SUGGESTED COMMENT. In North Carolina you have to go on an official state drunk or none at all.

You can give wool away under this administration but you can't sell it.

Always put your best foot forward. Show your gold pieces. Hide your blues and unpaid bills.

In keeping with its custom the JOURNAL will observe July Fourth and issue no paper on that day.

Farmers will have to kill off their sheep or kill off the Democratic party. It is not profitable to keep both.

You can now get drunk on state whiskey in South Carolina. That is not exactly a new thing in Oregon.

Young man, you can succeed at anything as an experiment. A life-and-death determination to succeed alone will win.

Theories about the low price of wool, cut no figure. Neither the McKinley bill nor the Cleveland administration help the matter.

If you are kicking at ten cents a pound for wool now, don't be surprised if you have to sell for six cents if a free trade tariff is enacted.

A visitor to the world's fair has been fined \$5 for flirting with one of the pretty employees. Flirting seems to be the cheapest thing one can do there.

If two British admirals cannot turn around in 3600 feet space without sending one another to the bottom, the English navy needs new admirals, that is all.

There has never appeared in print a statement of the condition of the Lane county banks until the recent collapse. Banks should court public confidence more by publishing statements of their financial condition.

Editor George W. Childs is fitting up the Philadelphia Ledger with a band of trained pigeons to act as messengers and carriers of "copy" from distant reporters. It is expected that the scheme will be a great success.

The Linn county grand jury humorously says: "And if further appearing to us that about \$35,000 of money belonging to the county is locked up in the Linn County National bank." It is locked up so tight that no one can hold it. "Looked up" is good.

Salem was to have had a Fourth of July celebration, but the business men and others enthused so feebly financially that the project was abandoned. -Dallas Itemizer. If Editor Wash will wash his face with clean water and come to Salem on the Fourth he will see more celebration to the square inch than he ever saw before in his life.

Here is a sample of the improvements going on at Salem, paid for by Union, Josephine, Linn and other Oregon counties, says the Union Scout: There will be \$39,000 available for the new buildings at the reform school; \$60,000 for the juvenile hall; \$15,000 for new buildings at the penitentiary; at least \$40,000 for the deaf and dumb school; and \$6,000 for the school for the blind. Still Salem wants the branch asylum and the soldiers home.

Salem does not want the branch asylum nor the soldier's home. Salem is perfectly well pleased to allow those in positions to go wherever the legislature sends them, if it can send them anywhere it pleases.

Their gentle action and good effect on the system really make them a perfect little pill. They please those who use them. Carter's Little Liver Pills may well be termed "perfect little pills."

No one knows better than those who have used Carter's Little Liver Pills what relief they have given when taken for dyspepsia, flatulence, pain in the side, constipation, and disordered stomach.

Do not despair of curing your sick headache when you can so easily obtain Carter's Little Liver Pills. They will effect a prompt and permanent cure. Their action is mild and natural.

DR. GUNN'S ONION SYRUP FOR COUGHS COLDS AND BRONCHITIS.

GRANDMOTHER'S ADVICE. In raising a family of six children, my only remedy for coughs, colds and croup was Carter's Little Liver Pills.

HOPS AND CROPS. SALEM, July 3. - The cool, cloudy weather of the past two weeks has had a bad effect on the vines in the Butteville district, vines are turning yellow and not growing much. It is now thought the yield will be below an average, but the increased acreage may even it up. Lice have appeared in a few yards but are doing no damage.

A visit to Miramonte farm, near Barlow, will be repaid by seeing as fine a stand as can be found in this section, while some of the vines are young, they all have a vigorous, healthy appearance and are shooting out arms in great numbers. No lice have yet appeared. With favorable weather from this on it is estimated that this 35 acre yard will produce about 90,000 pounds of choice hops.

The yards that adopted the wire trellis are looking better than where poles are used and a better yield is expected from them. -Barlow paper.

Reports from Douglas county indicate that hops are looking well.

August Kell sold 51 bales for 15c. Dr. Wm. Gleason sold his lot for 16c and Reuben Wright sold 18 bales for 16c to E. Meeker & Co.

Phil Neis & Co. have consigned to M. and H. LeMay, London; Wm. Thompson, 41 bales; Wm. Struve, 29 bales; Iden Bower, 9. Mr. LeMay and H. J. Miller, Phil Neis's agent, have been visiting growers around Butteville, Aurora and Needy. LeMay reports the prospects for the next crop in England as looking very serious, on account of drought and vermin and prices have advanced in London the past week fully 15 shillings per hundred.

IN WASHINGTON. Puyallup Commerce July 1. Mr. A. J. Query, Alderton, reports that so far lice have not appeared in his yard to any extent and that the vines are looking better this year than he has ever seen them before. He has had no occasion to do any spraying as yet, but is amply prepared to fight the lice as soon as they make their appearance.

Among the shipments from the N. P. depot here this week were 41 bales to New York by Herman Klaber. E. Meeker & Co. this week bought in Oregon and shipped to London 600 bales.

Warmer weather has increased the lice, and spraying will become general next week. M. J. Meeker, Hon. Robt. More and other growers are already hard at it.

A California paper says: A majority of the hop growers are now putting in their spare time in getting plenty of wood up in their kilns, and in cleaning out their cooling rooms and putting in order their hop baling presses. There is no loading in the hop yards now.

CHOP NOTES. Geo. Allen says of crops: Grain would help spring grain. It is growing but will be short in places without rains.

County Clerk Wm. H. Egan, one of the thousand acre farmers on French Prairie, says all kinds of crops never looked finer. There will be no defective fruit or grain crop of any kind. Late grain especially is coming in fine.

Do Not Be Deceived. Persons with weak lungs - those who are constantly catching cold - should wear an Alcock's Porous Plaster over the chest and another between the shoulder blades during cold weather. Remember they always strengthen and never weaken the part to which they are applied. Do not be deceived by imagining any other plaster like them - they are not - many look it, but look deceiving. Insist always on having Alcock's, the only reliable plaster ever produced.

Husband and Wife Both Cured by Hood's Sarsaparilla.

Catarh, Kidney Complaint, Heart Failure, Liver Troubles.

"I think it my duty to voluntarily tell what Hood's Sarsaparilla has done for myself and wife. Last spring my wife was in a very bad way with kidney complaint; felt miserably all the time."

Miserable All the Time and could hardly get around the house. She began to take Hood's Sarsaparilla, and in one week she was improving. When she had taken but three bottles of Hood's Sarsaparilla she was cured of that dreadful disease. As for me, I was troubled with Catarh, Heart Failure and Liver Complaint. Suffered so intensely that

I could not sleep at night, nor get any rest through the day. As soon as I lay down, my heart would beat so hard that I would have to get up. I had very severe pains in the small of my back and in my head like a sick of black bile all day long. So you see I was hard up. I also experienced benefit from Hood's Sarsaparilla within a week after I began taking it. I have improved rapidly and can now sleep better than I have for a year, can eat and not bloat as I used to. We praise

Hood's Sarsaparilla for we think there is no medicine like it." HENRY C. and MARY E. RICHARDSON, Salem, Maine County, N. Y.
