

FOOD ADULTERATIONS.

The state food commission of Oregon should be made more of an educator all the time, and then the people would get their money's worth.

Yours of 17th received. I enclose herewith samples as follows: Pepper shells No. 1, 150 bags, 3¢ cents asked.

Owing to the low prices of coffee and other raw materials, we are prepared to offer our "Coffee compound" at a special and confidential price.

I have mailed you today samples of my mixture for ground and crushed coffee, which I submit to you for investigation.

We are prepared to furnish, in quantity as desired, coffee substitute, formerly manufactured by the Northwestern Spice Co., of this city.

THE latest investigations by the United States and Canadian Governments show the ROYAL BAKING POWDER superior to all others in purity and leavening strength.

Statements by other manufacturers to the contrary have been declared by the official authorities falsifications of the official reports.

4 cents. These goods are composed almost entirely of cereals, and contain nothing of an injurious or unhealthful nature.

We send you by mail today a sample of the most perfect coffee compound ever produced, as an examination of sample sent will attest.

We quote you price in not less than 5 barrel lots, 4 cents, f. o. b., Boston.

All that is necessary is to post the public as to these frauds, and the business would soon play out.
