OPEN AIR CONCERT.—Several hundred people enjoyed the cool shades of Morningside Friday evening until a late hour. The Second Regiment band played a popular program including several gems and the latest popular airs that have been transmitted to Salem by phonograph. "Memories of Childhood," "Bowerly," "The Man in the Moon," and "Visit to Chinatown" were especially applauded. These concerts are looked forward to with much pleasure.

THE BIG BRIDGE.—County Judge Hubbard has posted notices of warning thereon. The wording is: "Notice is hereby given that this bridge is unsafe and is hereby condemned, and he who crosses it does so at his own risk. Dated this 4th day of August, 1893. Signed, W. C. Hubbard, county judge of Marion county." The judge will try once more to get co-operation with Polk to fix it.

NO ARRESTS.—There will be no arrests in the Apilo insurance case. Whatever case there ever was, and there never was any but in a detective's mind, was busted by the reporters getting hold of the detective, and he has left the country. District Attorney Condit has carefully investigated the case and says there is nothing to found a criminal charge upon.

OFFICIAL WISDOM.—The county government is paying more every week for little squirrel scalps caught off fern hills that will never be cultivated than it would cost to fix the big bridge safe for public travel. A hundred dollars a week to encourage boys to hunt and trap and not a dollar for public safety. Gee whizz!

THE SCHOOL BOARD.—It did not employ a city superintendent yesterday. Several of the unemployed from Portland who would be glad to get the job at \$1000 a year, or any price, returned today. They seem to regard the place as a sinecure, and are red hot to get it. The board will act wisely to leave the place vacant.

ABOLISH IT.—The people are heartily sustaining THE JOURNAL in its position that our schools are better off with first class principals and no city superintendent, than with a second-class city superintendent and principals with but little responsibility or authority. The people are right. Abolish the sinecure.

ASYLUM FARM.—Supt. Rowland finished cutting 136 acres oats, 60 acres wheat, 60 acres grass. There are 170 acres garden in one field, and 28 acres garden in separate patches, or 520 acres altogether. The home farm at the asylum is 152 acres. All the work but threshing is done by the patients.

THE CRACK DAIRY.—Wm. G. Westcott represented the Westcott & Irwin restaurant dairy at the convention today. This is the Jersey dairy which they conduct solely for supplying their famous Strong's restaurant tables with milk, cream and butter.

SATURDAY.—As usual was a busy day at Salem. The state dairy convention, state board of agriculture, Salem grange and several sheriff sales were going on at the same time. The town was full of people and teams. The day was cool.

SALEM PEOPLE.—They live well all the week but especially Sundays. That dinner can be made perfect by the use of Price's Fruit Flavors and extracts sold only at Van Eaton's perfect family grocery.

BIG DRIER.—W. B. Duncan of Zeon, has taken home the last pair of his big Jory fruit drier, made by Jory & Son of this city. It will dry fifty bushels or a ton and over of prunes at one firing.

The executive committee of the state board of agriculture is in session at the state fair grounds this afternoon and this evening at the state house. There are present, Messrs. Apperson, Gregg, Galloway, Matlock, Tom Davidson, Ex-Gov. Moody and John G. Wright. This is a very busy session for these gentlemen.

The details of the whole state fair lasting a week in September are to be arranged. The state board have a struggle on hand to get lights. Their six year contract with Thomas Holman for lighting the grounds is not being kept up by the new company.

The State Dairy.

About forty practical dairymen of Oregon met at the court house and were called to order by President Looney. Secretary Williamson of Portland, editor of the Rural Northwest, State Food Commissioner Luce, and other prominent dairymen were present.

The forenoon was spent in discussion and extended addresses were made by Messrs. Williamson and Luce touching all the important interests of the dairy. The members met again at 1:30 this afternoon.

The regular annual meeting is held at the time of holding the state fair when a regular dairy institute will probably be held.

Among dairymen present were E. P. Walker and Walker Brothers of Nutwood Dairy ranch; Steward Barnard of the asylum farm, Messrs. Boise and Marsh of Salem; Mr. Cranston, the cheese maker, and many more.

A Love Song in M Flat.

"My modest matchless Madeline! Mark my meek and meek moans; Much may my melting music mean—My modulated monitions."

This young man stayed out too late, serenading his lady love. He caught a cold, which developed into catarrh, but he cured it with Dr. Sage's Catarrh Remedy, a sovereign specific for chronic cases, "cold in the head," catarrhal headache. It corrects tainted breath, stops the offensive discharges, heals the irritated throat and nose, leaving the head clear, and smell and taste unimpaired. It costs but 50 cents, and the proprietors offer in good faith \$500 for a case they cannot cure.

Some of the Indian boys thrashed the headfarmer, at the school last week, and then run away. There is a great kick among them about Mr. Brewer being let off. He has been disciplinarian ever since the school was moved from Forest Grove.

Is Life Worth Living?

That depends upon the Liver. If the Liver is inactive the whole system is out of order—the breath is bad, digestion poor, head dull or aching, energy and hopefulness gone, the spirit is depressed, a heavy weight exists after eating, with general despondency and the blues. The Liver is the housekeeper of the health; and a harmless, simple remedy that acts like Nature, does not constipate afterwards or require constant taking, does not interfere with business or pleasure during its use, makes Simmons Liver Regulator a medical perfection.

I have tested its virtues personally, and know that for Dyspepsia, Biliousness and Troubling Headache, it is the best medicine the world ever saw. Have tried forty other remedies before Simmons Liver Regulator, and none of them gave more than temporary relief, but the Regulator not only relieved but cured. H. H. JONES, Macon, Ga.
