That Liberty Discussion.

En Jounnalied was surprised and the complete manner in which he time of it.-Astoria Herald. was dissected and done up, to see John Jory's version of the recent discussion at Liberty school house. There was but a few there and as a meeting was insisted upon, Mr. Jory was invited to state the position of the Populists on The gold press keeps Secretary Car. the question of the tariff and finance. isle's propositions always before the This he declined to do. Then Mr. Hofer put figures on the blackboard to show that under the Cleveland administration by issues of bonds and an "Total-That there is not a silver- adverse balance of trade the country standard country in the world today had been run in debt \$162,000,000, and proposed to raise \$400,000,000 a year country-Russia-and see if this is true. needed to defray the current expenses Although holding the fourth place in of the government. He completely the world as a gold producer, Russia is begged the question by saying he on a silver basis. Russia uses both gold would let his children deal with that, as the bonds were not due for 30 years. This seemed a master stroke of statesmanship to some of the Populists pres-

On the finance question Mr. Jory said they were still on the Omaha platform of issuing irredsemable paper money and loaning it to the people at h and of gold is constantly growing, 2 per cent. They were also for free colunge of silver. Mr. Hofer showed So far as the national treasury is that Repulican bimetallism, even 16 1. assumed a basis of intrinsic value, and that all paper money issued by the government should be redeemed in something to which a permanent value though if all nations pursued the Rus | was attached by law and custom; that sian plan it is difficult to see how there there was an unreconcilable inconsiswould be any gold in circulation for tency between the Populist flat money doctrine of the Omaha platform and their pretended advocacy of gold and silver money 16 to 1. Mr. Jory having confessed that his party stood nowhere in gold before it is money at all, is on the tariff question, and having been forcing all nations to hoard gold for smoked out on his doctrine of flat money to be loaned to the peo ple, it was plain that he had no place to take except that of a mischief maker in the city. would not be necessity to keep so much and assistant Democrat. His ewn gold locked up to float the silver and garbled report in the Populist paper at paper as is now the case. Russia has Salem does not help him. Mr. Hofer showed that the only genuine bimetallists and true friends of allver are in not permit ber gold to be drawn out the Republican party, and that the for the maintainence of her other Populists, while pretending to favor free coinage are really irredeemable flat moneyltes when they express their h pes to receive benefit from the baths true sentiments. No man was so bit- which are so highly recommended .terly opposed in the last election in in this county by the Populists as Mr. Hofer, because he told the truth about Pennoyer, which the Populists now all admit. It is gratifying to the Republicans out here on the Red Hills to know that the Republican party has some fearless champions of bimetallism and is not entirely run by the goldbugs story I read on the Popullate the other

day in a newspaper. Here is a story from Arkansas: A when it was in session the Post upheld boy in Kansas was pulling a dog along the legislature in defeating the aims of the road by a rope. The boy called to the dog, "Come along Pop, you onery When Baby was sick, we gave her Castoria. The Post is exquable as its editorials cues!" A bystander saked(ibim why When she was a Child, she cried for Castoria. he called his dog Pop. "For short," When she became Miss, she clung to Casteris answered the boy. "What's his full name?" "Populist," answered the the stranger. "Well sir," the boy said. We do not blame Governor Fletcher "because he is just like a Kansas Popufor writing his editorials to order and He sin't worth a durn only to sit on liet, he's the opergest dog in Kansas.

REPUBLICAN.

SPARE THE HORSE.

In this hot weather, be merciful to great deal to cut down the burdens of the borse. Hee that he is watered and the people and the Populists will find fed; that he has shadejand ajrun in the to their grief that they cannot make a pasture once; that his feet are Cure for the liver and kidneys; sampaign on attacking this legislature examined at least once in three weeks \$1.00, sold by Lunn & Brooks. indiscriminately, as the Oregonian by a computent show smith; that his dose, and as the Post done.
