

The Question is Often Asked Why the The New York Racket

Has such a lively trade, while it appears dull in many places?

That question is easily answered, they buy their shoes from one of the most reliable cash shoe factories in St. Louis, raving cash for them, thereby getting their stock at the lowest price. Then selling for cash, they have no allowance to make for bad accounts. That explains why they sell shoes cheap. In other lines, such as Hats, White Shirts, Black Sateen, and light Dress Shirts, Pants, Overalls, Underwear of all kinds for ladies, and gents Hosiery, Laces, Embroideries, Lace Curtains, Ribbons, Gloves, Mitts, Table Linen, Linen Tablecloths, Napkins, Crash, Hammocks, Brushes and notions of all kinds, which are all bought for cash in New York, and following that line, (cash) from factory to consumer, they can afford to sell at low prices. They ask an examination of their stock and prices.

DRAGGED DOWN TO DEATH.

Dr. Briggs' Fate Decided By the Presbyterians.

MUST PAY THE PENALTY OF HERESY.

Ninety-two Majority Against the Renowned Dissenter.

WASHINGTON, June 1.—The appeal of the prosecution from the verdict of the New York Presbytery acquitting Dr. Briggs of charges against him, was sustained by the general assembly, the vote being as follows: Number of votes cast 499; to sustain the appeal 298; to sustain in part 85; to sustain 116. After recess the debate continued with the majority of the speakers against Dr. Briggs, though he took a number of supporters, the most notable one, perhaps, being the graduate from the Union Theological seminary, Jas. F. Garvin, now missionary to Chili.

Elder Thomas McDougall, of Cincinnati, precipitated a lively scene. "If it be in order," he began, "I would like to ask if the omniscience, veracity and character of God Almighty and the Lord Jesus Christ may be questioned? God Almighty said Isaiah said thus and so. Dr. Briggs has said to God Almighty that Isaiah did not write half the book that bears his name. The Lord Jesus Christ said in the new testament that Isaiah wrote the book bearing his name."

Dr. Henry M. Storrs—"I call the gentleman to order."

Rev. H. Milton Shields, of New Mexico—"If the statement is not quoted in Dr. Briggs' inaugural it is not before the assembly."

This colloquy was carried on in the midst of great confusion, cries of order rising from all parts of the house and the moderator and McDougall both trying to be heard. The storm having calmed down, Elder McDougall concluded: "Christ said no man can come unto the father but by me. Dr. Briggs says Martineau found God through reason and the man found him through the church. Whom will you believe, Christ or Dr. Briggs?"

An extension of half an hour to the afternoon session enabled the clerk to progress in the roll call through the synod to Oregon. The assembly then took a recess until evening, when the roll call was resumed. It was 8:45 o'clock when the moderator put the question, "shall the specifications of error be sustained?"

The specifications were declared sustained by a vote of 292 to 190.

Specifications two to twelve, all relating to irregularities in the proceedings of the New York presbytery were sustained seriatim. The second ground of appeal alleged the receiving of improper testimony and was based upon three specifications. On the first a division was taken resulting in the specification being sustained by a viva voce vote. The third ground of appeal alleged manifestation of prejudice in the conduct of the case and of its six specifications the Briggs men carried two and came within two votes of carrying another. The fifth and last ground of appeal contained specifications of error and charged a mistake or injustice in the decision. Votes on these specifications were taken without division and resulted in every one being sustained.

Rev. W. C. Young, of Kentucky, then moved that the roll be called and the assembly vote upon the main question, "shall the appeal be sustained," which was adopted. The roll was called amidst almost painful stillness and the vote was announced by the clerk as follows: Whole number votes cast, 499. To sustain the appeal 298, to sustain in part 85; total to sustain appeal 383. Not to sustain 116. Then a motion was made for the appointment of a committee to bring in an explanatory minute which shall express the sense of the assembly as to the action that should be taken upon the judgment of the presbytery of New York and what penalty shall be imposed against Dr. Briggs, if any, and carried and the assembly adjourned.

The Briggs Committee.

WASHINGTON, June 1.—On reconvening the Presbyterian general assembly, the Moderator announced the names of the committee to formulate the minutes expressing the sense of the assembly as to the vote taken upon the appeal from the New York presbytery in the Briggs case. Rev. Thomas A. Hoyt, of Philadelphia, was made chairman. The committee to fix the Briggs

sentence it is understood has agreed to recommend suspension, and will report on the opening of the afternoon session. It is said Briggs refuses to make any compromise. The assembly adopted the reports of the committee on bills with overtures reaffirming the deliverance of the assembly of '92 on the inspiration of the scriptures.
MUST HARMONIZE.
The committee on theological seminaries presented its report on Union seminary, of which Briggs was one of faculty, disavowing all responsibility for its teachings and declining to receive any further reports from it until it is brought into harmony with the church.

Oldest in Tacoma.
TACOMA, Wn., June 1.—The Merchant's National bank has suspended payment temporarily. A notice on the door states that this action is taken on account of stringency in the money market, and inability to make collections. It will probably resume payment in a few days. The suspension has caused surprise, but no excitement. The bank is the oldest in the city and has a paid up capital, of \$250,000. W. J. Thompson is president. Figures given out at this time, said to be approximately correct, show total liabilities of six-hundred thousand dollars; assets eleven-hundred thousand.

Pension Frauds in Iowa.
MINNEAPOLIS, June 2.—The Journal prints a sensational article concerning pension frauds in Northern Iowa and Southern Minnesota. As a result of the work of a special pension examiner, G. M. Van Leuven, jr., a pension attorney at Lime Springs, Ia., and Dr. George Kessell, mayor of Cresco, Ia., were arrested, and gave bonds. It is charged the names of witnesses to pension papers were forged, not only in the case in which the arrest was made, but that similar frauds have been perpetrated on a big scale for years.

Peace Conference in Nicaragua But no Peace.

Behring Sea Case Ended—The British Position Stated—Successful New York Bicyclist.

GRANADA, Nicaragua, June 1.—The conferences held in Sabana Grande between the representatives of President Sacaas and the revolutionists was somewhat disappointing. Three peace commissioners, appointed by President Sacaas, met the three representatives of the insurgents in Sabana Grande yesterday. These representatives of the insurgents returned to Granada last night. They declined to make public the various propositions advanced by each side, but report that no agreement was reached. Another conference was held yesterday, but it is not believed that an arrangement for the war to cease can be reached. It is probable that hostilities will be resumed at the end of 48 hours, during which it was agreed that the truce should prevail. It is rumored that Sacaas's representatives asked greater concessions than the insurgents would grant. The revolutionists appear determined that no arrangements shall be made short of the complete overthrow of Sacaas's government. It is reported here that many prominent citizens of Leon, who sympathize with the revolutionists, have been imprisoned by order of President Sacaas. General Uricheo, ex-commander of the government troops, is one of those who have been thrown into the dungeon.
