W. U. T. U. SOCIAL.—One of the pleasant events of the week was the social given by the W. U. T. U. ladies on Wednesday evening. The rooms were beautifully decorated with the red, white and blue and flowers to abundance. That is one of the blessings of life in our beautiful city, that when the ladies wish to decorate there are always plenty of floral beauties to be had. Promptly at 8 o'clock the exercises began with an instrumental solo by Mrs. Dr. Brown, then followed recitations, songs and instrumental music. When the program ended the ice cream and cake came to a share of attention. After an hour or more of social converse the guests departed well pleased with themselves and the ladies that had planned and so successfully carried out an evening's entertainment.
