LAWLER IS ALL RIGHT.

Elected Resident Director and General Superintendent.

Mr. W. B. Lawler recently cabled the English company at London that he is developing the Red and White Bull Silver mines his ultimatum. Mr. Lawler would not accept the superintendency of the mines unless he was elected by an unanimous vote. There is now added to that concession the honor of being made resident director with full power to act in developing the property. The cablegram from London received last night was as follows:

"All right. It is agreed that you are the resident director and general superintendent. Smith, manager underground."

This means that the English company has perfect confidence in Mr. Lawler and he regards this as final authority to develop these wonderful mines.

Another cable message was received at Salem and immediately dispatched to Mr. Lawler by Manager Wade, of the Western Union office:

LONDON, Aug. 12.—Company registered and mill ordered.

This means that an order has been placed for a twenty stamp mill direct from London and before winter comes the bullion will be ground out of the rocks at Quartzville.

Mr. Lawler was apprised of his cable message by a special messenger on the overland train last night, and he was very much pleased over the outcome. He has placed at his disposal for working the mines over half a million dollars and is now in full control of the enterprise which is being developed as a result of his energetic management.

STAGE ROBBED ONCE MORE.

Willits Springs Stage "Held Up" by Two Masked Robbers.

George Moore arrived in Oregon City from the Willits Springs country Monday evening with a drove of cattle and reported that the outgoing Oregon City stage, bound for Willits, was held up near Wright's bridge, in a strip of timber twelve miles from that city, about 11 o'clock Monday morning.

Moore had just passed the stage with his cattle and upon looking back heard the women at Mulvey's farm house shouting. A boy ran out and overtook him and told him that two men had stopped the stage and relieved the passengers, a lady and two gentlemen, of their valuables. Moore did not think he could do any good by turning back, but drove on to Oregon City with his cattle and reported the robbery. The boy said one of the men held the lead horses while the other went through the passengers. The stage left Oregon City Monday morning with three passengers, one lady and two gentlemen.

Sheriff Maddocks, and Deputy Moody have gone to Mulino to investigate the robbery.

This same stage was held up about four weeks ago by two masked robbers who secured about \$100 in money and jewelry from Mr. Levy, of Portland, who was the only passenger on the stage. The men who took part in yesterday's robbery are supposed to be the same robbers, who held up the stage about a month ago. They did not do so well this time however, securing but \$10 in money. A gold watch, offered the robbers by a lady passenger was refused.

Probate Court.

Late Monday afternoon Mrs. Susan Oberheim, widow of the late Paul Oberheim who died August 3, 1895, leaving an estate valued at \$80,000, and without making a will, petition the county court for the appointment of Wm. Kaiser for administrator of said estate. Her petition was granted and Maurice Klingler, Fred Neckerman and W. R. Anderson were appointed appraisers. Wm. Kaiser, the administrator, today filed a bond of \$10,000 with the county court and with Timon Ford and Thomas Burrows as sureties. The heirs to the estate are: Susan Oberheim, widow, aged 50 years, of Salem; Mary E. Rogers, aged 23 years, of Salem; Nancy E. Harpole, aged 23 years, Waterloo, Lane county; Fannie Oberheim, aged 20 years, of Salem; Jennie M. Oberheim, aged 18 years, of Salem; and Rosa Oberheim, aged 16 years, of Salem.

A Serious Runaway.

Sunday afternoon as A. B. Jackson, with his family, were driving down the big hill at Willits leading from Oregon City, the neck-yoke broke, and the horses ran away, throwing the occupants out and smashing things up generally. Mr. and Mrs. Jackson were not seriously injured, but his little children were hurt very badly. The baby's shoulder was broken; the oldest child's right arm was broken and its face badly bruised, while the other one's back was crippled. The children were carried to the hotel at Willits and cared for by Dr. Geary, of Aurora. Mr. Jackson was going to the springs for an outing.

FOUND DEAD IN BED.

A Marion County Farmer Who Did Not Awaken.

Mr. Page Miles, at Inger station, Howell Prairie, died last night in bed. He retired at the usual hour as well as any man, but this morning when his little boy got up he did not move. His wife went to wake him but he was dead. One hand lay across his breast and the other arm out on the covers. He had died a peaceful death and apparently without a struggle. When a neighbor, W. T. Ramsden, who joins farms, went there at 6 a. m. the bed-clothes had not been disturbed. He lay in apparently quiet and peaceful slumber, but dead. His wife, and one son, aged nine years, were alone in the house. John Kays, a neighbor, came in for a physician and Coroner Clough.

Mr. Miles was a slim built man, about 65 years old, and had never been an invalid. It is thought he died of heart disease. Besides the family at home he leaves two sons and one daughter. One son is in Seattle.

Coroner A. M. Clough was informed of the death of Mr. Miles and made arrangements to hold a coroner's inquest. He left Salem at 9 o'clock this morning and empaneled a jury immediately after reaching the farm home of the deceased. The following is the jury: F. M. Smith, foreman, Thos. Lauderdale, Jno. Sappingfield, H. M. Van-Avery, J. A. Key and M. R. Savage.

A large number of witnesses were examined and the jury found Page Miles was a native of Vermont and was aged about 64 years. That he came to his death on August 12, 1895, by natural causes. Dr. J. N. Smith was present at the inquest.

Justice Court.

The civil suit of Geo. J. Pearce, administrator of the estate of E. C. Small deceased, vs. Ben Hayden and son Clell, occupied the entire day in Justice Johnson's court. The administrator seeks to secure a judgment against the defendants for \$154.56 and interest at 8 per cent from February 22, 1885, for clothing alleged to have been purchased of Mr. Small. Mr. Pearce also brings suit against defendants for \$36.75 and \$14 for goods bought at different times from R. M. Wade & Co at Independence and Salem. A large number of witnesses were examined pro and con this morning and the case will hardly be concluded before late this evening. The case is being hotly contested, Carson and Fleming appearing for the plaintiff while Wm Kaiser and W. H. Holmes appear for the defendants.

Miss Minnie Morris went to Salem this morning on the local train to spend a couple of weeks. * * * Hugh Thompson and wife have returned from San Francisco and are sojourning at Newport for the present. * * * Dr. D. A. Paine, the Salem asylum superintendent, spent last night in Eugene, returning home on this morning's local train.—Eugene Guard, 12th.

TOBACCO WAR.

A number of the grocers in Salem are having a tobacco war. A few days since a brand labeled "Tiddy" sold for 20 cents per pound but the sale opened this morning at 15 cents per pound. Before noon one firm was selling the same brand for only 12 cents. Most anyone can afford to "chew" when tobacco is so cheap.

RUNAWAY.

Mrs. J. L. Parrish's team ran away Monday afternoon. Mrs. Parrish and son got in and the horses started. They both jumped out and the horses circled around the house dashing the carriage to pieces.
