SUGGESTED COURSE

Economic reform overhauls all other reform in Oregon. No politician or citizen is so good as labor good made.

Salaries Must Come Down

WASCO, Or., April 4.—At the Republican primary held in this town the following resolution was passed: WHEREAS, The financial condition of the country within the last two years has been such as to cause a decrease in the value of their one-third share of the property...

The Death of Miss Nellie Ballard

Last week Miss Nellie Ballard was killed. Today she talks familiarly. The cause of her being speeched was death, a death from which she was not to be saved.

Mr. Cleveland's Financial Statement

Mr. Cleveland's financial statement is as much as fault as his party's statement. St. Louis Republic.

The People cannot afford to have the Independent

The people cannot afford to have the Independent because driven off the Willamette river by any Pacific railroad.

The State of Iowa

The state of Iowa has the courage to put up a woman for state superintendent of schools. Bet a cookie she leads the ticket.

Mr. Brown's Financial Statement

Mr. Brown's financial statement is as much as fault as his party's statement. St. Louis Republic.

The Republican of Lane county

The Republican of Lane county will present the name of Prof. R. E. McWhorter, of Lebanon, to the county state superintendent of schools.

Absolute Merit

No other paper has been produced which gives so many testimonials of high value as this continuously as it is added to Allen's Force Powder.

The Democratic Party a Year Ago and Now

"An Independent" in the April Form. There has been no president since Washington that went into office with as clear a purpose as the one that had himself formulated for the people...
