## SOME BOLD ROBBERS.

### A Cleveland Bank Robbed of a Large Sum.

### A WYOMING MERCHANT ROBBED.

### Jake Snyder, One of the Masked Men Wounded.

CLEVELAND, Nov. 9.—The National bank at Oberlin was robbed last night. The safe was blown open with dynamite. A large sum of money was secured, but the exact amount has not yet been ascertained.

### A Bold Robbery.

LANDER, Wyo., Nov. 9.—Three masked men entered H. C. Enderly's store at Thermopolis, covered the proprietor with guns, and compelled him to give them \$1,350. He and others pursued the robbers, and mortally wounded one, Jake Snyder. The others escaped.

### The Cattle Embargo.

BERLIN, Nov. 9.—It has come to the knowledge of the United States embassy that the pretense that the prohibition against the landing of American cattle in Germany was based on sanitary reasons is without foundation. It appears that the Hamburg authorities passed two cargoes of cattle in question as healthy, and thereupon the Prussian sanitary officers were ordered to Hamburg and subsequently announced the cattle were afflicted with Texas fever. Cattle-shippers to Hamburg are indignant at the action of the Prussian authorities, as they have recently built four cattle steamers for the American trade, and these have been rendered useless by the prohibitory orders recently issued.

### The Friedlander Case.

PORTLAND, Nov. 9.—The defense in the Friedlander case before Judge Shattuck had physicians on the stand this morning. Drs. Parker, Coe and Raffety were examined, and gave expert medical testimony. One of the points set up for the defense is that the plaintiff, Mrs. Friedlander, is subject to hereditary epilepsy, and that some of her symptoms are not entirely due to the injury produced by a falling book. Drs. Coe and Parker's evidence this morning tended to show that the plaintiff had partial paralysis.

### Unlimited Credit.

ST. PETERSBURG, Nov. 9.—The municipal council has voted an unlimited credit for the purpose of defraying the expenses of the reception here to Emperor Nicholas and the funeral of the late czar, and also for the erection of a monument to the dead czar. Seven thousand pounds have been subscribed for the purpose of giving a dinner to the poor of Kharkoff the day after the czar's body passes through that city.

## GREAT DIVINES RESIGN.

### Bishop Matz.

DENVER, Nov. 9.—Bishop Matz, of this diocese, has tendered his resignation to the holy father, with a request that it be accepted as soon as possible.

### T. De Witt Talmage.

NEW YORK, Nov. 9.—It is announced tonight that the association of the Rev. T. De Witt Talmage with the Brooklyn tabernacle has been formally severed. His resignation is due, he said, to the fact that he does not feel that he should ask his old congregation to build the fourth church for him. He advises them to either join other churches or build for a new pastor.

### Cleveland's Silence.

WASHINGTON, Nov. 9.—The president is more silent, if possible, since the election than he was before, and declines to talk as freely as formerly on politics with his cabinet advisers. He is working hard on his annual message, and remains at Woodley, where his privacy is not disturbed. Some of the cabinet officials want to do some talking and are kept from doing so by the president, who evidently indicated pretty strongly to the secretaries that he does not care to have anything said by any one connected with the administration, regarding the result of last Tuesday's election. This is more than irksome to Secretaries Smith, Herbert and Carlisle, whose hot Southern blood boils at the criticisms passed on the president and the charge from one prominent Democratic leader after another throughout the country that the president is responsible for the general and overwhelming defeat of the Democratic party.

### Masses at Livadia.

LIVADIA, Nov. 9.—The first mass for the repose of the soul of Alexander III was concluded yesterday morning in the Byzantine chapel, where the remains are lying in state. The late emperor's face was but little altered. It had a placid expression. At 2 o'clock yesterday afternoon the second mass, at which the czar, zarina, Princess Alix, Princess of Wales and all the imperial and royal suites attended, was celebrated. The late czar was escorted with great ceremony on board the cruiser Pamyat Merkuria for transportation to Sebastopol this morning.

### A Lucky Broker.

NEW YORK, Nov. 9.—Fred T. Adams, the broker, who has been offering so much money and such heavy odds on Morton's election, won \$70,000. If Hill had been victorious, he would have lost more than \$250,000. He is a grandson of the earliest and for years one of the most prominent bankers in this city.

### Germans and Natives Fighting.

BERLIN, Nov. 9.—A special dispatch received here says 2,000 natives of the Mawoji tribe recently attacked Kilwakenjia, East Africa, and were defeated by the German regulars and natives under Baron von Ehrstein. Later the Mawoji tribe captured Kilwakenjia with much bloodshed. The Germans have not force strong enough to recapture the place.

### Bismarck Advises.

BERLIN, Nov. 9.—Prince Bismarck's Hamburger Nachrichten advises Germany to secure good relations with Russia by avoiding familiar causes of offense. For instance, it says, she must not favor the Poles nor draw closer to England, nor criticize the czar's absolutism in dealing with the Jews and the Germans in the Baltic provinces.

### Broke His Neck.

ALBANY, Or., Nov. 9.—H. Worrall, a farmer, while hauling wood across the river from this place yesterday, fell off his wagon, breaking his neck. He lay for two hours before assistance arrived. He is still alive, but cannot possibly live but a short time.

### More Resignations.

BERLIN, Nov. 9.—Prince Hohenlohe, chancellor, is understood to insist upon further cabinet changes, and it is said that either von Bismarck, minister of commerce, and others of the Prussian cabinet will have to tender their resignations.

### The Wily Japanese.

LONDON, Nov. 9.—A Yokohama dispatch says the Japanese are laying torpedoes at Port Arthur and completing the trap which they have been preparing for the Chinese.

### Bals Acknowledged.

HONOLULU, Nov. 9.—Empress Wilhelmina, replying to President Hele's official notification, has acknowledged the republic of Hawaii. Dr. Price's Cream Baking Powder. Always use Royal Baking Powder. Beware of cheap imitations.

## NEVADA FOR SILVER.

### Jones Is Elected Governor and Newlands for Congress.

### TENNESSEE POSSIBLY REPUBLICAN

### Majorities Growing as the Returns Come In More Fully.

SAN FRANCISCO, Nov. 9.—Complete returns from seventy out of 161 precincts in Nevada give Jones, the silver candidate for governor, 3923 plurality, and Congressman Newlands (also silver), 849 plurality.

### Hurrah For Tennessee.

NASHVILLE, Tenn., Nov. 9.—The vote for governor is very close between Turner, Dem., and Evans, Republican. The official returns will be necessary to determine the result, but indications point to Evans's election.

### Texas Goes Democratic.

GALVESTON, Nov. 9.—From the returns received here it is safe to state that the state Democratic ticket is safely elected by 40,000 plurality. Culbertson, the candidate for governor, is running about 10 per cent. behind his ticket because of his free silver views. The congressional delegation will not be solidly Democratic.

### From Missouri.

JEFFERSON CITY, Nov. 9.—Out of 34 state senators, 18 are Democrats and 16 are Republicans. The house will stand Democrats 62, Republicans 76, Populists two.

### Still They Come.

WASHINGTON, Nov. 9.—Chairman Babcock, of the Republican congressional committee, received a telegram today from Chairman Dixie, of Minnesota, saying the Republicans send a solid delegation to congress. This increases the figures of the number of Republicans in the next house to 256.

### Kentucky, Utah and California.

WASHINGTON, Nov. 9.—R. H. Carrothers, chairman of the Kentucky state Republican committee, telegraphs Mr. Babcock that six Republicans have been elected to congress from that state without counting Denny in Ashland district. Chairman Charles Craine, of Utah, wires Cannon, Rep., is elected to congress and unless the Rep's are counted out they will control the constitutional convention. Chairman F. B. Cardwell, of California, says the Republicans elected six congressmen and Maguire is the only Democrat elected. Republicans will control both branches of the legislature, but Estes is defeated by about 1,500.

### Suicide.

ROSEMBO, Nov. 9.—William Schuber, a native of Austria, aged 28, committed suicide yesterday at Oak creek, twelve miles east of Roseburg. Schuber and wife came to Roseburg in April, from Norfolk, Va., and at once entered into partnership with A. Schumann in the grocery business at Oak creek. Financial troubles are said to have been the cause.

### Gosney's Vote.

EAST LIVERPOOL, O., Nov. 9.—The official count in the 18th district complete, gives Taylor, Rep., 30,835; Rags, Dem., 10,980; Gosney, Pop., 8,918. Gosney's vote exceeds the estimates of the Republican and Democratic committees by 5,000.

### Holcomb Elected.

DEKALA, Nov. 9.—Complete returns for governor from all but five counties in the state show a plurality for Holcomb, Fusion, over Major, Rep., of 2,000. The five counties to hear from will increase Holcomb's plurality about 500.

### Texas Loose Four.

DALLAS, Tex., Nov. 9.—The latest returns would seem to indicate that the congressional delegation from Texas will stand nine Democrats, two Republicans and two Populists.

### Facing Record Lowers.

DALLAS, Tex., Nov. 9.—At Taylor yesterday for Fatchin went a mile over a half mile track in 2:00, breaking the past record 1/2 seconds.

## MINING SCHEME EXPLODED.

### Receiver Asked for a Nickel Mining Company in Douglas County.

CHICAGO, Nov. 9.—A bill for the appointment of a receiver for the International Mining Company was filed in the circuit court today by the Colorado Iron Works, on behalf of all the creditors. The complainant is for a judgment for the creditor, holding claims for \$4629 and \$8211. The capital stock of defendant is \$5,000,000 but it is claimed the property owned by it never exceeded in value \$100,000. The scheme was floated by Gillette and Taylor, of this city, who purchased the claim covering 100 acres, in Douglas county, Oregon, from Selah Reeve, for \$5,100.

### The Royal Marriage.

LONDON, Nov. 9.—The Daily Chronicle's Vienna correspondent says that preparations for a royal guest continue at Monrepos villa, in Corfu, and it is understood that Nicholas and his bride will pass their honeymoon there.

BERLIN, Nov. 9.—The Koenigsberg Zeitung says that Nicholas II and Princess Alix of Hesse will be married in three months.

### Impressive Ceremonies.

WASHINGTON, Nov. 9.—Profoundly impressive ceremonies were held at the Russian legation here today in memory of the czar, Alexander III. President Cleveland and entire cabinet, except Postmaster General Bissel, attended, accompanied by Mrs. Cleveland and the cabinet ladies. The president, members of the cabinet and diplomatic corps, were each participants in the ceremonies and held wax candles throughout the service.

### THE MARKETS.

SAN FRANCISCO, Nov. 9.—Wheat Cash 87 1/2 @ 88 1/2.

CHICAGO, Nov. 9.—Wheat, Cash 54 1/2; Dec. 55 1/2.

FORTLAND, Nov. 9.—Wheat valley 70; Walla Walla 62 1/2 @ 63 1/2.

### ODDS AND ENDS.

The best evidence goes to show that the pyramids of Egypt were royal sepulchers.

The officials of Korea wear upon their hats the figures of various birds and animals.

Among the Turks the bodies of the dead are held in extreme reverence, though the skeletons are used as picnic grounds.

There are, says a New York newspaper, about 10 Afro-American lawyers in New York, 13 in Boston and more than 25 in Chicago.

The English sovereign's sons and grandsons, when created peers, are entitled to seats in the house of lords at the left of the throne.

One of the conditions of membership of a New York club is that each member must give at least one hour a week to doing some good action.

It is estimated that there are fully 60,000 negroes in the young territory of Oklahoma. Most of them are in Blaine and Logan counties.

Evaporation is two or three times greater in the sunshine than in the shade and five or six times as great in summer as in winter, is greater during a breeze than in a calm and is greater from fields of melting snow than from an equal surface of the ocean.

### RAILROAD JOTTINGS.

Berlin is to have an elevated railroad like New York, with the difference that electricity is to be used as the motive power.

The Lake Shore Electric Railway company has been incorporated, with a capital of \$10,000,000. The new line will run from Chicago to Milwaukee.

The Monterey and Mexican Gulf Railroad company has arranged with the Mexican government to extend the road from Tuxtlas to Sierra Mojada, and thence to Huastlan, on the Pacific coast.

All the employees of the Lehigh Traction company at Hazleton, Pa., are insured by the company. This is done in order to protect the men in case of any injury, or perhaps death, that they might sustain in an accident.

## FALL OF PORT ARTHUR

### The Chinese Will Not Make a Determined Stand.

### THE CHINESE ARMY SUFFERING.

### Starving and Freezing in Their Mountain Retreat.

SHANGHAI, Nov. 9.—The Chinese army of the north retreated to the mountains where the soldiers are reported as starving and suffering severely from cold and exposure. The Japanese army is reported encamped at Leng Weig Cheng. The Japanese are pursuing 1,500 Chinese, mostly new recruits.

Port Arthur is not expected to make a determined stand against the Japanese. Admiral Sir T. R. Fremantle, in command of the British fleet, considers that Port Arthur will probably be the scene of the last engagement of any importance between the Chinese and Japanese.

### China Wants Peace.

CHICAGO, Nov. 9.—A special to the Post, from Washington, says: This government has again been asked to intervene in the China Japan war. China says she has always recognized the independence of Corea and is willing to continue to do so, moreover, she will pay Japan indemnity to defray that country's expenses in the war.

### WISE JAPS.

LONDON, Nov. 9.—Mr. Uchida, Japanese charge d'affaires in London, said today in an interview:

"Japan could not accept as an answer to her proposal of reforms in Corea the maintenance of a Chinese army in the peninsula. The presence of Chinese troops in Corea meant merely a series of horrors, such as are now being perpetrated in Manchuria. Japan has never menaced Chinese integrity; she did not intend to break up the empire and certainly does not wish others to do so. The height of Japan's ambition is to see China consolidated, freed from corruption, prosperous and open to commerce and civilization."

### Circuit Court.

The earliest cases of the state of Oregon vs. the First National bank and Ladd & Bush, were today continued. The case against Fred Smith, for cattle stealing, was also continued, the defendant still being at large. The sale of the case of First National bank vs. W. N. Ladue, was today confirmed. The divorce case of Bonney vs. Bonney, is this afternoon occupying the attention of the court.
