## Take the One Cent Daily

### THE CAPITAL JOURNAL. (DAILY AND WEEKLY.) BY HOFER BROTHERS. WEDNESDAY, SEPT. 25, 1896.

#### REPUBLICANS DO NOT BE TAKEN IN.

The Portland Oregonian is copying the Hop-Picker editorials from the Safem Post and Independent, and then manufacturing a letter from Dallas attacks the new deal Republicans. These attacks are not made by the Oregonian in true interest of the people, or of the Republican party. Their origin and purpose will be laid bare at the proper time in THE JOURNAL. In the meantime let no Republican be taken in.

It is perfectly well known whom the Scott, Dolph, McGinn, Corbett, Simon combination supported for state offices and whom they did not. It is perfectly well known who they have recommended for appointments. The truth as to who are sincerely for a new deal cannot be concealed by the Oregonian's sham sympathy with the hop pickers. The old Portland risk that spends twenty to thirty thousand dollars to pack primaries that eliminate a legislative state to pass a certain bill out of which the Trinidad Paving company would have made a million dollars in one year, might better sympathize with other gamblers, but not with honest people.

#### THE PRESS AND MCGINN.

A Short Letter from a Sarcastic Republican. ED. JOURNAL.—The severe criticism of the appointment of McGinn as Judge in a Multnomah district should wait long enough to remember that the first thing he did after taking the oath of office, and appointing Sam Parrish bailiff, was to make a speech to the assembled lawyers, in the cause of which he assured them that he would give to the office all the attention and intelligence it deserved.

Every man in Oregon should rejoice that at last we have a man on the bench who is so lavishly endowed with gray matter, that instead of being compelled to use all his intelligence in the discharge of his duties, he feels himself required to merely use that portion of his intelligence that the office may deserve—thus leaving him free to use the vast remainder in such channels as may suit his fancy. Yours in admiration of that

NEW DEAL. STATE PRESS OPINIONS. The Dalles Chronicle, Rep.—The worst thing about McGinn's candidacy is that he is so closely associated with the so-called Portland ring.

Hillsboro Independent, Rep.—Gov. Lord ought not to appoint McGinn. Roseburg Review, Dem.—Probably the most unfit man to be upon the bench in all Oregon.

Portland Telegram.—Mr. McGinn was the aspirant best entitled to the honor.

There is a striking contrast between the late Judge Harley and the man whom Gov. Lord has named.—McMinville Transcript, Rep.

This man McGinn made a record for himself in the senate at the last session that would bring the blush of shame to the face of even Satan himself. He was the "father" of the Portland charter bill, the state and county salary bill.—North Yamhill Record, Rep.

East Oregonian Dem.—Henry McGinn for judge? Why not make Jim Lotan deacon of a church? Eugene Guard, Dem.—Mr. McGinn is one of the brightest young men in Oregon.

Mr. McGinn's appointment seems to meet the approval of everybody.—Yacquina Post. Col. Van Cleve's paper:

In his selection Governor Lord has recognized superior ability, and paid a political debt.—Oswego Iron Worker. He has distinguished himself at the bar and in political life, and with his personal popularity and legal talents will be a honor to the bench.—Tillamook Advocate, Rep.

McGinn's friends hope that the judgeship will reform Henry, and it may do so, but no man should get a position of such great responsibility unless his record showed clean as a temperate, law-abiding citizen.—Fossil Journal, Rep.

Judge McGinn is a Portland boy

who rose rapidly in the ranks of his profession and who has won the distinction he bears.—Forest Grove Times, Dem.

The friends of Governor Lord cannot but deplore his action in appointing McGinn. The appointee cannot add lustre to the judiciary of Oregon, but will rather be a stain upon it. He has no reputation as a lawyer, except such as he gained as a pleader in criminal cases, and his record as a man is most unsavory.—Corvallis Gazette, Rep.

The appointment does not honor McGinn but it disgraces the bench.—Hillsboro Hatchet, Rep.

McGinn has been to active a man and his associations have been such as to not commend his name at once for a judicial place.—Salem Statesman, Rep.

A Wretch Comes to Grief. The Portland papers tell of one, W. P. Adams, who was a witness in the Simon divorce case, coming to grief in the following manner. He had himself united in a mock marriage with one, Miss LuLu Young at Hotel St. Charles, Portland, July 8th last, where he lived with her a week. He then took her to his mother's home and to Astoria, introducing her as his wife. Recently he left her, taking a watch, chain, ring and cloak. Upon her complaint he is now lodged in jail for rape and larceny. He caused all the trouble between Chas. Simon and his wife, admitting his intimacy with the latter and being the chief source of their separation. He will probably serve a term in state prison where he belongs.

SOMETHING GOOD.—Lovers of the beautiful and artistic will be delighted with the July and August numbers of the New York Photographic Co's. art quarterly "Sun and Shade." The August number is a cup defender number that will be a treasure to the lovers of yachting will want to preserve. The July number has a remarkable reproduction of color photograph work entitled "Before the Dance." Those not familiar with the possibility of color photography will be surprised at the life like charm and beauty of these pictures. The publishers desire an experienced canvasser for "Sun and Shade" in this city, and some person who can understand the merits of the work and make them known to others will do well to interest themselves in this matter.

#### THE BUSINESS MAN'S LUNCH.

Hard Work and Indigestion go Hand in Hand.

Concentrated thought, continued m. robs the stomach of necessary food, and this is also true of hard physical labor. When a five horse-power engine is made to do ten horse-power work something is going to break. Very often the hard-worked man coming from the field or the office will "bolt" his food in a few minutes which will take hours to digest. Then too, many foods are about as useful in the stomach as a keg of nails would be in a fire under a boiler. The ill-used stomach refuses to do its work without the proper stimulus which it gets from the blood and nerves. The nerves are weak and "ready to break," because they do not get the nourishment they require from the blood, finally the ill-used brain is morbidly wide awake when the overworked man attempts to find rest in bed.

The application of common sense in the treatment of the stomach and the whole system brings to the busy man the full enjoyment of life and healthy digestion when he takes Dr. Pierce's Pleasant Pellets to relieve his bilious stomach or after a too hearty meal and Dr. Pierce's Golden Medical Discovery to purify, enrich and vitalize the blood. The "Pellets" are tiny sugar-coated pills made of highly concentrated vegetable ingredients which relieve the stomach of all offending matters easily and thoroughly. They need only be taken for a short time to cure the biliousness, constipation and sluggishness, or to improve of the ill which come from impure blood and debilitated nerves. The so-called "candy" compounds and nerve mixtures do not refresh and feed on the food they need for health. If you suffer from indigestion, dyspepsia, nervousness, and any of the ill which come from impure blood and debilitated stomachs, you can cure yourself with Dr. Pierce's Golden Medical Discovery which can be obtained at any drug store in the country.

### Makes the Blood Pure

This is the secret of the cures by Hood's Sarsaparilla. Read this:

"I am so glad to write that I am now in perfect health and I feel because Hood's Sarsaparilla made my blood pure. My health broke down with troubles peculiar to women, my nervous system was shattered and I had to take my bed. The physician said there was little hope for me. A neighbor told of wonderful cures by Hood's Sarsaparilla and I decided to try it. When I had taken 3 bottles, I could sit up and now I am perfectly well and strong."

Hood's Sarsaparilla has done all this for me." Mrs. C. F. FADNER, La Platte City, Colorado.

Hood's Pills cure habitual constipation. Price 25c. per box.
