Rivers Are All Booming in the Great Northwest.

TERRIBLE FLOODS ALSO IN INDIA.

Great Loss of Lives and Destruction of Property.

PORTLAND, Or., May 29.—The Willamette river continues to rise, at the rate of one-half inch an hour. First street is now flooded to the depth of several inches between Washington and Burnside streets and at several low points the water is encroaching upon Second street. A further rise of six inches will bring the water up to the record of June 1876. The merchants are busily engaged in moving their goods, and business is practically at a standstill. Reports from the upper Columbia are to the effect that the water is still rising at Umatilla. A rise of one foot since yesterday is reported. No report has been received from The Dalles. The Union Pacific trains are indefinitely delayed. The Northern Pacific passengers arrived at noon by boat, from Kalamazoo.

PHILADELPHIA, Penn., May 29.—In the United States circuit court today, Judge Dallas denied the motion made for the United States to have the Gettysburg Electric Railway company enjoined from building a branch trolley road. It is alleged it will interfere with the Gettysburg battle field.

A. N. GILBERT, P.M.

Right of Way to Astoria. WASHINGTON, D. C. May 29.—The senate bill passed in the house granting a right of way to the Albany and Astoria railroad through the Grande Ronde Indian reservation in Oregon.

Protecting Our People.

WASHINGTON, May 29.—Resolutions submitted by Representative Raynor, of Maryland, in the house recite that the Russian government has denied admission to that country of Rabbi Krauskopf, an eminent Hebrew ec-

clesiastic, of Philadelphia, and this action by Russia is a breach of treaty which governs American citizens the right to enter, sojourn and travel in Russia the same as Russian citizens are admitted to this country. The resolutions direct the state department to ask Russia for a full observance of the treaty and in case of refusal will direct the severance of all treaty relations with Russia.

Breckenridge Defeated.

WASHINGTON, D. C., May 29.—Judge Bradley has overruled the motion of counsel for Col. W. C. P. Breckenridge to file a bill of exceptions, by virtue of which the suit of Miss Madeline Pollard against him might be carried to the higher court of appeals. This action was taken because of the objection made by counsel for Miss Pollard that Breckenridge had not complied with the law requiring that a bill of exceptions must be furnished to them within three days before the expiration of the time within which the motion to file had been made. Therefore this will prevent the appeal being taken.
