THE REPUBLIC STANDS

Faure Succeeds the Scheming Casimir-Perier.

FRANCE HAD A NARROW ESCAPE

The Monarchists and Imperialists Were Active.

PARIS, Jan. 18.—The election of M. Felix Faure, on the action of M. Waldeck Rousseau, who resigned in his favor, postpones if it does not entirely avert the disaster which threatened the Republic through the machinations of the d'Orleansists primarily and the Bourbons and Bonapartists in a minor degree.

The Duc d'Orleans issued a manifesto which created great trouble, the socialists being pronounced in their demand for the seizure, imprisonment, death or exile of all royalists and the cry "a bas les aristocrates!" was revived in many a boulevard and rue where it had not been heard for years. The situation, though temporarily assured by the election of M. Faure, is still pregnant with disturbance.

ORLEANS BIDS FOR THE CROWN.

The Duke of Orleans issued a manifesto addressed to Senator Buffet. It dwells upon the dangers of the present crisis, claiming that the president's letter is an indictment of the present constitution. The republic of France, the duke claims, can never be other than a provisional regime. Continuing, the manifesto says:

"The hour is near at hand when the country will wish to return to the form of government which was the glory of its past, and is the guarantee of its future. Providence, in making me represent the monarchy, imposes upon me a heavy heritage, but the day my country calls me I shall find attendance, and, in my devotion, force to fulfill my whole task. My life and blood will belong to France; to that France which my ancestors made great and respected. That will be the work of tomorrow. The task of today will be to overcome immediate dangers."

The manifesto concludes with an appeal to the friends of monarchy to vote for the candidate best able to maintain internal order, social peace and France's honor abroad.

CASIMIR PERIER WAS OVERCOME.

When M. Casimir-Perier heard of the proceedings in the chamber of deputies yesterday he was completely overcome. The socialists are intoxicated with their victory and the royalists in a ferment. The Duke of Orleans and the Count de Housseville, of the royalist agency in Paris, are in active telegraphic correspondence. Manifestos from the Duke of Orleans and from Prince Victor Napoleon are expected today. The dispatch also says orders have been given at the frontiers to suppress anything like attempts to create demonstrations against the republic, which, it is added, is not likely to be shaken by political developments.

PRESIDENT OF FRANCE.

Sketch of Faure, the New Head of the Republic.

M. Felix Faure was born in Paris January 30, 1841. He was formerly a shipowner of Havre, and was president of the Chamber of Commerce of that town. During the Franco-Prussian war he was a chief of battalion of the Garde Mobile and led from Havre to Paris the volunteers who assisted in putting down the commune. He was first elected to the chamber of deputies as a republican in 1881, and at the time of the formation of the Gambetta cabinet of November 14, 1882, he became under-secretary of state, minister of commerce and colonies. He relinquished office with the other members of the

cabinet January 1, 1882, but was called to fill the same office September 24, 1883, in the last cabinet presided over by M. Jules Ferry, and resigned with the rest of the ministry March 31, 1885. M. Faure was elected to represent the Seine Inferieure in the elections of October 4, 1885, and for the third time became under-secretary of state, this time in the Tirade cabinet. In the elections of September 22, 1889, he was elected to represent the second district of Havre and was in the Dupuy cabinet, which resigned just previous to the resignation of M. Casimir-Perier. He was, also, minister of marine. M. Faure was slated for the presidency of the chamber of deputies in the event of the election of either M. Brisson or M. Waldeck-Rousseau.

AMOROUS OLD URQUHART.

Didn't Marry Miss Fifteen-Year-Old and Is Subd.

CHEHALIS, Jan. 18.—Urquhart, of Napavine, this county, has been made defendant in a \$25,000 breach of promise case. The plaintiff is Miss Blanchard, of Napavine, 15 years of age. The parties came here yesterday to get married, Urquhart having already purchased an extensive wedding outfit intended for his wife. His children persuaded him not to proceed with the ceremony, and Miss Blanchard had the papers of the suit served within two hours. Urquhart is over 75 years old, and one of the oldest settlers and wealthiest men in this part of the state. His family have been prominent for many years in business and political circles. His children say the case is one of blackmail, and that the girl and her family worked several months to get hold of the old gentleman's money.

PAIR'S NUMEROUS WILLS.

The Executor Must Produce the Whole Batch.

SAN FRANCISCO, Jan. 18.—When the executors filed the will of the late Senator Fair for probate yesterday the attorneys for Senator Fair's children created a sensation by stating that the senator had made a number of wills and that the executors had picked out one for probate that pleased them most and that the direct heirs wanted all the wills filed. Judge Stack made an order as requested and all the wills will have to be produced.

The matter of the probate of the will has been continued for three weeks. By statements of attorneys, it was clearly foreshadowed that there will be a contest on the grounds of insanity and undue influence.

The Ricks Impeachment.

WASHINGTON, Jan. 18.—Broderick, of Kansas, today submitted the report of the Judiciary Committee in the Judge Ricks case, declaring: "It is our conclusion that Judge Ricks is not guilty of any offense, that there was no intention of wrong-doing, and no moral turpitude attached. We therefore recommend that the resolution, reported to the House, for impeachment, be not adopted."

Whiskey in Alaska.

WASHINGTON, Jan. 18.—The house territories committee has reported a bill to regulate the liquor tariff in Alaska. The effect of the measure will be to restrict that traffic and will confine the issue of licenses to white people, thus preventing indiscriminate sale. Favorable action was taken on the bill giving Alaska right to be represented in congress by a delegate.

May Hang This Time.

SPokane, Jan. 18.—The supreme court has denied the motion of H. D. Smith for a rehearing and Judge Moore will today set the date of execution. This will be the third time the condemned man has been sentenced to be hanged. Smith was convicted of the murder of a farmer near Spangle. His attorneys say they will appeal to the supreme court of the United States.

FEMALE FORGER FOUND!

The Cleverest Woman Swindler in the Country.

HER ARREST IN KANSAS CITY.

Worked a Confidence Game on Lincoln's Relatives.

KANSAS CITY, Jan. 18.—Mrs. Annie D. Bellah, probably the cleverest woman swindler who ever obtained money on fraudulent checks in the United States has been apprehended and taken to the central police station and detained, awaiting word from the police authorities at Excelsior Springs, Mo., and elsewhere. Mrs. Bellah came to town Tuesday night accompanied by a well-dressed bright-looking 12-year-old boy, and registered as Mrs. Dennison, of Baltimore, Ind. By chance she was recognized in the hotel corridor, and her arrest followed. She admits her identity, and says she will fight the case.

In Excelsior Springs last summer she became acquainted with Lemuel Lincoln, relative of martyred president. She told him she was preparing to write a history of President Lincoln and his descendants. He readily gave Mrs. Bellah the desired information, and she finally got Lincoln to cash a bogus check for \$125 for her. With information obtained from him she went to Platteburg, Mo., and worked the same deal on Mrs. McMichael, sister of Lemuel. Mrs. Bellah then disappeared, and though the police of scores of towns were hunting for her, she managed to elude them all. Mrs. Bellah is 40 years of age.

When arrested yesterday she was fashionably dressed, and had \$84 in money, besides several checks on Baltimore and Philadelphia banks, signed by Joseph T. Bellah, but not dated or filled out. She is well educated. Chief Speers has on file a record of the woman, furnished several months ago by the authorities of Boston, Mass., where the Bellahs, Joseph T. and Annie D., were the defendants in several suits instituted by persons defrauded. The operations of the Bellahs extend over six states. In default of bail Mrs. Bellah was sent to jail to await trial.

GETTING IN ITS WORK.

The A. P. A. Association Rampant in Montana.

HELENA, Jan. 18.—The climax of the effort of the A. P. A. people to induce their members to bolt the nomination of Thomas H. Carter for the senate came to light yesterday. A large number of them came over from Butte on the day the vote was taken for senator, but their demonstration was a flat failure and utterly without effect. Today Howard Paschal, of Butte, a member of the legislature and supposed to be a member of the A. P. A. received the following letter from Butte and addressed to the Silver Bow delegation in the legislature:

"You traitors—Understand me, an oath-bound band of thirteen, will with pleasure await your arrival in Butte either during or after your legislative duties have expired. You despised bribe-takers, traitors to your constituents, traitors to your country and traitors to your religion; you Rome-bought abortions, dare you call yourselves Americans or confront those to whom you owe your offices? Sincerely then we await your arrival in the 'greatest mining camp on earth.' You will find upon investigation there are no traitors in our mystic number."

The letter was signed: James Mellan, chairman of the committee.

Paschal says he knows the man whose name is attached to the letter, but he is not particularly afraid of any serious consequences following his vote for Carter for senator, though Carter is a Catholic. When the members learned of the letter received by Paschal, a motion was at once made to investigate the matter and see if any threats had been made against members for voting as they pleased. Three members were appointed a committee, and will begin work at once.

BURYING THE DEAD.

Funeral in Butte of Tuesday's Fire Victims.

BUTTE, Mont. Jan. 18.—The public funeral over the remains of the firemen, policemen and others killed by Tuesday night's explosion took place today. It was a gloomy spectacle. All the hearses in town were engaged for the occasion and in addition to the public funeral a number of the dead were given private funerals at the homes of relatives. The financial loss is much smaller than was first estimated, not reaching over \$150,000. The Underwriter's association of San Francisco has subscribed \$25,000 to the fund for the families of the firemen and about \$12,000 has already been raised locally.

Bail Wanted for Debs.

WASHINGTON, Jan. 18.—In the habeas corpus proceedings in the case of Eugene V. Debs and others concerned in the Chicago strike, the government, acting through Assistant Attorney Whitney, and Attorney Darrow acting for Debs and his associates, today presented a stipulation to the U. S. supreme court, agreeing to postpone the argument of the case until the 25th of March, and agreeing meantime that the prisoners be admitted to bail in \$2000 each. The court took the matter under advisement.

Punishment Fit the Crime.

NASHVILLE, Tenn., Jan. 18.—Among the bills introduced in the legislature is one by Bailey, of Montgomery county, to provide that when a person is convicted of rape, or attempted rape, whether he is sentenced to death or not, he shall be completely castrated by a competent surgeon within 30 days from the date of conviction.

ENCOUNTER WITH AN AVALANCHE

Narrow Escape of a Train on the Rio Grande.

RENO, Nev., Jan. 18.—Snow is still falling and drifting heavily, with no signs of abatement. There has been no train from the west since Wednesday. Three passenger trains from the east are blockaded at Truckee.

All the available snow plows and rotaries are bucking the snow in the mountains. There is a passenger train in the drifts between Blue Canon and Summit, and the Virginia and Truckee trains are blockaded.

TREMENDOUS FALL IN COLORADO.

DENVER, Jan. 18.—Reports from the western slopes of the Rockies indicate that the snow fall during the past 24 hours has been one of the heaviest ever known.

At Ouray, Silverton and Telluride, there is three feet of snow on the level and traffic is completely blocked. In some places the snow has drifted twenty feet deep.

A snow slide near Telluride caught the Rio Grande Southern passenger train in motion; car windows were broken and the engine cab covered. The engineer, Andrew Fisher, had a narrow escape.

TROOPS CALLED FOR.

Brooklyn's Police Unable to Cope With Strikers.

BROOKLYN, Jan. 18.—Several conflicts over the strikers and the new employes of the trolley lines occurred today. Men were driven from the cars and beaten by the mobs. E. A. Spink, a passenger on a Putnam avenue car, was assaulted and seriously injured by the strikers for denouncing them. Mayor Scherren is satisfied that the police force is incompetent to preserve order, and is about to ask Governor Morton for troops.

PARIS, Jan. 18.—The latest bourse rumor includes a report of the abdication of the king of Greece; the report, however is not confirmed.

Ricks Case Reopened.
