When Others Fail

Hood's Sarsaparilla builds up the shattered system by giving vigorous action to the digestive organs, creating an appetite and purifying the blood. It is prepared by modern methods, possesses the greatest curative powers, and has the most wonderful record of actual cures of any medicine in existence. Take only Hood's.

Hood's Pills are purely vegetable, and do not purge, pain or gripe. 25c.

THE NEBRASKA FUND.

Good Work Being Done to Create a Car of Provisions.

The movement to have a car load of provisions raised here for the sufferers of Western Nebraska is meeting with good success and it is the hope of the committee that the car can be filled within the limit of time allowed, about two weeks. Mrs. Ring, who is doing most of the soliciting, has been among some of the business men, and although they all have considerable to do at this season of the year, she has met with fair results. Salem people are naturally liberal and no one in the city would refuse to assist really deserving persons. It is a fact beyond question that this project is a deserving one, and for that reason all are giving what they can.

Add your mite to the good work and be the better for your generosity. Salem can afford to be liberal, for she has a plenty and has probably a smaller percentage of poor than any city of her size in the world.

So far about a hundred sacks of flour are secured. A large quantity of bacon, beans, old clothing and some groceries are subscribed. A liberal supply of potatoes can be had, but unless a refrigerator car can be secured it will not be advisable to ship many. However, everything in the provision line will be welcome and what cannot be shipped will be made good use of.

All of the churches will take up a special collection Sunday, which it is to be hoped will be liberal, for this cause. Let the good work go on.

Crucial tests of baking powders were had at the Columbian and Midwinter Fairs. Dr. Price's received highest honors at both.

HIGH CLASS ENTERTAINMENT.—Don't forget the date of the entertainment at the Presbyterian church, January 9th. Prof. W. H. Greene, the noted pianist, the Echo Quartett, Mr. Fagan, Mrs. Wiggins, Mrs. Chas. F. Riely, and others, will endeavor to please you.

A UNION WATCH NIGHT SERVICE—Is being arranged for next Monday night. The place will be most likely at the First M. E. church. The exercises will consist of praise service, sermons and consecration exercises.

Judge Lord is compelled to deny himself to many callers and is working hard to give the people the best business message of the best business governor Oregon ever had.

TUESDAY—Will be the first day of 1895. Make a good beginning and take your soiled clothes to the Salem steam laundry. You will surely be satisfied with the work.

A GOOD MEAL—Depends upon how and by whom it is cooked. A better meal can not be obtained in this city for 15 cents than at the N. Y. Kitchen. No Chinese cook employed at this place.

TO WED.—Marriage licence was issued today to Chas. F. Adair and Gertrude M. Denyer, Henry Osborn witness.

A COLD ROOM.—Probably a window glass is missing, Gilbert, Patterson & Co. are selling them cheaper than ever before.

Hon. Jeff Myres was today informed by telegraph of the death of his brother Clay Myres, at Needles, Cal.

Salem camp Woodmen of the World last night voted $10 to aid Nebraska sufferers.

Clear cool weather continues with mercury near the freezing point.

Eugene saloons are closed on Sunday.

Tin Can Bank Robbed.

OREGON CITY, Dec. 29.—Another tin can has been rifled of hoarded gold in this county, according to the report brought to this city yesterday by Robert Biehle, of Stafford. Mr. Biehle's wife is a daughter of Mrs. Augusta Melcher, and Mrs Melcher lives with the Biehles on a farm near Stafford. Mrs. Melcher had nearly $1000, which she had received in dividends on her deposit in the Portland Savings bank. She kept this in a tin can concealed in the house, but three tramps visited the place Christmas, and the old lady, not liking their behavior, and thinking of the possibility of the house being robbed, after they had gone, put her treasure can in a burlap, dug a hole in the garden and burried the money. Yesterday afternoon she went to look at her gold and it was missing.
