SUGGESTED COMMENT.

And the flat calf has burst?

The country continues to go Republican.

Populism died of an overdose of Coaxeyism.

Gentlemen, what does fusion amount to anyway?

Penroyer will not resist the last advertisement he got.

In Umatilla county they voted on stock running at large.

The verdict is for protection. It is also for restricted immigration.

The people of Oregon did not take that fatal dose of greens.

Jo. Waldrop can now go to the other place. He will never go to congress.

Californians have the sympathy of Oregonians. They have a Populist campaign before them.

It is time John P. Robertson was hunting a new party. We suggest he join the sanctificationists.

Geo. G. Bingham's speeches on the Sanitarium seem to have had a good Republican result.

Oregon has too much pride to declare for Mexicanization of American silver. So she declared against it.

The Republicans of St. Paul, Gervais and South Salem deserve special mention for honest work for the ticket.

The country Republicans voted well. They should have something to say in the future administration of Oregon.

Republican clubs should be kept permanently organized as a protection against introduction of new political pests.

Governor Penroyer, does it pay to hire imported cast-off pulpist renegades to take up collections in Oregon? Now, honestly?

If a man asks for justice at the polls, and the people know an injustice has been done him, they generally give it to him.

Fresno, Cal., has a good deal of gall to ask \$12 a ton for her coal, but then what better can you expect from the home of such highwaymen as Chris Evans and Bill Sontag?

Republicans worked well in the Oregon campaign. They propose to keep it up until 1896 when everybody else will go to work.

The people have taken the Republican party of Oregon at its word and it will have to keep its platform pledges or lose their confidence.

St. John will be a candidate for governor of Kansas, according to dispatches. Poor old Kansas is it to descend from Lewelling even to St. John?

Governor Waite of Colorado and Senator Stewart "smelled a mice" of what was in store in Oregon and did not come to fill their appointments.

Weaver and Sovereign of Iowa, Simpson and Lewelling of Kansas and anarchist Schilling of Milwaukee, wisely concluded to not come to Oregon.

Mr. Cline, of Woodburn, will from force of circumstances over which he has no control, be able to give his entire time to editing the Weekly Oregon Independent.

Have you noticed that the scheme of dear old Governor Penroyer to name his own successor, make himself senator to succeed Dolph and become political dictator of Oregon, has not materialized.

Grand old Democratic Linn and Umatilla went Republican handsomely. Grover may awaken to the fact that the country has slipped away from the Democratic party, hide, horns and tail and appoint a few postmasters.

Perhaps the Northern Presbyterians are to be blamed for refusing to fuse with the Southern Presbyterians as long as Mr. Breckenridge of Kentucky remains in good standing in the Southern branch.

England sends us Irving and Terry, and America reciprocates with Corbett and Jackson. And yet we are prone to boast of the superiority of American productions!—Eugene Guard.

Not just right; we also sent Eog and Booth and Barrett, Geo. Wm. Curtis and James Russell Lowell.

Sacramento Bee: Let the policy of protection stand. It is needed. But let congress strengthen it by passing laws prohibiting further immigration for at least many years and enforcing a schedule of wages in those industries so much benefited by protection, by which the laboring man can get some of the benefits intended primarily for him.

The Penroyer Populists and Fusionists were everywhere willing to trade from one five votes for a vote against THE JOURNAL representative who had dared tell the truth about their idol. Men who worship so great a sham reformer could not bear the thought of anything genuine in that line. It infuriated them as does the red rag shaken at a bull. No mountain of record or facts could be stacked up high enough to shake their faith in the great job of Populism.

Didn't Dare Marry Him. Briggs—Did you know Spicerly had proposed to his cook and been rejected? Griggs—Gracious, no. What did she reject him for? Briggs—She said she didn't know where they could get another one.—Brooklyn Life.

Art In Pans. "What did you bring your picture away from the dealer's for?" "He had put it down in the cellar, and I didn't like it." "Couldn't stand such abasement of art, eh?" and they both smiled.—Detroit Free Press.

A Victim of the Habit. Estelle—Charlie, dear, won't you give up tobacco for my sake? Charles—I do every day already, Estelle, darling. You have no idea how many fellows strike me every day for a cigar.—Somerville Journal.

Mistress and Maid. "Did you tell those ladies that I was not at home?" "Yes, ma'am." "And what did they reply?" "They said, 'Oh, how fortunate!'"—Lo Scapellapasteri.

All for a Barley Corn. LaFontaine, in one of his fables, tells of a barnyard fowl that scratched for a gem, while scratching for corn. Not knowing its value, he gave it to a stone-cutter for a barley corn. Thus do many persons throw away the priceless pearl of health. A "trifling" cough is neglected, then comes consumption, then death. Stay the cough, or look out for a coffin. Dr. Pierce's Golden Medical Discovery will cure catarrh in the head, bronchial or throat affections, or lung-scurf (commonly known as the consumption of the lungs). If taken in time, and given a fair trial, it will cure, or the money paid for it will be refunded. It is the only guaranteed cure.

The New Spring Hats. Are all adorned with roses. The roses on your cheeks can be retained by using Park's Tea. It clears the blood of impurities, moves the bowels every day and gives health and strength to the user. Sold by Capital Drugstore.

Dr. Price's Cream Baking Powder. World's Fair Highest Medal and Diploma.

Safe, Sure and Speedy. No external remedy ever yet devised has so fully and unquestionably met these three prime conditions as successfully as Alcock's Porous Plasters.

They are safe because they contain no deleterious drugs and are manufactured upon scientific principles of medicine. They are sure because nothing goes into them except ingredients which are exactly adapted to the purpose for which a plaster is required. They are speedy in their action because their medicinal qualities go right to their work of relieving pain and restoring the natural and healthy performance of the functions of muscles, nerves and skin.

Ask for Alcock's, and do not be induced to accept a substitute. Brandreth's Pills are safe and sure.

How Nice. Miss Bell is looking, Addie. Yes, Laura. Why, only a year ago her face was completely covered with pimples, blotches and sores. She told mother that she owed her nice, clear complexion to her using Sulphur Bitters. Well, Laura, I shall try them too.

Tired, Weak, Nervous, Could Not Sleep.

Prof. L. D. Edwards, of Preston, Idaho, says: "I was all run down, weak, nervous and irritable through overwork. I suffered from brain fatigue, mental depression, etc. I became so weak and nervous that I could not sleep. I would arise tired, discouraged and blue. I began taking Dr. Miles' Nervine and now everything is changed. I sleep soundly, I feel bright, active and ambitious. I can do more in one day now than I used to in a week. For this great good I give Dr. Miles' Restorative Nervine the sole credit. It cures."

Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1.50 bottles for \$5, or it will be sent prepaid on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Duggins, 75c.
