Disreputable Houses. Early Saturday evening a report, eminating from an unknown source, says the Portland Telegram, became the topic of the street that it was the purpose of the police to take concerted action in sweeping down upon all houses of ill-fame, some time during the night. This rumor, while not being verified at police headquarters, kept a small army of men awake till a late hour, notwithstanding the inclemency of the night, in the vain expectancy of gratifying their appetite for the sensational. It was given out that not only the inmates of the brothels were to be taken in custody, but that also all persons visiting there during the raid would be placed under arrest.
