ANOTHER ADVERTISING SHARK.—Today the city is being canvassed by a stranger for advertisements to appear on letter pads to be supplied hotels, and which will only be seen by a few strangers. This class of schemes is being constantly worked by outside sharpers, who simply take money out of the town and virtually give no "value received." There is a further point of interest about this class of business, in that it takes just that amount of advertising from the newspapers of the city. These papers are here and represent the interests of the city and its business men the year round, and they—the business men—have too much sense to throw away money on these itinerant leeches. One F. R. Johnson, of San Francisco, is trying to work up this newest fake. Landlord Wagner, of The Willamette hotel, said he will not have the scheme worked in connection with his house, as he did not believe in encouraging these blood-sucking birds of passage.

FIGHTING GIRLS.—Last night shortly after church, some where near the cannery, two young girls who seemed to have a grievance toward each other became involved in a quarrel. One of them was so incensed that she took off her coat and dared the other to fight. She would undoubtedly have chastised her antagonist if she had not been held back by her friends.

POPULAR APPROVAL

goes far towards establishing the standing of a business house in the community, and the good-will and favor we have been shown indicate that those who have dealt with us have been eminently satisfied with their transactions.

REPUBLICANS ORGANIZED.

Dates for the Marion County Canvass Arranged.

PROTECTIONISTS, UP AND AT THEM.

Meetings All Over the County and Able Speakers.

The Republican army in Marion county is getting fairly well in marching order for the campaign of 1894. Said a veteran of the G. O. P. Saturday: "If Republicans do their duty the cohorts of fusion, fiat money, Democracy and Populism will be swept out of existence. Two thousand plurality will be the maximum if the Republican vote is got out."

SATURDAY'S MEETING
Of the Marion county central committee showed the party in fine working order. Harmony and enthusiasm were the watchwords all along the line. Following committees were appointed:

On finance to assist the chairman—J. M. Poorman, Wm. H. Savage, Louis Stinson.
On county canvass—J. M. Poorman, C. B. Moore, L. L. Patterson, Hiram Smith, John Knight.

On assessment of candidates—Louis Stinson, L. Hobson, H. C. Tarpley, Green B. Cornelius, A. F. Blackerby. A half hour was given them to report.

The committee to arrange the route of and time for making the canvass reported the following: That the canvass begin at Marion on Monday, May 21st at 1 p. m.; thence to Jefferson at 8 p. m.; on May 22d—Turner at 10 a. m., Aumsville, 2 p. m., and Stayton at 8 p. m.; May 23d—Sublimity at 10 a. m., and Detroit at 8 p. m.; May 24th—Mill City at 10 a. m., and Mehama at 8 p. m.; May 25th—Macleay at 2 p. m., and Silverton at 8 p. m.; May 26th—Scotts Mills at 10 a. m. and Woodburn at 8 p. m.; May 28th—Mt. Angel at 2 p. m. and Gervais at 8 p. m.; May 29th—Hubbard at 2 p. m. and Aurora at 8 p. m.; May 31st—St. Paul at 10 a. m., Champeog at 2 p. m. and Butteville at 8 p. m.; June 1st—Brooks at 10 a. m. and Howell Prairie at 2 p. m.; June 2nd—Salem at 8 p. m.

This report was adopted. The assessment report was then read; it was that the sum of \$750 should be raised and no more. It was adopted.

It was moved and carried that the following gentlemen be invited to make speeches for the Republican cause throughout the county: John Minto, Tilmon Ford, T. T. Geer, Wm. Armstrong, S. B. Ormsby, C. W. Wasson, Dr. W. A. Cusick, John McNary, Prof. W. L. Cummings, E. T. Judd, W. L. Toose, G. G. Bingham, H. J. Bigger, C. P. Strain, Edgar Grimm, Warren Cranston, J. A. Carson and W. H. Odell.

B. F. Meredith was elected temporary secretary of the committee. The secretary is a competent and energetic young man.
Chairman Croisan will this week open an office in the city and formally assume charge of the county canvass.

BIG REPUBLICAN RALLY.

The Opening Given at Salem May 19th.

Saturday evening, May 19th will be the opening rally of Republicans of Salem and the surrounding towns. D. H. Leoney, state central committee for Marion county, have arranged to have Hon. Charles W. Fulton, of Astoria, come to Salem on that date and deliver an address in the opera house during the evening. Mr. Fulton is one of the most eloquent speakers in the Northwest, and his coming will be the means of drawing a large crowd to the city. W. H. Leeds, H. R. Kincaid, G. M. Irwin, Republican candidates for state printer, secretary of state, and school superintendent, respectively will be present, as also Judge W. P. Lord for governor and Phil. Metcahan for treasurer, and each will make short speeches. There will be bonfiring, band music and hurrahing preceding the speaking; and every one will be full of Republican enthusiasm.

At Chemawa.
The Chemawa Indian school is to receive new material from Idaho, Mr. Baker and his wife having been transferred from Ft. Hall to Chemawa, where the former will act as principal teacher and the latter as matron, taking the places respectively of Mr. Walker and Mrs. Wasson. These new acquisitions are expected to arrive and assume their duties in a few days.

The Superiority
Of Hood's Sarsaparilla is due to the tremendous amount of brain work and constant care used in its preparation. Try one bottle and you will be convinced of its superiority. It purifies the blood which, the source of health, cures dyspepsia, overcomes sick headaches and biliousness. It is just the medicine for you.

Hood's Pills are purely vegetable, carefully prepared from the best ingredients.

LITTLE LOCALS.

The advertising firm flammer is abroad in the city. E. E. McKinney went to Turner this morning on business. Cloudy and showery continued. Born, to Mr. and Mrs. Jos. Schindler at their home on 25th street, Salem, April 29, 1894, a son, weight eleven pounds. The steamer Elwood leaves for Portland Tuesday morning on schedule time. Julia H. Wagner, formerly night operator at the Hotel Willamette, and now with Wells, Fargo & Co., at San Francisco, arrived this morning on the overland train, to spend a week with his brother, A. I. Wagner. Moffett, the house mover, has raised the Presbyterian church up in good shape ready for the contractors to remodel. The walls did not sustain a crack—verily, a good job. Miss Lena Knight is in Portland, on her way home from New York. N. N. Mathews and G. W. Kemp have purchased the Wenger meat market on Court street. A marriage license was issued today to Samuel Brooks, age 30, of the Waldo Hills, and Mrs. Mary Williams, age 35, born in New York city. Fred Kuenzli, a native of Switzerland, took out his final papers today.

A McKinley Rally.
The South Salem Republicans are wide-awake and will hold a special McKinley service at the old school-house Tuesday evening this week. The room has been cleaned and will seat 150 people. A large picture of Major McKinley will be unveiled. There will be music, flowers and speaking. The ladies are especially invited.

Was Killed by Accident.
An inquest was held this morning over the remains of Rudolph Hansen an inmate of the state insane asylum from Portland. He was a Swiss 34 years of age. He fell or in some way struck his head on a block with which he and other inmates were at work polishing the floor of ward five Sunday forenoon. No blame is attributed to the management of the asylum by the jury impaneled by Justice Batchelor, acting coroner as follows: Geo. B. Sanderson, F. T. Strayer, A. M. Clough, T. P. Welch, E. C. Minton, D. L. Fiester. Foreman Sanderson conducted a thorough examination of all the facts and a number of witnesses.

For Horse Stealing.
The case of the state ver. vs. Bartlett for horse stealing was continued from Saturday to Monday at 2 p. m., before Recorder Edes.

Bartlett took a horse last January, belonging to a Mrs. Johnson. His friends pleaded insanity, and he will be tried for that as soon as his hearing is over.

They Soothe. Never Irritate.
Some people have a prejudice against plasters, because, as they think, they burn and blister. That is true of many, but not of Alcock's Porous Plasters. They never irritate the skin, but always have a soothing effect.

They are useful in case of any local pain and as a rule will bring immediate relief. If they do not, it is because the trouble has been allowed to become so serious that no external remedy will reach it, and the chances are that any treatment will fail.

For stitches in the side, weakness or lameness of the back, stiffness of the joints, Alcock's Porous Plasters have been proved again and again to be not only a relief, but a cure.
Brandreth's Pills are safe to take at any time.

The first new crop of cabbage was found at Clark's grocery.

Graduated Taxation.

EDITOR JOURNAL: Switzerland, it is said, has few paupers and few millionaires. The reason for this is that she has the most rational tax laws in the world. Taxes are graded according to the wealth of the citizen, not, as in this country, by taxing the poor more and the rich less, but by increasing the rate as the fortune or the income increases. The rich pay five times the rate that is exacted from the poor. This is simply a recognition of the duties of property as well as its rights. This particular phase of Swiss policy introduced here would be of far more value to this country than the "initiative and referendum."

To the Raptured People of Linn, Marion and Lane Counties.

One Dr. R. B. Clark, who was formerly with the O. E. Miller Co., of Portland, Oregon, for a short time, has not been with the company for nearly two months past. There is not a physician in Oregon who is using our method of treatment for rupture, and cannot do so, for the O. E. Miller Company's treatment is protected by Letters Patent and is a profound secret known only to the O. E. Miller Co. and so far it has baffled the best efforts of the World's most eminent physicians and chemists.

The O. E. Miller Company's treatment for rupture is painless and permanent in cure, no matter how long standing, and their employes furnish credentials.

In the Early Days

of cod-liver oil its use was limited to easing those far advanced in consumption. Science soon discovered in it the prevention and cure of consumption.

Scott's Emulsion

of cod-liver oil with Hypophosphites of lime and soda has rendered the oil more effective, easy of digestion and pleasant to the taste.

Don't Be Humbugged.
About so often Salem is visited by some sort of a wild cat accident or life insurance company, that lasts about as long as an Oregon mushroom, and the "special solicitors" (?) always manage to catch some suckers. As it is just about time that a visit be paid to this city by some of these fellows, it would be well to remember past experiences in this line and if wanting good, sound insurance place it with home agents.
