Fun for Everybody.

Prof. Gentry and his great combination of highly educated ponies and dogs appear in this city under their water proof tent at the depot show grounds Monday and Tuesday nights, September 23 and 24. Matinee Tuesday 2:30 p. m. There is perhaps no other entertainment in the United States that is as pleasing to ladies and children as the one Prof. Gentry gives with his ponies and dogs. The clergy endorse it, superintendents endorse it, and no parent who loves his family will deny them the privilege of witnessing this entertainment. It is strictly moral and refined amusement. These little animal actors, over fifty in number, give an entertainment that is beyond belief and most positively to be seen to be appreciated. They do everything but talk. The admission is very low: Children, 15 cents; adults, 20 cents.

A Fine Workman.

For the past three months the blacksmithing firm of McCarl & King, at southwest corner of State and Front streets, have been endeavoring to secure a first-class horseshoer in connection with that firm, and have at last succeeded in securing the services of Mr. Nelson Hughes, a skilled workman. Mr. Hughes has had experience both in the east and on this coast, and for the past three years has had the government contract of shoeing all the horses at Ft. Canby.

STREET PARADE.—Professor Gentry's Dog and Pony show will parade the principal streets Monday, starting at noon. All the little dogs and ponies will be at their best and the little ones will have a chance to see the tiny little animals free of charge and all should be on hand to see it.

ANOTHER TRUSTY ESCAPES.

A Brick Yard Employee Leaves at 1 O'clock This Morning.

Another "trusty" has escaped from the penitentiary, and he, like the former one, chose darkness to assist him in making his escape. The last convict to leave the penitentiary unceremoniously is Noah Mulkey, who is under sentence of six years from Morrow county for manslaughter. Mulkey was given employment along with other "trusties" on the state brick yard on East State street, opposite Burton Bros. brick yard. At present the state is having a kiln burned and Mulkey's particular work consisted of feeding the fire. He was first misled by the guards at 1 o'clock this morning and the news of his escape was soon telegraphed up and down the valley. This morning the chief of police of cities throughout the Willamette valley were notified of the escape and it is doubtful if Mulkey will elude the officers very long.

The following is a description of the escaped convict: Noah Mulkey, aged 28 years, was received at the penitentiary on Sept. 13, 1893, under sentence of six years for manslaughter in Morrow county. He is 6 feet 11 inch in height, weight 173 pounds, dark brown hair and a laborer by occupation.

Marks, scars, etc: Scar outside right wrist. Small scar at right of spine. Vaccine mark left humerus. Left thumb nail is deformed. Scar and deformed nail on left index finger. Left little finger crooked at second joint. Large pit scar right knee cap. Dim scar right cheek of nose, size of half dollar. Large scar inside of left shin. Long scar across outside of left ankle. Has high cheek bones.

THE PAYTON COMEDY CO.—On Wednesday night, September 25, admits ladies free. Each gentleman purchasing one reserved seat (ticket will be allowed to reserve one seat for one lady or one reserved seat will admit two ladies.

THE FIRST M. E. CHURCH.

Resolutions Requesting the Return of Mr. Grannis.

Fourth quarterly conference of the First M. E. church met at the church parlors last evening. Rev. John Parsons, presiding elder of Salem district, presided.

The pastor, Rev. G. W. Grannis, and sixteen official members were present.

The general work of the year was gone over and summed up, and the result showed a prosperous year. One hundred and one persons had been received on probation and forty-seven had been received by certificate of membership from other churches. The present membership roll is 677.

The following trustees were elected for the coming year: F. R. Smith, W. H. O'dell, P. H. Hatch, H. Poble, W. T. Bigdon, G. P. Litchfield, J. Q. Barnes, Dr. B. H. Bradshaw, Geo. S. Reid.

The same persons were elected as a board of trustees for the Mission cemetery. The board of stewards will be as follows:

James Aitken, Amelia Miller, Helen A. Dearborn, Mrs. John Hughes, Mary Reynolds, S. L. Winters, Scott Borth, A. A. Lee, E. C. Cross, Prof. E. A. Heritage, Mrs. Jennie Collins, Prof. E. H. Anderson.

The following was unanimously adopted:

Whereas, Brother G. W. Grannis has been in charge of this church for two years, and

Whereas, under his pastorate the membership of the church has been increased and its financial affairs successfully managed, and

Whereas, the removal of our pastor at this time might retard and possibly defeat the accomplishment of his plans concerning the payment of our church debt, and

Whereas it is the judgment of this quarterly conference that Rev. G. W. Grannis be returned as pastor of this church for the ensuing year; therefore be it

Resolved, That we cordially invite him to return and request the presiding elder to advise the bishop of our action in the matter.

The above is very complimentary to Mr. and Mrs. Grannis and is a recognition of their great work and the high spiritual and social standing they have given the church.

BIG PROFITS ON SMALL INVESTMENTS.

Returning property will make many rich, but nowhere can they make so much within a short time as by successful speculation in grain, provisions and stock.

\$10 FOR EACH DOLLAR INVESTED can be made by our systematic plan of Speculation.

All successful speculators operate on a regular system. It is a well known fact that there are thousands of men in all parts of the United States who, by systematic trading through the use of brokers, made large amounts every year, ranging from a few thousand dollars to \$100,000 or more by investing a few thousand. It is also a fact that those who make the largest profits do so comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading.

Write for convincing proofs, also our manual on successful speculation and our Profit Harvest Report, full of money-making pointers. All FREE. Our manual explains everything fully. Highest references in regard to our standing and success.
