There is perhaps but one strictly spot cash grocery and crockery store in Salem, viz:

The Blue Front, 335 Commercial St.

They carry the best assorted and largest stock of goods in their line in the city. Their prices are always the LOWEST to be found anywhere. Unquestionably they undersell their competitors 15 to 20 per cent. It is now just three years since this enterprising firm made their first bow to the public and asked their patronage upon the only legitimate business basis of the SPOT CASH system. Their enormous trade is evidence of people's satisfaction with LOW PRICES for SPOT CASH. No store ever encountered a more united opposition than did the "Blue Front." They were considered intruders and their LOW PRICE cash system an innovation which was solidly and hotly opposed by every grocery in the city. The Blue Front has not advertised extensively. They have depended largely upon the good will and good words of their customers who freely recommend their friends to trade at

HORSE STORIES.—Yesterday afternoon Mrs. H. Schutt, of Sublimity, drove in to attend the fair, and visit relatives. She put up the horse in an old barn at the home of her sister, Mrs. Beck, in Simpson's addition and spent the night at the home of her daughter, Mrs. J. L. Mitchell. This morning it was discovered that her buggy was gone. The thief was evidently familiar with the neighborhood, for he took Mr. Bouillard's pony and got a harness at the Shedeck place. Sheriff Knight has been notified and a sharp lookout is being kept for the thief, although some well grounded suspicions are rife as to the culprit.

## RECORDS OF BICYCLES.

The World's for Half Mile is Lowered.

RIDERS SEARLE GONG AGAINST TIME.

Prospect for a Great Race at Salem Saturday.

SYRACUSE, N. Y., Sept. 21.—R. P. Searle, going against the record from Chicago to New York, arrived here at 9:30. He left Clyde at 5:45 a. m. today, and rode on the railroad track. He punctured four tires and fell down a railroad embankment twenty feet, but was not seriously hurt. He is still ahead of the record sixteen hours, and thinks he will arrive at New York Sunday four or five hours ahead of the record.

WORLD RECORDS BROKEN.

WALTHAM, Mass., Sept. 21.—John S. Johnson today broke the world's bicycle record for a half-mile, making it in 34.25 seconds. In the same trial the world's quarter tandem record was also broken. Time 29.45 seconds. Harvey Davidson of Toronto, created a record for class A, making a quarter unpaced in 28.15 seconds.

THE SALEM CONTESTS.

If there is fair weather and favorable conditions for wheeling Salem may see a world's amateur record for ten miles broken Saturday. The contest between Shipp and Murphy will be very close and if the track is perfect and no wind grand time will be made.

The Salem wheel contests have elicited universal admiration. They have been well managed and the visiting wheelmen have been shown every courtesy and are well satisfied. No cruelty or vulgarity has been manifest, no wrangling or ungentlemanly conduct on the part of the riders. It has been a fine week's sport conducted on high moral plans. The closing struggle Saturday for the ten mile honor and medal will be a fitting conclusion to the whole program. No cruelties should be permitted.

The grand stand is perfectly barbarous in its design that horses or men shall do their utmost. Saturday the track may be heavy or wet, or there may be a strong wind. No rider should be forced to set paces for over two to gratify the grand stand. The pleasure of a week's successful amateur cycling should not be marred by concessions that will inflict cruelty upon the young boys who have given the people such fine races this week.
