

THE N. P. RECEIVERS

Never Filed Any Reports With the Courts.

ARE ALL CORPORATION BOODLERS

Upheld and Sanctioned by Federal Courts.

NEW YORK, Oct. 4.—Judge Lacombe, of the United States district court for the southern district of New York, refused to confirm the appointment of the new receivers for the Northern Pacific Railway company...

General Burnett and Bristow, and Henry Stanton, counsel for the Northern Pacific Railway company, opposed the application, on the ground that the old receivers had not reported or accounted to the court...

"The court does not see its way clear to accept the resignations of the receivers upon the papers now before the court. The case is too grave to be disposed of hastily. The appointment of other receivers would only tend to increase, rather than diminish, the present difficulty."

Federal Courts Confirm. MISSOULA, Mont., Oct. 4.—Judge Knowles has confirmed the appointment of Andrew J. Burleigh as receiver of the Northern Pacific. Similar action is promised in Idaho...

The Rotten Receivers. SEATTLE, Oct. 4.—As C. W. Bunn attorney for Oakes Payne and Rouse, the deposed Northern Pacific receivers, was about to step on his train eastward bound he was confronted by a deputy United States marshal...

ARMENIAN OUTBREAK.

All Constantinople is Greatly Excited.

FURTHER DISTURBANCES FEARED.

Introduction of Religious Element Causes Anxiety.

CONSTANTINOPLE, Oct. 4.—A third slight earthquake shock has been experienced with rioting and bloodshed. The imprisonment of about 500 Armenians, the killing of the prisoners in cold blood and the presence of troops under arms at all points excites even the most phlegmatic Turk...

Tuesday night a mob of Sofas and Turks attacked the house of a leading Armenian, Kasim Pasha, killing several persons. This mob also sacked a cafe frequented by Armenians, and 20 of those unfortunate people were beaten to death with bludgeons...

come of the agitation which prevails in Europe, especially in England, in favor of the Armenians.

Owing to the critical situation here reports of the powers met at the Austro-German embassy today and the German ambassador Lottich has been ordered to remain at the disposal of the German embassy.

At least five Armenians were killed after they had been arrested Monday. This has caused great indignation.

Regarding the death of the Turkish major, Serret Bey, witnesses affirm the Armenians did not use their revolvers until he had ordered the police to fire upon them. When Serret Bey fell there was a frightful tumult and the police charged the crowd with revolvers and swords...

THE MASSACRES CONFIRMED.

Hundreds of Women and Children Murdered.

CONSTANTINOPLE, Oct. 4.—The American church at Constantinople, and other churches in different parts of the Turkish capital are still crowded with refugees. There are nearly 500 Americans in the Patriarchal church alone. The scenes in the churches are heartrending in the extreme...

Armenians declare the Turkish mob committed the most terrible excesses during the night of Monday when rioting at the first broke out. A woman eight months pregnant was ripped open, it is claimed, and the child within her was exposed to the jeering mob. It is added the same woman's daughter, only 14 years old, was ravished.

It is still impossible to give the exact number of killed or wounded. All accounts concur in saying that the Turkish police countenanced the excesses. According to the Armenians, about 200 persons have been killed during the rioting.

A deputation of forty leading Armenians called at the British embassy today to see the British ambassador, Sir Phillip Currie. They were informed that Sir Phillip was absent, but they said they had come to see him and would wait there until he appeared.

From Salvador. SAN FRANCISCO, Oct. 4.—The steamer Celia has arrived from Salvadorian ports. Captain Johnson reports that the little republic, the control of which is so ardently desired by Antonio Ezeta, is in a state of feverish unrest. Rumors have been thick at all the ports at which the Celia stopped concerning the coming of Ezeta to capture Salvador. A warm reception awaits him.

"There are up in arms there," said Captain Johnson. "At Acajutia, La Libertad and La Union the beach is full of soldiers, and at other ports there were guards, all waiting for Antonio Ezeta."

"They told me the friends of Ezeta were suffering for his acts. No less than half a dozen wealth men were in the chain-gang, but what charges were made against them I could not find out."

Gutierrez, the president of the republic, had an interview with the presidents of Honduras and Nicaragua at La Union, while I was in Salvador. The president and his generals, about 25 in number, came back overland to El Triunfo, and I carried them to La Libertad. What the conference was about I do not know."

According to Captain Johnson, Bustamante, Ezeta's aide, was shot, and there was no boiling oil poured on him. It is said that Ezeta has many friends in Salvador, but they are afraid to open their mouths lest they be implicated. These have faith in their leader's return. They think he can get assistance from Diaz, of Mexico, and with this backing, Barrios, of Guatemala, will dare oppose him, so that he will be to march through Barrios' country and get into Northern Salvador.

THE DURRANT DRAG.

Secretary McCoy Fined for Contempt Yesterday.

RIGHTS OF REPORTERS RESPECTED

Miss Cunningham Will Not Be Sent to Jail.

SAN FRANCISCO, Oct. 4.—At noon, Thursday, the jury was excused until 2 o'clock as usual; but the court remained in session to hear the contempt proceedings brought against General Secretary McCoy, of the Young Men's Christian Association, who told Juror Truman last Thursday that if he did not hang Durrant people would hang Truman. McCoy was in court accompanied by Judge Sawyer, his attorney.

Judge Sanderson, presiding judge of the superior court, was placed on the stand, and testified to the statement made by McCoy to Truman. Judge Sanderson was in the car when the conversation took place, and overheard the offensive remark reported to Judge Murphy.

Truman was called and made a similar statement. He said McCoy's remark was made in a joocular manner, and he gave it no consideration.

Secretary McCoy said he made the statement without thinking and the moment he said it, he realized what he had done and regretted his thoughtlessness. McCoy said he had no feeling against Durrant. Judge Murphy in reminding McCoy dealt at length on the seriousness of such an offense. He said if he had any idea that McCoy intended his remark to have any effect on Truman's mind he would send him to jail for the full term permitted by law.

The judge closed his remarks by finding McCoy guilty of contempt and sentencing him to pay a fine of \$25 or go to jail for five days. McCoy was given until Saturday to pay the fine.

FRIDAY'S PROCEEDINGS.

When the Durrant case was resumed this morning Judge Murphy announced that he had decided not to send Miss Cunningham, a newspaper reporter, to prison for refusing to tell the name of the person who told her what Mrs. Leak would testify. Miss Cunningham still refuses to disclose the name of her informant. The judge said he had serious doubts as to the propriety of the question as he did not believe the defense had a right to go on a fishing excursion for witnesses who might or might not impeach Mrs. Leak's testimony. The judge also said the supreme court of California had in a similar case sustained the right of a newspaper reporter in refusing to tell where he obtained certain information. The court then said he would make final ruling on the question next Tuesday.

GIBSON A WITNESS.

Great commotion was caused in the court room when General Dickinson called the name of Rev. J. George Gibson as a witness. Gibson was handed several pieces of paper, one at a time, and asked to state if the writing contained on each was not his own. In each case witness replied that while the writing bore a remarkable resemblance to his own, he could not swear that it was actually his.

Electric Car Collision.

TACOMA, Oct. 4.—A collision between two electric cars on the line to Puyallup occurred this morning in the fog. Both cars were crowded and were running very rapidly. A dozen people were badly injured, and two fatally—John Fournier and H. Bailey, who were riding on the platform. The accident is due to carelessness in running too fast in the fog.

OREGON STATE FAIR.

WOODMEN OF THE WORLD.

They took the fair ground by storm yesterday, and made it the most enjoyable day of the fair. They had a perfect day and surely they made the most of it. "Neighbors" from Portland, Albany, Corvallis, Madras, Independence, Dallas, McMinnville, Silverton, Stayton and other points, besides Salem camp No. 118 lined up at 11 o'clock with 600 in the ranks for the grand parade. With Old Glory in the lead and the axes and other insignia of the order followed the column wended its way to the grandstand where the speaking was to be held. The address of welcome was delivered by Frank A. Hodgkin, Salem 218. Walter L. Tooze the Woodburn magnate, made the response in his usual happy vein. Chief Justice Bean, who was to speak, was unavoidably absent. After the speeches were over, the Woodmen's bicycle races were run. The results were announced in last night's paper.

A chopping "bee" was held by those indefatigable entertainers in the afternoon between heats of the races. This was enjoyed immensely by the big crowd. Oliver Hart, of Stayton, won the first prize, a \$4 hat, for speed in chopping twice in two a large green log. Mr. Maple took away a new axe for his skill in getting second prize. The best race took the cake. It was the mule racing event of the year. People laughed until their heads roared. There were seven entries. Lady Diana won in 3:53. The fun of the matter was that the mules wouldn't budge a step until they were started the wrong way around the track when at a full gate all the way around. Marshal Simeral set pace for them.

In the evening the Woodmen and Southern Oregon divided honors. President Hawley spoke for Woodcraft and Hon. Harry B. Miller, for Southern Oregon. Both spoke well and both were applauded. Thus closed the most perfect and enjoyable day of the state fair of 1895. The management of the fair and the Salem people owe Salem camp No. 118 a large debt of thanks for making it such a success.

Bull races today at 4 o'clock p m the last one of the season, "Old Bill" Anderson says this will be a "dandy."

THURSDAY WITH THE HORSES.

The postponed Oregon Derby (1/2 miles) was run off first yesterday. Lela and Henrietta, from C. J. Matlock's stable, and Token and Genesee, of N. E. Smith's. No pools to amount to anything were sold, as it was a certainty that Matlock would win the race. Dave Looney sent them off at the first score, letting them off well. Henrietta, (who only entered to set pace for Lela), struck out ahead, Token second, Lela third. As they came 'round at the mile-and-a-quarter, Henrietta was "pulled" and Lela came down the stretch a winner in 2:44.

Free-for-all pace.—Entries: Sophia R., Rosemon, Davis Boy, Carrie S., Blondie and Don Shaver. Don Shaver was so sore from some of his races of preceding days, that his owner did not care to have him driven hard, so he was "pulled" and distanced. Blondie, who was the best pacer in Oregon three years ago, broke very badly and was distanced also. He was injured in a railroad wreck not long ago, and is unfit for work at present. Two years ago he paced a mile here in 2:15. The race then lay between the three-year old colt, Sophia R., and Davis Boy. Twice Sophia R., with her "clockwork" movement, won first, with Davis second. In the third heat Bright was taken down from behind Rosemon, and Sawyer put up. He succeeded in putting Rosemon to second place. Sophia R. won the heat and race. She is a comparatively young horse, but is doing extremely well.

Summary:— Sophia R., 1st (Gill) 1 1/2 1/2 Rosemon 2nd (Bright & Sawyer) 2 1/2 2 1/2 Davis Boy 3rd (Brosius) 3 1/2 3 1/2 Carrie S. 4th (Woods) 4 1/2 4 1/2 Time 2:15 2:20 2:25 2:30
