on St. Patrick's Day.

Prof. Arnold was ill and out of school during the latter part of the week.

Lloyd Reynolds read a business essay on modern methods of advertising, Monday.

Denn Hanson was ill for a short time and unable to meet her classes, but is on duty again.

Dr. Whitaker went to Albany to lecture before the district teachers' institute in that place on Wednesday night.

Miss Annie Burkhardt, of Albany, whom ill health caused her to leave school at the beginning of the term, visited chapel Monday.

On Monday a large delegation of the ladies of the city, led by Dr. Whitaker, went to the 1:40 p. m. train to bid Miss Annie McNeil, the African missionary, a good bye and God speed.

A surprise party was held at the

home of Miss Adda Irwin for Geo. Irwin and several students were among the merry party.

The committee appointed to raise the fund of \$5000 for endowing the laboratory are busily engaged in the preliminary work and have assurances of gratifying success. The circular letter will be issued next week.

Students who expect to graduate in any department of the school, have been requested to make a choice of subject for their commencement essays by April 1. The year rapidly drawing to a close.

The senior class of the conservatory will give their fifth recital on Wednesday evening, March 29, at the university chapel, from the works of Chopin and Beethoven. There will be no admission charged at the door but only those who have invitation programs will be admitted.

Eight students have been selected to participate in an elocutionary contest to be held during commencement. Suitable prizes are to be provided. The names are as follows: Misses Myrtle Marsh, Helen Matthews, Edith Hughes and Marie B. Andrews; Messrs. J. T. Bureham, B. B. Barker, M. S. Wilson and W. A. Morris.

The purpose now is to hold the first Intercollegiate Oratorical contest for Oregon on June 2, 1893, at Salem. The following have been selected to contest for place in representing Willamette. Jno. W. Reynolds, Floyd Field, Lloyd B. Austin and Lloyd P. Reynolds, Misses Myrtle Marsh and Edith Frizzell.

Dr. Whitaker has finished our exhibit and it was sent en route to Chicago Friday. Among many things there will be an electric motor made by the student Percy L. Brown. Illuminated display squares with the faculties of literature, law, music, medicine, pharmacy and art, each faculty on a separate square; albums filled with the photographs of students; oil paintings and crayon drawings from art department; school history, literature, examination papers, etc. Dr. Whitaker has been at much pains to gather this and other creditable material.

THE STATE ASSOCIATION

Of the Rod and Gun Clubs—The State Tournament.

There is a great deal of inquiry as to forming new rod and gun clubs, membership in the State Sportsmen's association, and the state tournament at Salem in June. It is not to be a local Rod and Gun club tournament, as has been conducted by the Salem club for two years past, but a State association tournament, and only members of regularly organized Rod and Gun clubs, or individuals, who have connected themselves with the State association can participate in the contests. Individuals can become members of the State association by payment of \$3.00 membership fees and \$1.00 dues. But any member of a club that belongs to the State association can take part in the tournament by paying \$1.00 dues to the association when he comes to the State tournament. It costs only \$2.50 to become a member of the Salem Rod and Gun club, and at present there are no dues to pay as the club is in good financial condition.

Any three sportsmen can organize a local club, and it is urged that the Rod and Gun men form such clubs, when by thus associating themselves together they can all become members of the State association by paying the club admission fee of \$5.00, which admits all who belong to that club to the privileges of the State tournament. The constitution and bylaws of the State Sportsmen's association will be ready in printed form in a few days and any sportsman can obtain a copy by addressing the Secretary Frank Howe, or the President C. D. Gabrielson, Salem, Or.

GRANDMOTHER'S ADVICE

is a remedy of great value, and is used by the people of all ages.

Mrs. Jennie Bigelow of Fremont, Mich., Permanently Cured of Swellings in the Neck

One of the most stubborn forms of Scrofula is that of goitre, which is not only a very distressing disfigurement of the face and neck, but causes great anxiety, because it is liable to develop into the painful and sickening running sore. Hood's Sarsaparilla has been

Wonderfully Successful in cases of this kind. Acting promptly upon the blood, it eliminates all impurity, and the swelling, thus deprived of its cause and support, soon disappears. Read this: "To C. I. Hood & Co., Lowell, Mass.

"I suffered terribly with swellings in my neck, or goitre, and spent an enormous amount of money for medicines, but to no purpose. I became completely discouraged. I read about Mrs. Anna Sutherland, of

Hood's Sarsaparilla Cures

Kalamazoo, Mich., who had goitre, and who was greatly benefited by Hood's Sarsaparilla. I wrote to her and received an answer fully confirming the printed testimonial. I then commenced to take Hood's Sarsaparilla myself, and when I had taken two bottles found that my neck had been reduced in size two inches. I was so anxious to know the effect of the medicine that I used a tape measure every day. In a few weeks I found the swelling very much reduced, and I could breathe with perfect ease, which I had not done for years. I continued with Hood's Sarsaparilla, and am now Permanently Cured of Goitre." Mrs. JENNIE BIGELOW.

HOOD'S PILLS act easily, yet promptly and efficiently on the liver and bowels, cure headache.
