Sheba" painted in France under the immediate supervision of the author.

"Venus," the new comic opera which Edward E. Rice will produce next fall, will have as its prima donna Camille d'Arville, who is perhaps the highest salaried comic opera singer in the world with the exception of Lillian Russell.

There is no truth in the rumor which as been very generally published to the effect that Digby Bell, the operatic comedian, will change his name because an actor with a similar name has been an inmate of a well known inebriate asylum.

Edwin Barbour is the sole author of . Y. Pearson's latest romantic spectacular production, "The Land of the Midnight Suh," and did not have a collaborateur in the person of James W. Harkins, Jr., as has been erroneously pub-

"The Corncracker," the most recent play from the pen of Joseph Arthur of "Still Alarm" and "Blue Jeans" fame, will be produced at the Fourteentla Street theater, New York, on Oct. 9. It is expected that it will last throughout

Loie Fuller, the inventor of the now wornout serpentine dance, was so little appreciated in America that last year she went to Europe, where she has been coining money. She will shortly return to New York for a short season as the star of a high priced vaudeville aggrega-tion. It is said that her salary eclipses that of "Ta-ra-ra Boom-de-ay" Lottie Collins.

POSTOFFICE ANNALS.

1774—A penny post set up in Dublin. Like that of London, its routes were bounded by the city limits.

1774-Franklin dismissed from office on account of his strong sympathy for the colonial agitation against English taxation.

1785-Mail coaches were employed for several of the leading routes out of Lon-

1789—The United States postal rates were fixed by congress. For a single letter, one written on a single piece of pacustomers. Among them were minis- per, under 40 miles, 8 cents; under 90, ters, officials, and many ladies had sur- 10 cents; under 150, 121 cents; under prises for their husbands in the shape 800, 17 cents; under 500, 20 cents; over 500, 25 cents.

1792-A money order office was set up in this year between London and the provincial towns. Little used on ac count of the great expense of transmitting funds in this way. 1794-The London penny post was

greatly enlarged, much improved and the rate of postage increased to twopence. 1809-The first production of the London Postoffice Directory was begun. It

wish for health includes? and will has been regularly issued every year you notice the reference is not to the since that date.

1816-General reduction of postage rates in the United States.

1830-In this year the mails were first sent by rail, in spite of a general protest that the new means of conveyance was unsafe, uncertain and would tend to the abolition of the stage coach routes, to the great damage of coach owners and the general injury of British institu-

1885-Mails first sent to India by the overland route-i. e., through the continent and over the isthmus of Suez.

tions

1837-Rowland Hill began the advocacy of his plan of penny postage, which was fully investigated by a committee of the house of commons, and after much discussion was finally adopted .- St. Louis Globe-Democrat.

A ROYAL FLUSH.

Princess Louise is an expert salmon The czar's throne is said to be worth

four times as much as Queen Victoria's. A thimble shaped like a lotus blossom. in solid gold, thickly studded with diamonds forming initials or motto, belongs to the queen consort of Siam.

Every spring the emperor of China goes to "the emperor's field," plows a portion of it, sows it with several kinds of seeds and superintends the ceremony while the princes and nine courtiers perform ordered a new steam yacht which shall be faster than any other boat in the the same act in honor of the god of agri-

The royal family of England is said to be the most money loving of the princely blood of Europe. The queen has ac-cumulated a vast fortune from her savings, and she pays her servants less than they can get in any first class hotel. Her daughter, the Princess Louise, inberits this parsimonius spirit.

NEW TO-DAY.

Of Interest to Sportsmen.
