FIRST CONGRESSIONAL DISTRICT.

For Representative in Congress: HINGE HERMANN.

THIRD JUDICIAL DISTRICT.

For Circuit Judge: H. H. HEWITT, of Linn county.

MARION COUNTY.

FOR STATE SENATORS: I. L. Asterson, of Salem, and W. H. Hobson, of Stayton. JOINT SENATOR: For Marion and Clackamas, Alonzo Geeser, Salem.

SUGGESTED COMMENT.

Save the fruit crop this year. Cheap motive power for transportation and better country roads are indispensable to successful farming.

The people of Oregon have very little use for the Swiss initiative scheme of multiplying legislation. We have too much legislation already.

About the only big criminals convicted now-a-days are convicted in the newspapers. The courts deal successfully only with the small ones.

Congressman Tom Johnson's characterization of the Democratic party as "broken, discredited and freedomed to defeat," is very pat. The country is much obliged to the Democratic statesman for his frank opinion of his own party.

If senators and congressmen do not invent some way to force themselves to attend to the business of legislation, the people may relieve them of the job altogether.

"Sisters, be glad, there's help to be had: No longer be miserable, abject and sad; Lost souls regain, 'rings on the refrain; 'Your creature be healthy and happy again."

Ben Hayden, the ancient war-horse of Polk county Democracy, was on hand at the late county convention and made his influence felt.

PERSONAL AND SOCIAL.

Local Correspondence from Towns in the Valley. NORTH HOWELL. Arthur Hobart and his mother spent Saturday and Sunday at B. F. Fietch's.

E. W. Banghman conducted the Sunday school in place of B. Wiesner who was not present.

Thomas J. Vancleave, an old and esteemed citizen of this place, died on Monday April 9th and was buried at the Grassy Pond cemetery near Mount Aigel on Wednesday the 11th.

The social and supper at the residence of Isaac Stevens on the evening of April 9th, in honor of the 22nd birthday of Willard Stevens, was the last and one of the pleasantest of the social events that the writer has had the pleasure of attending.

Saved Our Boy

A Clergyman's Statement. Constitutional Scrofula Entirely Cured.

"C. I. Hood & Co., Lowell, Mass.: 'Gentlemen: Wishing to tell what Hood's Sarsaparilla has done for us, I will say that 3 years ago we had a beautiful boy born to us. When about six months old he took a sore throat. I had two doctors but all to no benefit. At the age of 11 months he breathed his last. Thus we laid our darling child

in the grave. On Aug. 4, 1891, another boy was born to us. At the age of two months he became afflicted with the same disease. I believed the boy's trouble was constitutional, and not common sore throat. I procured a bottle of Hood's Sarsaparilla and commenced to give it regularly to both mother and baby, and occasionally washed his mouth with a syringe of weak brush root. Improvement began at once. We have succeeded in eradicating the scrofulous blood from the system and today we are blessed with a nice fat baby boy, eighteen months old. He is the very picture of health.

All life and full of mischief - thanks to Hood's Sarsaparilla. I am a member in the Methodist Protestant church. I am here to back what I say and I am in no way interested in any profit in the matter, except it affords me much pleasure to recommend Hood's Sarsaparilla to all as a safe, sure remedy. Even my wife, after taking Hood's became healthy and healthy and has the bloom of girlhood again." REV. J. M. PAYE, Brookline Station, Ma.

Hood's Pills act harmoniously with Hood's Sarsaparilla. 25c. per box.

"She Looketh Well"

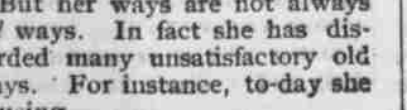

If you are thinking of buying a plaster, remember that you will place it upon your body and cannot get a plaster that will be too good for you.

Alcock's porous plaster is the best plaster made. Your druggist may have some other plaster on his shelves which he is anxious to get rid of, or else some worthless imitation purchased at a low price for the purpose of substitution. Do not accept his "Just as good" plea, insist upon having the genuine. Alcock's porous plaster has no equal.

Brandreth's pills can always be relied upon.

to the ways of her household." Yes, Solomon is right; that's what the good housekeeper everywhere does.

But her ways are not always old ways. In fact she has discarded many unsatisfactory old ways. For instance, to-day she is using

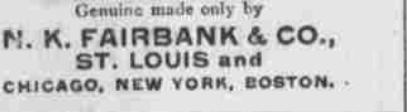

the New Shortening, instead of lard. And this is in itself a reason why "she looketh well" in another sense, for she eats no lard to cause poor digestion and a worse complexion.

COTTOLINE is much better than lard for all cooking purposes, as every one who has tried it declares. Have you tried it? For sale everywhere.
