It Looked as if They Had Come to Stay. On Monday a singular occurrence was witnessed by a large crowd of men about the grounds of the National Soldiers' home at Togus. A great cloud, comprised of thousands on thousands of large, black winged ants, alighted so thickly that the ground was nearly covered with them. Immediately upon or tearing off their own wings, and after parently of hunting for food, scattering in a lively manner in all directions and seemingly everywhere to be found, and almost as large as cockroaches.-Lewiston Journal.

How Pensions Are Paid.

Pension money comes from two sources -the internal revenue tax and the tax on imports. The internal revenue tax is on whisky, tobacco and cigars, so that any man who objects to paying any portion of the pension fund of the country can accomplish that end if he abstain from smoking or chewing tobacco, drinking whisky and wearing fabrics of foreign manufacture.-Corporal Tanner in Brooklyn Eagle.
