MISSOURI IS SAFE.

Republicans Elect State Ticket.

BLAND BEATEN FOR CONGRESS.

We Get Twelve Congressmen Out of Fifteen.

A REPUBLICAN U. S. SENATOR SURE.

Democrats Beaten Even in the State of Tennessee.

St. Louis, Nov. 8.—There is today almost no doubt that the Republican state ticket has been successful. In the house of representatives the Republicans have made gains enough to give them a joint ballot majority, but the senate will remain Democratic. In congressional districts it is now fairly established that the first, (Hatch's) the fourth, (Elliott's), the sixth, (Learnond's), the seventh, (Hearst's), the ninth, (Champ Clark's), the thirteenth, (Foxes), the fourteenth, (Arnold's) and fifteenth, (Morgans), have been carried by the Republicans. The eighth, (Bland), is still in doubt; also the third, (Dockery's), tenth and eleventh, (St. Louis), are Republican. The only sure Democratic districts are the second, fifth and twelfth.

The state Democratic committee concedes the election of a Republican legislature. It also concedes defeat on prima facie returns of R. P. Bland in the eighth district by a plurality of nineteen votes. The committee still claims the re-election of Dockery in the third district by 300.

LEBANON, Nov. 8.—Congressman R. P. Bland concedes his defeat by 600 plurality.

In Colorado.

DENVER, Nov. 8.—In spite of the positive announcement from Pueblo, Thomas M. Bowen, Republican, is elected congressman, while the result in the second district still seems to be in doubt. Returns, official and estimated, received here from all counties in the district except two, give Bell, Populist, 2307 majority.

DENVER, Nov. 8.—The Republicans will have seventeen majority on joint ballot in the legislature.

No Consolidation.

BROOKLYN, N. Y., Nov. 8, 5 p. m.—According to the figures received thus far, at police headquarters, consolidation, so far as Brooklyn is concerned, has been lost by about 100 votes.

Word From Bayard.

BOSTON, Nov. 8.—Ambassador Thos. F. Bayard said today: "I had great

apprehension as to the results of the recent elections for some time. I don't want to run afoul of these gentlemen responsible for delay in passing the tariff bill, but a patriot's duty is the unmistakable necessity for pure Democratic tariff legislation was never so great as it is now. Bills for free raw material should be passed immediately, and then the country will be able to contemplate the Democratic idea of a tariff in full working order for two years before national election rolls around. If this is done I have little fear that the verdict will be unsatisfactory in 1896."

Even Tennessee.

NASHVILLE, Nov. 8.—The election for governor has not been definitely settled. The Republicans claim the election of Evans by 15,000 majority, while the Democrats claim Turney's election by 5,000 to 7,000.

Kansas Improving.

TOPEKA, Nov. 8.—The latest figures show that Kansas has elected 7 Republican congressmen and one Populist, Baker of south district. This district is so close that a contest is likely. The legislature will be Republican on joint ballot by about 35.

Will Contest Owens.

LEXINGTON, Ky., Nov. 8.—The situation in the Ashland district is unchanged, Owens, Democrat, claims 118 plurality. If Owens is given a certificate, Denny, Republican, will contest.

The Post Mortem.

BERLIN, Nov. 8.—Professor Leyden says, regarding the late czar's illness: "The post-mortem examination established the accuracy of our diagnosis, chronic nephritis, with commencing atrophy of the left lung. The stomach was intact. The stories ascribing the czar's illness to poisoning are absolute fiction. I do not consider that Professor Sarcharin is in any way to blame for the result. The czar was perfectly cognizant of his true state, but he was a fatalist and gave up too early. He performed his duties as ruler to the last moment. He died like a hero. The czarina is prostrated, but she is in no danger and will soon recover."

IN MOURNING.

ST. PETERSBURG, Nov. 8.—The mourning for the late czar is universal in this city. Black and white banners are displayed on every house, and the principal streets are profusely decorated. All public and private conveyances are appropriately draped, even the tram-cars, which carry an emblem of mourning at each corner.

THE YOUNG CZAR.

ST. PETERSBURG, Nov. 8.—The czar is showing great activity in answering the many telegrams of condolence and expressions of loyalty which he receives, and the impression prevails that he is trying to demonstrate the fact that he is courteous in general, and that Russia is extremely loyal. Replying to a message of sympathy and loyalty from the nobles of Moscow, the czar said: "In union with you I shall find strength to fulfill the arduous duties which have devolved upon me so early, and I shall devote all my power to the service of my dear country."

SIX BRAVE MEN DIE

Two Trains Collide Under Full Headway.

PETERSBURG, Nov. 8.—The B. & O. limited, coming west, ran into the first section of a fast cattle train at Rosentel siding, two miles east of Rockwood, at 5:40 last evening. Six men were killed. Henry Bush, engineer; Simon McCarthy, fireman; Browning, engineer; Sam Manning, fireman; two unknown men, either mail clerks or express messengers.

Both trains were going at the rate of forty miles an hour and came together while rounding a curve. Neither crew had time to jump or sound a warning. The meeting place of the trains was a pine grove four or five miles east of the place of the collision, where the passenger train should have taken the siding for the freight. For some reason the passenger train passed the siding.

The mail car was reduced to kindling wood. Only the heavy vestibule of the passenger cars saved them from a similar fate. Fully a dozen cattle cars were piled up the track, killing many cattle.

Major Howard Retired.

New York, Nov. 8.—This noon Major H. O. Howard, commanding the department of the east, with headquarters at Governor's Island, was retired from active service.

EVERYTHING TO BLAME

The Tariff, Finance, Fraud and Lack of Vote.

THEY ALL RISE TO EXPLAIN.

And in the Meantime the Majorities Are Growing.

Faulkner's Figures.

WASHINGTON, Nov. 8.—Chairman Faulkner gives the Republicans 200 members of the house, the Democrats 142, the Populists 6, doubtful 8. By states, this would give the Democrats 12, the Republicans 27, Populists 1 and doubtful 3. The doubtful states are Colorado, Idaho and Wyoming.

250 Republican Congressmen.

WASHINGTON, Nov. 8, 6 p. m.—Chairman Babcock now estimates that there will be 255 Republicans in the next house.

Waterson Talks.

LOUISVILLE, Ky., Nov. 8.—In today's Courier Journal under the head: "Have We a Democratic Party?" Mr. Waterson says "Never did a great party go to people under such handicaps as were carried by the Democrats into the campaign just ended. With a record of perjury and dishonesty, as Mr. Cleveland aptly described it, to face, and defend in a hand-to-hand fight with the united Republicans led by Harrison, McKinley and Reed, it is disheartening for Democrats to have to face also the dull self-sufficiency and stolid indifference of the administration that made no sign, uttered no word, and at least in the state of New York seemed to desire the defeat of the regular Democratic nominees. The battle for tariff reform will have to go down to the foot, and take a new start. The battle over the money issue will soon be upon us. We shall see that there is Democracy left of the true blue stripe, make the great-coat good against all weather, or whether we must still wear a coat of many colors, covering not a homogeneous party inspired by faith, and trust to but a mere bundle of factions thrown together by the upheaval of the times."

In Nebraska.

OMAHA, Neb., Nov. 8.—The gubernatorial contest took on a different aspect at a late hour last night. Advice received before give Major, Republican, a slight majority over the fusion candidate, Holcomb. When the Holcomb counties commenced to be heard from, the Major's figures dwindled. Later the official returns gave Holcomb a plurality of from 600 to 800 in 63 counties. The Republican committee refused to make a statement. The rest of the state ticket is claimed by the Republicans anywhere from 5000 to 15,000.

United States Senate.

CHICAGO, Nov. 8.—Geo. R. Davis, director-general of the World's fair, is a candidate for United States senator today. Besides Senator Cullum and General Davis, two other avowed aspirants are Ex-Congressman William E. Mason and Attorney George S. Wille.

Plausible Excuses.

BLOOMINGTON, Ill., Nov. 8.—The Hon. A. E. Stevenson, vice president, passed the day in seclusion in the home of his brother, John Stevenson, in this city. Mr. Stevenson, when asked to state his opinion as to the cause leading up to the Democratic defeat of yesterday, said: "My opinion can be briefly stated. The result is due in part to the financial depression which came upon the country soon after the inauguration of Mr. Cleveland. While the Democrats were in no way responsible for this, they were made the scapegoats. It was also in part due to the delay in congress in passing the tariff bill. Had the bill become a law sixty days earlier than it did, it is possible that the business conditions of the country would have so adjusted themselves that the political result would have been different."

Sadd Busted.

SAN FRANCISCO, N. Y., 8.—There seems to be no doubt that California has gone Democratic so far as governor

is concerned, but the Golden state will probably elect a lieutenant-governor, most of other state officers, almost a solid Republican congressional delegation, and a legislature which will be Republican on joint ballot.

NUMEROUS CONTESTS.

Seven States Will Furnish Contestants for Congressional Honors.

WASHINGTON, Nov. 8.—The indications are that the fifty-fourth congress will open with numerous contests for seats in the house from the southern states. There will be at least three contests in Louisiana, one or two in Virginia, some in North Carolina and Tennessee, with a possibility of contests in Alabama, Kentucky and Arkansas.

JOHN BULL'S OPINION.

What the Great London Daily says of Our Election.

LONDON, Nov. 8.—The Times says: Although it was generally expected that the Democrats would be beaten, nobody anticipated a rout so complete. From present indications it seems doubtful whether McKinleyism will be revived, but with a large fighting majority there is no guarantee that the Republican party will not aim at restoring the McKinley tariff.

The daily News says: The Republicans have come into power on the strength of discontent felt at the disuse of the Democratic party's opportunities. The Democrats dallied with their chances, and the public opinion turned in a tumbrel against them. Civilization everywhere will welcome the overthrow of Tammany Hall.

EIGHTEEN YEARS IN SALEM.

Ex-Minister Sentenced at Portland for Forgery.

PORTLAND, Nov. 8.—Ex-Precacher W. A. Willison, who is credited with clearing up some \$10,000 by his forgeries in this county, has received a sentence of 18 years in the state penitentiary at the hands of Judge T. A. Stephens.

The ex-reverend was apparently becoming cool and collected. He was brought into court early, and heard his fate pronounced without a murmur. Willison seemed to realize last week when he was put on trial that there was not much hope, and so he calmly pleaded guilty to two indictments, allowed the jury to try him on the other two, and then made up his mind to take everything easy henceforth.

One of the most pathetic incidents in connection with Willison's escapades in this community was his desertion of his three daughters, one of whom died shortly after his departure from Portland with a woman whom he had married within a short time after meeting her. Willison's daughters who were strangers here, were left scarcely without any support. They bravely tried to defend their father's heartless actions, and by the aid of friends succeeded in caring for themselves. What became of all the money obtained by Willison's fraudulent operations is a question that remains unanswered. Every cent of the money he secured was probably squandered.

A PRACTICAL MOVE.—The Albany Democrat tells about a plover test to be held in that county: The Lenox county P. of H. has appointed November the 16th as the day for a general test of the various kinds of plows. The places is at Froman's station the line of the railroad from Albany to Lebanon. All who have plows which they desire to test should be on hand. The contest will be decided by a committee composed of one member from each grade in the county. Each grade is requested to select and send its committeemen. This is a very practical matter and should receive the attention of every farmer and manufacturer of plows.

The good example Oregon set last June has been observed by every state but the solid south, and even that has come to the English test.

The game of football played at Corvallis Saturday afternoon between the State University boys and the State Agricultural College boys, resulted in a victory for the latter. The score stood at the close of the game 10 to 0.

DEMANDS OF JAPANESE

Wants Formosa and Forty Million Sterling for Peace.

THE JAPS HAVE TAKEN FOO CHOW

A Terrible Panic Among the Chinese Troops.

Japs to the Front.

WASHINGTON, Nov. 8.—A short cablegram received by Secretary Gresham from United States Minister Denby at Peking, chronicles another important forward movement by the Japanese. It reads as follows: "The Japanese have taken Foo Chow in the gulf of Liastou approaching Shang Kai Kuan. There are two campaigns against Houbden and Tien Tsin. All of this means, according to the interpretation arrived at by the state department officials, that the Japanese have seized the important strategic point of Kin Chow, near New Chang, and on the railroad leading in one direction toward Tien Tsin and in other toward Manchuria, the capital of Moukden. The latter is thus threatened from two sides, as the Japanese forces which have crossed the Yalu river from Korea are advancing rapidly from the southeast on this doomed capital, and according to the minister's cable another force will start northward from Kin Chow to join them. It is believed the Japanese intend to occupy Moukden with Port Arthur and Tien Tsin, thus completing the strategic position which will command peace on terms they desire, or, in the absence of peace, will permit the Japanese to go into winter quarters and rest until spring.

Chinese Panic.

LONDON, Nov. 8.—A Shanghai dispatch says: The Chinese army has been thrown into a panic by Japanese victories, and are still fleeing before the Japanese. The Chinese troops in Manchuria are robbing the natives and committing horrible atrocities wherever they pass. The Japanese, on the other hand, are treating the Chinese well, and are consequently received with open arms. Viceroy Li Hung Chang, the dispatch also states, has been ordered to Peking.

LONDON, Nov. 8.—The Telegraph says Japan will demand as terms of peace the cessation to her of the island of Formosa and the payment of an indemnity of 20,000,000 or 40,000,000 pounds sterling.

The Powers Talk.

LONDON, Nov. 8.—A dispatch to the Times from Tien Tsin is that the representatives of all the powers were assembled by Sung Li Yamen to hear the Chinese government's statement respecting the situation of affairs. Prince King, president of Tsung Li Yamen, openly avowed the impotency of China to withstand the Japanese attack and appealed to the powers to intervene, saying that China is willing to abandon her sovereignty over Corea and to pay a war indemnity. The ministers applauded the frankness of this confession and promised to support China's appeal to their respective governments with a view of restoring peace.

Port Arthur Attacked.

LONDON, Nov. 7.—A Chee Foo dispatch says: The Japanese land and sea forces made a simultaneous and victorious attack upon Port Arthur.

The recent elections have again demonstrated that professional reformers are not to be trusted.

Saturday afternoon a meeting game of football was witnessed at Monmouth between the Pacific University and Monmouth Normal school teams which resulted in a victory for the Pacific university boys by a score of 20 to 0. Two of the Normal school team were slightly injured during the game.
