KILLED BY A PUGILIST.

Fitzsimmons Held for Killing Con Riordan.

THE STEAMER DAUNTLESS SUNK.

Twenty-Two Persons Drowned by an Unknown Ship.

SYRACUSE, N. Y., Nov. 17.—The death of Con Riordan five hours after receiving a blow from Bob Fitzsimmons, in a sparring exhibition last night, is the second sparring fatality in this city. "Yank Sullivan took the news of his sparring partner's death to Fitzsimmons. "My God! you don't mean to tell me Connie is dead," said the pugilist. "I cannot believe it. I did not hit him hard enough to injure a child." Fitzsimmons did not sleep at all last night and refused to eat this morning.

Fitzsimmons was arraigned in police court today on charge of manslaughter in the first degree. He waived examination and was taken before County Judge Northrup who fixed his bail at \$10,000, which was furnished. The death certificate gives the cause of Riordan's death as: "Hemorrhage within the cranial cavity, causing compression of the brain." Riordan was found in perfect health. Dr. T. M. Tollman, who conducted the autopsy, says: "Riordan must have been struck a terrible blow on the chin which communicated direct with the base of the brain. The depression in the right side of the brain was very deep, and remained half an hour after the clot was removed."

ARMENIAN ATROCITIES

Continuation of the Murder and Carnage by the Kurds.

LONDON, Nov. 16.—Later reports of the Armenian troubles only add to the horrors. Between 8,000 and 10,000 Christian Armenians were put to death by the Kurds. The fate of the women and children is awful. Babies were impaled upon the bosoms of their dead mothers. Women were tortured by the hundred.

Sixty beautiful girls, some of them brides, were thrust into the church, where they were made double sacrifices. Human gore was seen flowing from the church door.

In one place 300 to 400 women, after being forced to serve vile purposes by the merciless soldiery, were hacked to pieces with the sword and bayonet in the valley below.

At another place still a larger company under the lead of their priest fell down before them, begging for compassion, averring that they had nothing to do with the culprits.

A great effort was made to save one beauty, but three or four quarreled over her, and she sank down like her sisters.

The trouble began with refusal of the Armenians to pay taxes on the grounds that Kurdish raids had so impoverished them as to render it impossible. This is probably true. The troops sent to enforce the payments were beaten off.

TO HANG BY THE NECK.

Worden the Train Wrecker Gets His Sentence.

WOODLAND, Nov. 17.—The courtroom was crowded long before half-past seven last evening, the hour fixed to pass sentence upon Worden, the train wrecker. In the crowd were many ladies. The court excluded all jurors in the Hatch trial. When asked if he had anything to say why sentence should not be passed, Mr. Strong, attorney for Worden, moved to set aside the verdict.

The crime for which Worden is sentenced was committed July 11, last, during the great strike. A train was sent out from Sacramento under the guard of United States soldiers, and was wrecked at a bridge crossing in Yuloo county. The spikes were drawn from one of the ties, and the tie left in position. The engineer in charge of the train, Clarke, and two soldiers were killed.

The court called upon Worden to stand up and sentenced him to be hanged in the state prison at Folsom, Tuesday, February 12, 1895, between the hours of 10 a. m. and 2 p. m. Judge Grant was much affected as he pronounced the sentence, but Worden heard his doom without betraying any evidence of emotion. Worden's attorneys have announced their intention of appeal to the supreme court.

WATER WORKERS' RIOT.

Several Hundred in Chicago Demand Their Pay.

CHICAGO, Nov. 17.—At noon today 250 discharged employees of the water department gathered about the employers' office and demanded wages due them. The comptroller sent a clerk to inform the men that there was no money in the city treasury to pay them. Cries for bread and threats of vengeance were howled forth by the angry crowd, and the comptroller barred the doors to his office and sent a hurried call for police. Half a dozen officers appeared but were promptly rushed out of the corridor by the thoroughly aroused men. A battalion of patrolmen were summoned and after a liberal use of force, the rioters were clubbed into submission and driven from the city hall.

ANOTHER RAPID.

Chicago, Ill., Nov. 17.—Charles Foster, a negro, is under arrest in this city, charged with robbing Mrs. Foster last November Tuesday night. An effort was made to reach him, but by hard work on the part of the officers he was placed in jail. The penalty in this state is death.

FOUR MEN SMOTHERED

A Keg of Powder Ignited in a Tunnel.

CHANGE OF VENUE FOR PULLMAN

The First Move for Prolonged Litigation.

BLACKHAWK, Colo., Nov. 17.—A workman at the Perrigo mine tunnel, this morning, dropped a lighted candle into a keg of powder. There was no explosion, but the fire started a smoke and the fumes from which suffocated to death, Albert Sanders aged 25, Durham Ivey 40, James Whitlow 23, Lipper Willis 35, who were working in the tunnel.

A CHANGE OF VENUE.
CHICAGO, Nov. 17.—Judge Gibbons today granted the Pullman company a change of venue in his court on quo warranto proceedings, brought by Attorney General Maloney. The suit will probably go before Judge Baker.

State Officer Honored.

PORTLAND, Nov. 17.—The regents of the state university located at Eugene met in this city today and created the chair of English literature. Prof. E. B. McElroy, state superintendent of public instruction, was elected to fill the chair. Prof. McElroy expects to assume his duties in February, when he goes out of office.

The Fland Caught.

LEAVENWORTH, Kan., Nov. 17.—The fiend who outraged four white women at Atchison yesterday morning, is Tom Collins, a negro hostler. He made his escape to this place, and the officers taking him was all that saved his life at the hands of an angry mob.

Japs Lick the Tong Haks.

LONDON, Nov. 17.—A Tokio dispatch says advices from Fusan, dated yesterday, state that a battle has been fought between Japanese troops and the rebellious Tong Haks in which the former were victorious. The Tong Haks lost 185 killed, and a large number wounded. The Japanese loss was three wounded.

A MOB-LIKE ARMY.

DANVERS, Mass., Nov. 17.—In a private letter received here from Rev. Chas. Ewing, dated outside Takubar, China, he says that the Chinese troops arriving from the interior are more like a mob than an organized body. "Every tenth man," he adds, "bears a banner, and at least half the rest carry an umbrella for defense against the heat and rain. All carry fans."
