OUR COUNTY TICKET.

Marion county has enjoyed a deserved reputation for good county government in the past. From the kind of men put up this year we judge it is likely to enjoy this kind of fame in the future. Not a word derogatory to the character of any nominee for a county office has been uttered so far. The Republicans have put up a ticket that challenges admiration at every point, both for the men themselves and their her go? record as public officials whenever tried. John Kuight for sheriff stands well in the whole state and suits the people of Marion county almost without distinction of party. He collects Come, darling, and sit on grand-the taxes expeditiously and turns the mother's lap."—Chicago Tribune. money over promptly to its proper custodian. He has kept peace and good order of the community at as little ward for any case of Catarrh that canexpense as any man who ever filled the not be cured by Hail's Catarrh Cure. office. Lorenz V. Ehlen is a new man F. J. CHENNY & Co., Props. Toledo, O. We the undersigned have known F. for a county office. He stands very high and in the north end of the county, where he has lived all his life, where his neignbors will vote for him almost able to carry out any obligation made to a man. His ability to fill the place is not questioned. R. G. Brown for county treasurer is another clean man.

As treasurer he is always at his place of Hall's Catarrh Cure is taken internal. applied and accounted for. F. W. Sold by all druggists. Testi-Waters for recorder is hard to beat, For a quiet, unostentatious and faithful official he has few equals. J. S. Graham is industrious, clear-headed and painataking. The school teacherof the county, as well as the school with a cold to give it a trial and if it does not give satisfaction your money will be refunded. Every bottle is sold on a positive guarantee. Price 50 cents of the county, as well as the school the county goes along smoothly and on a positive guarantee. Price 50 cents and\$1.00. Sold at Capitol Drug Store. without confusion. D. D. Coffey as assessor has his work so well in hand that, whether he ever has a successor who is his equal, or not, no matter; the work of that department of our county government will always be in better shape for Coffey having been connected with it. If he is elected, as we believe he ought to be and will be by a large majority, he will perfect the system until no property will escape its just share of the taxes, and that will be a good thing for everybody.

The other Marion county men on the Republican ticket are B. B. Herrick for surveyor, A. M. Clough for coroner, and J. M. Watson for county commisstoner. All three are competent and successful in their lines of business. Mr. Watson is a member of the Grand Army and a loyal Republican. He with the rest | deserve to receive every Bapublican vote. As men, as candidates and Republicans there never was a better ticket put in the field in Marion county, or one which, citizens can take more pride or antisfaction in voting. We shall discuss the legislative ticket at another time.
