TEACHERS' CONVENTION. The executive committee of the State Teachers' Association for 1893 after canvassing carefully several places for holding the meeting has determined that for the convenience of all concerned it will be most practicable to hold the annual teachers' convention this year at Portland. It will be remembered that connected with the State Teachers' Association there are now two other associations held in conjunction with the same and at the same time, to-wit, the College Association and the department of superintendence. In order therefor to accomodate to the best advantage the interests of all concerned for the present year, it has been determined to hold the associations at Portland, Dec. 26, 27, 28, 1893. We shall publish from time to time all circulars of information and programs issued by the department of public instruction relative to the above convention. All teachers and friends of educa-
