POLITICS AND PROHIBITION.

An Oregon Appointment—Who Will be Blount's Successor.

WASHINGTON, June 16.—The president has made the following appointments: George W. Sanderlin, of North Carolina, deputy third auditor of the treasury; J. H. Robbins, receiver of public moneys at LaGrande.

The names of Thomas T. Crittenden, counsel general of the City of Mexico, and Judge Sneed, both of Kentucky, are said to be under consideration in connection with the appointment of a successor to Blount as a United States minister to Hawaii. Gossip has it that one of them is to be chosen, but no agreement as to which one.

CHICAGO, Ill., June 16.—The executive committee of the National Republican league today decided to make Chicago headquarters.

DES MOINES, Ia., June 16.—The grand lodge of Good Templars adopted the report of the committee reaffirming allegiance to total prohibition of traffic in intoxicating liquors, and declares it the duty of Good Templars to vote with those who are fighting for prohibition. Boston is the next place of meeting.

"DUNDEE" REID BUSTED.

His "Mortgage Company" at Portland Closed on Attachment.

PORTLAND, June 16.—A small institution, known as the Oregon and Washington Mortgage company, which was started some years ago by William Reid, known generally as "Dundee" Reid, was closed today under attachment to recover \$1,173. Reid himself passed into insolvency some time ago, and his Mortgage company now follows him. Liabilities are said to be small, no statement having yet been made. Reid left Portland some months ago, and is understood to be in London. His failure is supposed to be due mainly to speculative railway enterprises, the last of which was to endeavor to build a road from Astoria to Portland.

Accident at Chemawa.

CHEMAWA, June 16.—The pavilion being put up for commencement exercises at Harrison Institute, Indian training school, fell at 10:45 a. m. Mr. Rogers, the carpenter, and one boy are quite badly hurt. It is not known just how badly.

GERMAN-ENGLISH ELECTIONS.

The Socialists Triumphant—President Carnot Wins.

BERLIN, June 16.—Yesterday's elections, as far as Berlin is concerned, can be considered almost a complete triumph for the socialist party. Not only have their votes enormously increased since the last elections, but the proportion of votes between the radicals and social demon are such that except in one ward the radicals practically have no chance in second ballots, although in the provinces the socialists are not so uniformly successful as in Berlin, yet the returns are eminently satisfactory to them.

LONDON, June 16.—The election in Llanthow yesterday for a successor to Gladstone, resulted in the reduction of the government's majority by the election of a conservative.

PARIS, June 16.—The condition of President Carnot is believed to be serious. He suffered a relapse today, and there is much anxiety as to the result.

German Elections.

BERLIN, June 16.—At 2 o'clock this morning returns from seventy districts indicate that thirty-six have been carried by the parties opposed to the army bill, fifteen have been carried for parties favoring the bill and nineteen are in doubt as between the government and the opposition parties, with chance in a majority of them strongly in favor of the government. The government parties lost three of their former seats. Two to Rightists or social democrats, as second ballots shall decide, and one to absolute German Democrat. The government won one seat. The Social Democrats won two seats, besides having secured many chances for new victories on second ballot.

Dock Strikers.

TONAWANDA, N. Y., June 16.—Nothing is being done on the lumber docks. The Poles who wanted to work were intimidated by strikers. Eight hundred strikers thronged the entrance to the bridge leading to the island. An outbreak is threatened momentarily. Deputies are guarding the bridge. The company state that the militia are ordered out. Squads of strikers are patrolling the streets. An outbreak seems certain.

Two Light Meals Daily.

WASHINGTON, D. C., June 16.—The Post says: In order to reduce his flesh, which has been constantly increasing in spite of work and worry, President Cleveland is quietly pursuing the banting system of reducing meals to two per day and both very simple.

Record Broken.

WILMINGTON, Del., June 16.—James Weel drove the pacing stallion, Saladin, a mile in 2:50 1/2 over a half-track, beating the world's pacing or trotting record over half-mile course. Saladin is a half brother of Stamboul, 2:37 1/2.

Rip Van Winkle III.

FALL RIVER, Mass., June 16.—Joseph Jefferson is seriously ill on board the steamer which arrived from New York this morning. An effort will be made to remove him tonight. He is very weak but it is believed he will recover.

He Was Killed.

MINNEAPOLIS, Minn., June 16.—J. R. Harris, of the Lubricating Company, was killed by two burglars in his house last night. He discovered them in his parlor and they shot him twice. He died this morning.

Wind and Rain.

ATLANTA, Ga., June 16.—A disastrous rain and wind storm swept over south Georgia yesterday afternoon. Valdosta and Thomasville report many houses blown down. Melon and pecan crops are badly damaged.

One Failure.

BOSTON, June 16.—Finkley, Dresser and Co., stationers, assigned. Liabilities \$150,000; assets about the same.

The Murder Trial.

NEW BEDFORD, June 16.—In the Lizzie Borden trial the defense rested its case this afternoon.

War in Samoa.

WASHINGTON, June 16.—Secretary Gresham has received advice that a war is imminent in the Samoan islands and that a rebellion has broken out against the existing government of which King Malesio is the head. Malesio has returned to Samoa for the purpose of regaining the throne, and that his following is strong and menacing is evidenced by the fact that the reigning king appealed to representatives of the tripartite alliance to protect him in accordance with the treaty concluded between the United States, Great Britain and Germany, and assist him in driving the usurper, Malesio, from the territory. The situation reached a critical stage and the president and Secretary Gresham are in frequent conference as to the policy of this government in the matter. The United States is pledged to assist in preserving the autonomy of the islands but, at present, it is hardly in a position to do very much in that direction. Germany is the only member of the alliance represented at the islands by a war ship, but with the co-operation of representatives and citizens of other governments that vessel will be sufficient to afford ample protection to foreign interests on the islands even if it is not capable entirely to suppress the rebellion.

Washington G. A. R. People.

NORTH YAKIMA, June 16.—This is practically the last day of the department encampment of the G. A. R., Sons of Veterans and Woman's Relief Corps. The parade attracted many visitors. Sinclair, Ballard; senior vice-commander, C. T. Patterson, Elton; junior vice-commander, W. F. Wallace, Fremont; medical director, T. M. Young, Seattle; delegates at large to the national encampment, Robert Scott, Yakima; delegates, C. W. Boardman, Tacoma; J. S. Wattersen, Spokane; G. W. Olney, South Bend. BETTER RACING NEVER SEEN

Than Was Had at Independence Thursday.

ENTRIES FOR THE RACES OF TODAY

Fine Weather, Good Track and Big Attendance.

INDEPENDENCE, June 15.

Fine weather and a good track insured good racing and those that attended were not one whit disappointed, for 8 better races were never witnessed by any of the lovers of this most noble of sports. The Independence band was in attendance and discoursed sweet music during the interval between races, heats, making the fortunate winners still more jubilant, and allaying the sorrowful feelings of those not so fortunate. The judges in the stand were William NeSmith, E. S. Rothshild and J. W. Kirkland, Mr. NeSmith acting as starter. William Percival wielded the Red Flag in starting the running races.

That not one objection was made to any of the decisions of the judges nor to any of the starts is sufficient evidence of the universal satisfaction that judges gave to both the public and the horsemen.

The first event called was the 1 mile dash in which 9 horses raced the starter at 2 p. m. Some little delay was experienced in getting them off, but when the flag fell, the horses were well launched, being led by the young daughter of Joe Hooker, the gray mare Loretta. She held her position well up the backstretch and into the home stretch, but at this point Ruby and Undine coming very fast made a very pretty race to the wire, Ruby finishing first.

THE SUMMARY.

Ruby—ch m Ophir—Capt Jinks 1
Loretta—gr m Joe Hooker—F. Walker 2
Undine—br f Hyde All—Kate Fletcher 3
Nipper, Hello, Tom Lamar, Lancer, Wild Oats, Mowsta also ran.

The next race on the program was the 2:20 trot 2 is 3. Five horses faced the starter as the summary shows. Phalmont Boy b. s. owned by L. P. W. Quimby was the choice of the public and he showed that their judgment was correct, for he won in 2 straight heats although the gray gelding Walker made the fine looking stallion stretch his neck considerable in both heats as far as the half but at that point the stallion drove away from the gelding and finished each heat easy.

The positions assigned the horses by the judges at the start were Frank O'Neil jet, Van Tromp 2d, Walker 3d, Phalmont Boy 4th, Harry Young 5th. After a few seconds they were sent away, Walker going at once to the front taking the pole before reaching the post, here Phalmont Boy came up and a prettier race is seldom seen for the two went to half neck and neck making the half in 1:11, the second quarter being trotted in 33 seconds. Just after leaving the half the gray horse made a mistake and Phalmont Boy took the lead and kept it until the wire was reached.

SUMMARY.

Phalmont Boy, B. S. Phalmont Pocatou, Jno. Sawyer, driver 1
Walker gr. g. Fearnaught Pilot Mendicino, B. O. Van Bakkelen, driver 2
Harry Young blk. s. Joe Young Black Hawk, Tim. Holland, driver 3
Frank O'Neil br. g. Whippleton's Gilpatrick, Geo. Unswater, driver 4
Van Tromp b. s. Bodger, Wm. Redwood, driver 5

Time, 38, 1:11, 1:47, 2:27.

The second heat was started on 3d score. Phalmont Boy being closely pressed by Walker to the half, then the stallion drew away and finished a winner of the race in 2:25.

SUMMARY.

Phalmont Boy 1
Walker 2
Harry Young 3
Frank O'Neil 4
Time, 38, 1:12, 1:49, 2:28.

The next race was the 1 mile dash and the usual delay was experienced.
