GENERAL RAILROAD STRIKE.

Growing Out of the Pullman Boycott.

NORTHERN PACIFIC MEN QUIT WORK.

A Complete Tie-Up of the Transcontinentals.

A General Strike.

CHICAGO, Ill., June 28.—A general strike has been declared on the Chicago, Milwaukee and St. Paul railroad. The announcement is made that every road, entering the Union depot will be tied up. E. A. Bancroft, representing the Santa Fe system, has applied to the United States authorities for the protection of the road against any interference by the strikers. Judge Grosscup is out of town and the marshal has decided to send out deputies.

Northern Pacific Strike.

ST. PAUL, June 28.—A general strike on the Northern Pacific system went into effect at midnight. Not a wheel is moving on the eastern end and a complete tie-up is reported from Fargo, Livingstone and other points.

At Minneapolis.

MINNEAPOLIS, June 28.—Local employees of the Northern Pacific have quit work.

THE COURT ACTS.

TOPEKA, Kan., June 28.—Judge Foster this morning signed an order directing U. S. Marshal Neesley to protect all the property and trains of the Santa Fe in Kansas.

Only Running Locals.

KANSAS CITY, Mo., June 28.—None but local trains have left this city in any direction this morning.

DENVER, June 28.—The Santa Fe is sending out no trains with Pullmans and none are coming in.

In Chicago.

CHICAGO, Ill., June 28.—About one hundred police were stationed today along the tracks of the Illinois Central and Rock Island roads. Eight hundred men employed in the Northwestern shops, near West sixteenth street, struck this morning.

The N. P. Will Fight.

ST. PAUL, June 28.—The N. P. say they will operate trains, depending on United States marshals for protection.

One Thousand Trainless.

ELLENBURG, June 28.—The east-bound Northern Pacific train is tied up here as a result of the strike. The entire second regiment of the state militia, en route for encampment at Olympia, is indefinitely delayed. Not a wheel is turning on either division. Nearly a thousand people are detained here.

A Crisis Today.

OAKLAND, Cal., June 28.—Not a train left the yards this morning with Pullmans attached. A crisis will come this afternoon, when Superintendent Wilder will insist upon men taking out a train with Pullmans attached.

Two Trains Held.

INDIANAPOLIS, June 28.—A Monon train made up of five Pullman sleepers is held near Hammond. The train that left Chicago last night for this city is at Hammond. Both are United States mail trains.

Of Wide Extent.

CHICAGO, June 28.—The extent of the Pullman boycott strike is indicated by the flood of telegrams received by President Debs, of the American railway union. The movement paralyzes traffic in the whole west. Perishable freight is being ruined on the side tracks of overland routes in Texas, New Mexico, Arizona, Southern California, Nebraska, Colo., Utah, Montana, Oregon, Idaho, Minnesota, and the Dakotas. Travel is stopped from the Pacific coast east and not a car is leaving Chicago for the west.

Freshman's Race.

CAUGHT A TEXAN.

His Trial Deferred Until Friday Morning.

Chief of Police Minto with an aide captured near Brooks yesterday Jack Enright, alias Texas Jack, on a warrant charging him with grand larceny in the stealing and carrying away of property belonging to his chum, Henry White. The men were in this city Tuesday and White was placed in the calaboose Jack finding him locked up, skipped with their joint effects. White lodged complaint before Judge Edes, who issued the warrant.

Enright is one of a gang of horse traders who committed depredations in Linn county two years ago, and escaped arrest at the time. An indictment was returned against him and as soon as this county is through with him on the present charge the sheriff of Linn will want him.

White is a man he has since picked up as a companion, they, with two women as a part of the outfit. The women were allowed to go on their way but White is retained in jail as a witness.

His preliminary hearing before Judge Edes was postponed until Friday.

THE HOWLING DEVASTATOR.

Tears Up an Indian Agency and Kills Two.

A SEEBE CYCLONE IN MINNESOTA.

Many People Killed and Property Destroyed.

ST. PAUL, June 28.—A terrible cyclone passed over a portion of Minnesota last night. At Litchfield, Jennie Lindstrom and Mrs. John Sanders were killed. At St. John's University the industrial schools and out buildings are wrecked. Damage \$30,000. At Glencoe five members of one family and seven in another are seriously injured.

At Danville, Mrs. Hackman was fatally injured. The Lutheran church and the high school were blown down. At Pipestone G. T. Hicks was killed. Crops are destroyed.

A Dakota Cyclone.

WILMOT, S. D., June 28.—A cyclone struck the Sisseton Agency while the payment of the Indians was in progress. Over one thousand people were on the ground. One store was torn to pieces, Indian tepees blown away, and several people injured. Two whites were killed.

Dakota Tornado.

PIERRE, S. D., June 28.—A hail and tornado storm struck the city last evening. All small buildings were blown down. A large Catholic church was blown from its foundation and wrecked. Several people were severely injured.

Thirty Houses Gone.

WILMAR, Minn., June 28.—Over thirty houses and barns here were destroyed by the cyclone. A family of seven are reported killed at Roseland.

Six Persons Killed.

ST. PAUL, Minn., June 28.—Meager reports from southwestern Minnesota indicate that a terrific cyclone passed through that section this evening. At Sleepy Eye, four persons were killed, and at Windom two. Great damage was also done at Renville, Collegeville and Aberdeen. Over five inches of water fell in an hour at Aberdeen. Great damage was done by washing out crops. At Renville, the cyclone wrecked everything in its path.

WASHINGTON POPULISTS.

Candidates Not Very Sanguine—Delegates Delayed by the Strike.

NORTH YAKIMA, Wn., June 28.—A temporary organization of the Populist state convention was effected this morning by electing T. J. Miller, of Thurston, chairman, and E. C. Rusk, of Kluckitlat, secretary. After appointment of the usual committee the convention adjourned until afternoon. There are about one hundred and fifty delegates present and another hundred are said to be on the tied-up trains. Candidates are numerous for congress. The avowed candidates are W. P. C. Adams, of Whatcom, L. E. Rader, of Pierce, and W. D. Mayer, of Garfield. Patrick Henry Winston could have the nomination from Eastern Washington if he would accept, but he says no office under that of United States senator will tempt him. Messrs. Carrier and Arthur, of Spokane, and Jordan, of Pierce, are candidates for the supreme bench.

LATE EUROPEAN AFFAIRS.

AMERICAN CREDIT IS REVIVING.

Under the Influence of Cleveland's Hopeful Views.

MADE SHORT WORK.

PARIS, June 28.—When detectives attempted to arrest a man named Granier today for complicity in the assassination of President Carnot, he plunged a knife into his abdomen, disemboweling himself. He immediately expired.

Two Kinds of Gas.

VERSAILLES, June 28.—When the national congress to elect a president of the French republic met at the palace, M. Michelin, socialist, at once sprang to his feet and shouted: "I demand the suppression of the presidency of the republic." A tumultuous scene ensued the uproar being so great that the president could not make himself heard. Socialist cries of "Vivi I' revolution" could be heard all over the hall. Order was finally restored and the balloting began.

About 2 o'clock a panic occurred in the lobby, owing to the escape of gas. The leak was finally found, and the panic subsided.

Cassimir-Perier awaited the result of balloting in Paris. Dupuy, however, was among the first arrivals at Versailles palace, and during the voting he strolled through the galleries Des But smoking a cigarette. Brisson, too, was on hand, going about among his friends. The railways between Paris and Versailles were lined with soldiers and every measure was taken to prevent any disturbance. Much amusement was caused by the fact that M. Dupuy had no ballots printed, while the other candidates had them plentifully distributed.

Will Use Surer Weapons.

LONDON, June 28.—A dispatch to the Chronicle says that M. Lepine, procurer of the republic, has learned of the conspiracy of cosmopolitan anarchists who recently resolved to use the knife or revolver against prominent rulers and statesmen, instead of dynamite or other explosives. The attempt of Legasup upon the life of Prime Minister Crispien opened the murderous scenes.

Credit Improves.

NEW YORK, June 28.—The Evening Post's London cable says: "The improvement in stocks continue. The statement of President Cleveland has had good effect here. Americans rose steadily today and closed at best. It is believed the worst of the trade depression in America is over, but only slow recovery is expected."

President Cassimir Talks.

VERSAILLES, June 28.—In officially notifying M. Cassimir-Perier of his election, M. La Cour delivered an eloquent oration and in reply M. Cassimir-Perier said:

"I can scarcely restrain the emotion I now feel. The national assembly bestows upon me the greatest honors a citizen can ever receive by imposing upon me the heaviest moral responsibilities a man can bear. I shall give my country all that is in me of energy and patriotism. I shall give the republic all the warmth of my convictions, which have never varied. I shall give democracy all my devotion, all my heart, as did he whose loss we now deplore. Finally, I shall endeavor to do all my duty."

The new president received an ovation from the dense crowd of people which lined the road from Versailles to Paris.

For the U. P.

OMAHA, June 28.—It is definitely understood the separation of the O. R. and N. Co. from the Union Pacific by the appointment of a receiver is merely nominal and that the traffic agreement will be so close as to practically exclude other lines from any accruing benefits. In this way it develops that it is really to the advantage of the Union Pacific that the divorce was secured, and in fact local railway circles agree that the receivership of the Oregon company was really arranged by those interested in the overland and consequently anxious to avoid the expense of repairing the recent flood damage to the Oregon property.

ILLINOIS DEMOCRATS.

SPRINGFIELD, June 28.—The platform adopted by the Democratic state convention endorses the action of President Cleveland and the public service of the Democrats in executive and representative stations in all things they have done to give force and effect to the principles of the party as laid down by the Chicago convention of 1892.

"The fearless integrity and sturdy determination" of Gov. Altgelt's administration is heartily commended. The A. P. A. is denounced in vigorous terms. They again declare their loyalty to that time-honored principle of the Democratic party which favors honest money, the gold and silver coinage provided by the constitution of the United States and a currency convertible into such coinage without loss to its possessor. They demand that the gov't shall spare no effort to bring about proper ratio between gold and silver that parity may be retained by the metals and that all mints be left open to free coinage.

Penitentiary Fire.

BOSTON, June 28.—An alarm of fire was rung in from Charlestown prison last night for a small blaze. As soon as the alarm was given, the prisoners in the workshops made a break, and in spite of the efforts of the officers, rushed into the yards. When the officers saw the case was desperate they drew their clubs and charged upon the prisoners. Finding that ineffectual, revolvers were drawn, and while some were fired into air, Thomas Donovan fired at prisoner Joseph Oaks, probably fatally wounding him. With the assistance of the police the prisoners were quieted and put in their cells.

ous Republican principle. A vote was taken and a motion to reconsider was declared carried amid great confusion. A motion was then made to lay the report on the table, which was carried in the same vociferous manner.

The convention then proceeded to the election of officers. Mr. Tracey was nominated and unanimously elected president. Andrew B. Humphrey, of New York, was unanimously elected secretary.

One vice president for each state league and an executive committee were chosen.
