THE MERRY TARIFF WAR.

Democrats Fight the Wilson Bill.

BRICE ATTACKS COMMITTEE.

Bland Secures a Quorum on Silver.

BUT LOSES IT ON THE VOTE

Being Taken to Make His Bill a Special Order.

The Tariff Caucus.
WASHINGTON, D. C. Feb. 23.—The Democratic Senators caucused on the tariff bill till it was time for the Senate to go into session, without settling any of the questions at issue, or reaching a vote on any point. The caucus will reassemble at 2:30 with the understanding that it will remain in session until the bill is practically disposed of. It is recognized that there is no further chance for a change of votes by argument. White, of California, occupied most of the morning session with discussing the fruit and wine schedule. He asked only a few changes which he said were necessary. Brice attacked the methods of the finance committee in shaping the bill.

Bland Succeeds.
WASHINGTON, Feb. 23.—The deadlock in the house is broken and a quorum is secured on the Bland seigniorage bill.

In the House.
WASHINGTON, Feb. 23.—The special order, fixing time for voting on the Bland seigniorage bill, was taken up, and previous question sustained, by the speaker calling the vote necessary to make a quorum.
This quorum was lost on motion to adopt special order and the house adjourned till tomorrow, when an effort will be made to remove the last barrier to the vote.

Judge Long's Pension.
WASHINGTON, D. C. Feb. 23.—Judge Cox, of the district supreme court this morning granted the injunction asked by Judge Long, of Michigan, to restrain the commissioner of pensions from reducing his pension from \$72 to \$50 per month, as the commissioner announced he would do.

In the Senate.
WASHINGTON, D. C. Feb. 23.—In the Senate, Voorhees offered a resolution appointing Mills to succeed Vance on the Finance committee. Laid over. Frye, of Maine, took the floor on Hawaiian affairs and said events recently enacted there were humiliating to this country.

The President's Hunt.
WASHINGTON, Feb. 23.—Latest news from the President and party is that they were on board the vessel at anchor at 11 o'clock last night at Long Point, North Carolina, just across from Currituck Sound, in easy range of good shooting.

CORBETT-MITCHELL FAREE.

Corbett's Trial Begun to a Mixed Jury.

JACKSONVILLE, Fla., Feb. 23.—A large crowd assembled this morning in court to witness the opening trial of Corbett and Mitchell and others connected with the recent prize fight. The trial of Corbett was begun and its result will decide the others. He is charged with engaging to fight according to previous arrangements and then and there "beating, bruising, wounding, maltreating one Charles Mitchell." The plea not guilty was entered and selection of jury begun. Up to recess five had been accepted, three whites and two negroes. The trial will probably last several days. An acquittal is expected.

Woman's Suffrage.

DES MOINES, Ia., Feb. 23.—A resolution for submission to a vote of the people of a constitutional amendment, granting the right of suffrage at all elections, and to hold any state office to women, was defeated in the senate this afternoon, 20 to 20.

GLADSTONE NOT RESIGNED.

Situation as to the Premiership Is Unchanged.

REMARKABLE FEAT OF BLONDIN.

The Venerable Rope-Walker Performs a Wonder.

Gladstone's Resignation.
LONDON, Feb. 23.—Gladstone, this afternoon, had an interview with the Queen. It is generally believed he went to tender his resignation as Premier. The Associated Press was subsequently assured by Gladstone's private secretary that the Premier had not resigned and that the situation is unchanged.

Another Celebrity.

LONDON, Feb. 23.—Blondin, the celebrated rope walker, observed his 70th birthday today in the crystal palace. He walked a rope carrying one of his sons, who weighs a hundred and fifty pounds. He says he expects to be still walking the rope at eighty years of age.

Distinguished Iowan Dead.

CRESTON, Iowa, Feb. 23.—Judge J. W. McDill, of the interstate commission died this morning of typhoid fever. He was aged 60 and was once a member of the U. S. senate.

Dr. Patterson Dead.

CHICAGO, Ill., Feb. 23.—Rev. Dr. R. W. Patterson, one of the best known Presbyterian ministers in the country, for fifty years a minister, died at Evanston this morning.

THOSE WHO WILL FIGHT.

Position of Senators Opposed to the Wilson Bill.

PITTSBURG, Feb. 23.—According to a letter received at the headquarters of the Window Glass Worker's association from expert James Campbell, a leading member of the committee which is in Washington to fight for a window glass tariff, several Democratic senators including Senator Hill, of New York, will fight the Wilson bill. Mr. Hill assured the committee that he would fight the bill in every way, both in committee and on the floor of the senate, and that his voice and vote will be against it. It is believed that Senator Murphy, his colleague, Senator Cameron promised to work and vote against the bill. Senator McPherson promised to do all in his power to get a better tariff on window glass, while the bill is before the finance committee, but he said he would be forced to vote with his party when the bill comes up in the senate. Senator Brice said that he, of all the senators in congress, was hit hardest by the Wilson bill, on account of the great industrial interests in Ohio. He would do his best to have the window glass schedule changed, but he would save to vote with his party on the bill in general. Senator Kyle, the South Dakota Populist, presented one of the curious contradictions of his party by saying that he was opposed to the Wilson bill, but would vote for it. Senator Peffer said he would fight it and vote against it.

Captain DeLion Dead.

SEATTLE, Wash., Feb. 23.—Captain R. W. DeLion, counsel of Hill at Tacoma, ex-mayor of Port Townsend, promoter and builder of the DeLion dry dock, at Quartermaster harbor, and in years gone by an important factor in Puget sound politics, committed suicide at his home in this city today by shooting himself. The matter was kept a secret for a while. The captain had been sick for some time and the deed was done during a fit of insanity. He was 56 years old and leaves a wife and seven children. He was reputed to have property worth \$40,000, with liabilities placed at \$72,000. Ill health and financial troubles are said to have been the cause of his disordered mind.

The Run of Salmon.

ASTORIA, Feb. 23.—Old fishermen are already beginning to prophesy concerning the probability of a good run of fish early in the coming season. They all agree in believing that between April 20th and May 20th the salmon will come into the river in immense swarms and bear out the old theory about the four-year run. In 1893, during the two months' strike, the fish were particularly plentiful; again in 89 the same run was repeated, and it is looked for again in 1894.

Chinese to Be Deported.

TACOMA, Feb. 23.—Fifteen Chinese will be deported on the Northern Pacific steamer Victoria, which sails today. Thirteen of these are from various points of this state. The remaining two are from Detroit, Mich. This is the first time Chinese from any Eastern state have been deported through this port.

ROYAL BAKING POWDER

DURING hard times consumers cannot afford to experiment with inferior, cheap brands of baking powder. It is NOW that the great strength and purity of the ROYAL stand out as a friend in need to those who desire to practise Economy in the Kitchen. Each spoonful does its perfect work. Its increasing sale bears witness that it is a necessity to the prudent—it goes further.

N. B. Grocers say that every dollar invested in Royal Baking Powder is worth a dollar the world over, that it does not consume their capital in dead stock, because it is the great favorite, and sells through all times and seasons.

ROYAL BAKING POWDER CO., 108 WALL ST., NEW-YORK.

The Lords Disagree.

LONDON, Feb. 23.—The house of lords by sixty to fifty-five refused to accept the house of commons rejection of the Salisbury amendment to the Parish Council bill, enabling small parishes to dispense with councils if they numbered less than 200 to 500 inhabitants. The Peers offered a compromise amendment.

A Buoy for Oregon.

TELL THE TRUTH.

THE JOURNAL proposes to tell the truth about Governor Penoyer just the same as anybody else.
Governor Penoyer is preparing a set speech to be delivered some time in April. With cool deliberate calculation he will compose his essay so as to catch the most suckers to make him the next United States senator.
Of course, he will not discuss any of the charges brought against him in the JOURNAL, affecting his right to be termed a reformer. He will probably discuss silver in India and Great Britain and Wall Street. THE JOURNAL proposes to insist on an examination of his records in Oregon.
There is evidence that he is closely connected with some of the most corrupt men in both parties and has in part been responsible for the expenditures and appropriations of the past two years.

Today's Oregon News.

L. R. Van Winkle is postmaster at Weston.
C. H. Finn, a Dalles attorney is suspended from practice.
Geo. Duty, of East Portland was fined \$15 for selling cigarettes to a minor.
The indictment against Commissioner Carruthers, of Clatsop county, was set aside by Judge McBride, in the circuit court, on the ground that he did not state facts sufficient to constitute a crime.

SUGGESTED COMMENT.

The Prohis who have not already joined the Populists will meet at Salem in State convention April 4th.
Gov. Peck, author of "Peck's Bad Boy," is on trial for conspiracy to defraud the state of Wisconsin. Is the author as bad as his boy?
Next Saturday there will be a Republican round-up in the city. The long-horned McKinley cattle will be in off the ranges, and the Demos, Populists and Prohis may as well prepare to take their medicine.
A great many nice people read THE JOURNAL.
If the women could vote it would be nearly a unanimous verdict against Democracy this year.
Republican clubs will help restore good times.
Senator Mitchell sustained Cleveland's judicial appointments to good purpose.
Remiss in redeeming its promises and lacking concert to its councils—the Democratic party.
The ladies of Detroit, Or., insist on joining the Republican club there. Hard times come right home to the keepers of the firesides.
There seems to be certain things which it is not proper for the representatives of the people to consider—for instance a silver coinage bill.
