HIRSCHFELD SPIT UPON.

The Helena Millionaire Reviled in Dakota.

TO BE HELD FOR CRIMINAL LIBEL

Attorney-General Haskell and Mr. Hirschfeld's Wife.

FARGO, N. D., Nov. 26.—It is reported from Helena that Attorney General Haskell, of Montana, will bring suit for criminal libel against Aaron Hirschfeld, because of charges made by the latter, in his testimony here, against Haskell and Mrs. Hirschfeld. It is likely the divorce case will be brought to a speedy termination. The feeling is so bitter against Hirschfeld that he is publicly insulted.

K. of L. Anniversary.

PHILADELPHIA, Nov. 26.—The Knights of Labor was 25 years old at 8 o'clock last evening. It was on the 25th of November 1869, and which happened to be the day appointed by President Grant for the national Thanksgiving, that seven garment cutters met at the humble home of Uriah S. Stephens, a member of that craft, and, by formal resolutions, brought into existence what was at one time the greatest labor organization that the New World has ever seen. All of the seven have gone to their rest reward, but their memories are still revered by those who now compose the organization.

The Retired General.

PORTLAND, Nov. 26.—Major General Oliver Otis Howard, who reached this city Saturday, is the guest of his daughter, Mrs. Captain Gray. The general is accompanied by Mrs. Howard and their son Harry, and a daughter Miss Bessie. After a few days' visit at the home of Mrs. Gray, the general and family will take apartments at the Hill and remain there until spring, when they will go to Burlington, Vt., where a permanent home has already been selected.

Not a Divorce Case.

HELENA, Nov. 26.—A mistaken idea regarding the case has gone abroad. It is not an action for divorce, but an action to annul the marriage contract. Should it be decided in favor of plaintiff, the defendant's child will be declared illegitimate, and it will not be in the power of the court to grant alimony.

Riot in a Church.

MEMPHIS, Nov. 26.—Mesager reports reached this city late last night of a riot that has taken place in a church at Carrollton, Miss. The cause of the riot was a clash between friends of a murderer and the police, who were after him. Two men are reported killed and several wounded.

Proposed Recount in California.

SAN FRANCISCO, Nov. 26.—Referring to the interview with Governor-elect Budd, Mr. Estee said: "Mr. Budd says he is desirous to have a recount—that a recount would largely increase his plurality and thus we both agree on one point, namely that there has been a dishonest count in San Francisco; therefore in the interest of a fair ballot and honest count, I join with Mr. Budd in saying that I am desirous of having a recount. The speediest way to resolve this issue will be for us to make up an agreed case. Let us join in a request to Chief Justice Beatty and Justice Temple to conduct the recount of the votes in San Francisco. One is a Republican and one a Democrat and both are honest. If they cannot agree upon any one question of fact or law during the recount, let them call a third judge to decide between them."

Horace Pennoyer's Death.

WILLIAMSTOWN, Mass., Nov. 26.—Horace Nathan Pennoyer, the only son of Governor Pennoyer, of Oregon, and member of the freshman class of Williams' college, is dead. He caught cold at the Williams-Cornell football game in Albany. In a few days typhoid fever developed. He seemed to be getting better until Friday morning, when symptoms of acute pneumonia developed. He died in the afternoon. His mother, who had been summoned, had reached Chicago when she received the news of his death. Pennoyer was only 19. He graduated at Lawrenceville, N. J., last June, passing examinations for the Sheffield scientific school. Later he decided to enter Williams. He joined the Alpha Delta Phi fraternity, and took active interest in religious work in the college. After religious services this evening the body was shipped west.

Italy After Brazil.

RIO DE JANEIRO, Nov. 26.—Italy has decided to send a fleet against this country, it is learned, on account of Brazil's refusal to arbitrate a pending question.

Though the action of the government in the case is universally approved here, President Moraes will prepare a new proposition and forward it to the Italian government. The United States may be asked to arbitrate.

A part of Brazil's fleet left yesterday with sealed orders. It is rumored that the warships have been sent after Da Gama, who now commands 8,000 men.

The monarchists report a proposed rising all over the country. It is feared that the government will be unable to cope with them. Troublesome times are predicted.

Bismarck Wanted.

BERLIN, Nov. 26.—The emperor has caused Prince Hohenzoln to let Bismarck know that his presence would be very welcome at the inaugural of the new reichstag building, December 5. The person carrying the message to Varsin intimated that the emperor had refrained from sending a formal invitation, merely because he was not sure how Bismarck would take it. If Bismarck should refuse the invitation, on the ground of his wife's illness, the general opinion would be, it was said, that the emperor had been rebuffed and this was to be avoided. As yet no reply to these overtures has come from Varsin.

Six-Day Bicycle Race.

NEW YORK, Nov. 26.—A small army of workmen was busily engaged yesterday in getting the Madison Square Garden into shape for the great six-day bicycle race which opened at midnight. Meanwhile those entered as participants, among whom are included the champion cyclists of the United States, England and Germany, have been getting themselves into trim for what promises to be an exciting contest. The carnival will last an entire week.

Populist Gains.

NEW YORK, Nov. 26.—The World this morning says: "In 1892 the Populist party polled altogether 1,041,021 votes for president. His own 1892 and 1893 there was no general election, the nature of which can be compared with the year preceding. This year the Populist vote was 1,036,000, a gain of nearly 500,000 votes in two years."

He Forged Warrants.

THE DALLES, Nov. 26.—Edward Martin, ex-deputy county clerk, has been indicted by the grand jury for forgery. It is claimed that fraudulent county warrants bearing Martin's signature were issued. Great curiosity was felt when the matter was made public, as Martin stands high in the community and has many friends who maintain his innocence.

Japan Ready to Accept His Good Offices on Peace.

AMERICAN NEWSPAPERS REFUSED

Turkey's Embargo on News About the Armenians.

ROME, Nov. 26.—An official dispatch has been received from Tokio saying that Japan has intimated that as soon as China may make peace proposals, Japan will accept the good offices of the United States in the negotiations.

TURKISH TYRANNY.

CONSTANTINOPLE, Nov. 26.—The Turkish government has prohibited the entry of American newspapers into Turkey, containing accounts of the Armenian massacres.

MINISTER DUN.

BERLIN, Nov. 26.—It is officially announced here that Japan recognizes the suitable channel through which China can open up negotiations for peace. The other powers will simply remain spectators. It is considered that China is in a position to pay the Japanese demands if, war ceases now. Japan is to hold Port Arthur until her demands are satisfied. The third Japanese expedition which is afloat is opposed to Hal Wei Hai.

CHINA'S DENIAL.

LONDON, Nov. 26.—A dispatch from Paris says that the Chinese officials are telegraphing everywhere that the story of Port Arthur's downfall is a wicked invention and that 30,000 brave Chinese soldiers will defend that stronghold.

ARMY OPERATIONS.

SHANGHAI, Nov. 26.—It is reported from Neuch Wan that the Chinese army commanded by General Sung has been divided. One part is firmly holding Mothienling and constantly repulsing a part of the first Japanese army, the other part is making a forced march to Port Arthur to attack the Japanese there.

Part of the first Japanese army is following the Chinese on the way to Port Arthur. It is further reported that the Tong Haks have renewed their activity in Southern Corea. The Japanese are assisting the Korean troops in suppressing the trouble.

CHINA'S NEW TREATY.

WASHINGTON, Nov. 26.—The new treaty of emigration between the United States and China which was concluded at Washington March 17 last, by the signatures of Gresham and Minister Yang Yu, has been approved by the Chinese government, and probably will be ratified to go into effect by the presidential proclamation next week.

ENGLAND SNUBBED.

SHANGHAI, Nov. 26.—The reason why Japan selected America to discuss the terms of peace was that she desired to protest against the premature efforts put forth by England to mediate between the two belligerents. China is now willing to agree to most anything, but the Japanese have made up their minds to enter Peking.

Special Investigation.

CLEVELAND, O., Nov. 26.—The house sub-committee on judiciary appointed to investigate the charges brought by the central labor union against United States Judge A. J. Hicks, began inquiry here today. The charge against Judge Hicks is in brief, that while acting in the capacity of special examiner in some forty patent cases he failed to turn over about \$16,000 fees belonging to the government.

Delinquent Chicago.

CHICAGO, Nov. 26.—Great suffering exists among the city employees on account of the city's depleted treasury. Not a member of the police force or fire department has received a penny of salary for October or November.

SUNDAY BARBER SHOPS.

Supreme Court Decides That An Ordinance Does Not Close Them.

OLYMPIA, Nov. 26.—A very interesting decision was rendered by the supreme court Saturday. It was the case of the state vs. Kreech, from Pierce county. The defendant is a barber in Tacoma and was arrested for violation of the law prohibiting the opening of business places on Sunday, and was convicted by the lower court. Kreech appealed to the supreme court, which reversed the judgment and remands for the discharge of the appellant. The court states its views in the following language:

"The plain, ordinary interpretation must be that it is shops, stores, etc., used for the purpose of trade in or sale of goods that are not to be opened, and not places where, as in the case of a barber shop, a mere trade or profession is exercised, but no goods are traded in or sold. At any rate, the terms of the law are at least doubtful, and in such cases the accused persons are as much entitled to the benefit of a doubt as to the law, when the offense is purely statutory, as he is to a doubt as to a fact. We think the law does not cover the case of the appellant, and that his conviction was erroneous."

A Woman's Nerve.

LITTLE ROCK, Ark., Nov. 26.—A plan to hold up an east bound train on the Kansas & Arkansas Valley railway by the Cook gang Friday night was discovered and frustrated by the railway officials. When the train reached a siding near Fort Gibson it was flagged by a woman who had run five miles to warn it of a hold up which had been planned. Twenty-five armed men had taken possession of a station house. The wife of a section boss had eluded the watchfulness of the gang and resolved to save the train. She ran to the next station and gave the alarm. Armed men were placed on board and the train pulled slowly by the section house where the bandits were concealed, but no attempt was made to hold up the train. The bandits discovered that their plans were known.

Oregon Mine Sold.

JACKSONVILLE, Nov. 26.—An important transfer of property took place here Saturday. A corporation of Seattle and Oregon gentlemen, composed of Byron Phelps, mayor of Seattle, S. McLean, J. M. Sparkman, John H. Sexton, Charles Twombly, J. H. Shotwell, and M. P. Ward, purchased 900 acres of mining land on Fool's creek. The land was owned by five different parties and covered a mile and a half of the best part of the creek. The price was \$15,000 and the money was all paid down.

Hermann to the Front.

WASHINGTON, Nov. 26.—Representative Hermann, being senior surviving member of the next congress of the committee on rivers and harbors, will probably be its chairman. The chances are all in favor of the election of Mr. Reed as speaker, and as Mr. Hermann was an ardent supporter of the gentleman from Maine when the latter was a candidate for speaker of the 51st congress, virtually Mr. Reed will look out for his friend.

Twins Born in a Mine.

BELLEVILLE, Ill., Nov. 26.—Mrs. Katharine Schmidt Saturday carried luncheon to her miner husband 100 feet below the ground in the Leuz coal mine, near here. As she started to return she was taken ill, and before the iron cage started up the shaft she gave birth to a fine baby boy. The cage was then started, and on the way up another boy was born. Mother and babies are doing well.

Rough Football.

NEW HAVEN, Nov. 26.—Owing to the roughness of the Yale-Harvard football game Saturday there is a probability that the Yale-Princeton game on Thanksgiving day will not be played.

Resisting Reductions.

LOWELL, Mass., Nov. 26.—The employees of the Faulkner mill have struck against a proposed reduction of 10 per cent in wages. The proprietors will make the reduction whether or no.

THE NEW BONDS SOLD.

Carlisle Accepts the Stewart Syndicate Bid.

NEARLY FIFTY THOUSAND SAVED.

And No More Gold Will Flow from the Treasury.

The Bonds Sold.

WASHINGTON, Nov. 26.—Secretary Carlisle has decided to accept the Stewart syndicate bid for the entire issue of \$50,000,000 bonds. The figure offered by the syndicate was 117.077.

WASHINGTON, Nov. 26.—The proceeds of the bonds under this bill will be \$49,517.63 greater than they would be if the other highest bids were accepted. A very important advantage to the government in accepting this bid, is the fact that the gold will be furnished from outside, and none drawn from the treasury. It is also more convenient and less expensive to the department to deal with one party rather than with many.

TRANS-MISSISSIPPI CONGRESS.

The Seventh Annual Session Meets in St. Louis.

ST. LOUIS, Mo., Nov. 26.—The seventh session of the Trans-Mississippi congress, was called to order this afternoon by H. R. Whitmore, president of the last congress. Greetings of the merchants' exchange were given by President W. G. Boyd.

Mayor Walbridge welcomed the delegates to the city. The hospitalities of the state were extended by Governor Stone. In the absence of Governor McConnell, of Idaho, who telegraphed his regrets, Hon. Eugene Semple of Washington responded to the addresses of welcome. He declared the congress was not here for the purpose of demanding anything radical but simply that in the government of the nation the good of the people shall be the supreme law.

President Whitmore reviewed the purposes for which the congress exists, declared against allowing this congress to be in any way controlled by political interests and announced the gathering ready for business. Upon recommendation of the executive committee of the convention took a recess to allow the state delegations to select members for the committees on credentials, rules, order of business and permanent organization.

Two Fires.

MARION, N. C., Nov. 26.—The town of Marion suffered a loss yesterday of \$200,000 by fire. A large portion of the town is in ruins.

CHICAGO, Nov. 26.—Fire last Saturday destroyed the establishment of the Cold Blast Feather company, 56 and 58 Van Buren street. Loss \$70,000.
