FORTY LIVES ARE LOST

By the Sinking of a British Launch Near Shanghai.

NO ULTIMATUM FOR VENEZUELA.

England Demands the Removal of Turkish Officers.

SHANGHAI, Nov. 15.—A steam launch belonging to the British cruiser Edgar, is reported lost in Japanese waters and that forty-eight men are drowned.

No Ultimatum.

LONDON, Nov. 15.—The story from Washington that a second ultimatum had been sent Venezuela by Great Britain is officially declared a complete fabrication. The original so-called ultimatum has not yet been delivered to the Venezuelan government.

British Interference.

CONSTANTINOPLE, Nov. 15.—It is announced that three prison officials of Moosh, dismissed some time ago upon demand of the British ambassador, owing to the mal-treatment of the prisoners, will be reinstated. The British charge d'affaires, Hon. Michael Herbert, has demanded of the porte that the three prison officials be again dismissed.

The rioting at Sivas was attended by great bloodshed, but order has been partially restored and the Turkish officials are protecting the foreigners there. No change in the situation is anticipated for some days.

CHICAGO, Nov. 15.—The Associated Press received the following from Dr. M. M. Manga, the Syrian leader of the Society of Ethical Culture, in this city, and one of the most eminent Armenians in the United States:

"Very recent massacres of the Armenians, reported from Trebizond, Erzeroum, Moosh and Diarbekir, fully confirm the words spoken by the Turkish commissioner-general to the World's Columbian exposition, Hakki Bey, 'If we (Turks) cannot have the country, we shall see that you (Armenians) don't get it.' There is very little doubt that the Turks believe their days are numbered, and are, therefore, determined to exterminate the Armenians, root and branch, before they themselves have been finally and forever driven out of the civilized world. If Europe is to act at all, it must act at once, for soon it will be too late to undertake the salvation of Armenia, as there will be no Armenians left to save."

SEOUL, Korea, Nov. 15.—The policy of inaction now being pursued by Japan is creating distrust as to the sincerity of her intentions to set right the wrongs done by the coup d'etat of October 8. Mr. Waerber, the Russian charge d'affaires, has notified the Japanese minister that if the king is not restored to his rights by Japan, action will be taken by Russia.

The situation in Korea at present is critical.

LONDON, Nov. 15.—A verdict in favor of the plaintiff was rendered today in the suit brought by Dr. Conyers Her-ring, of New York, for the recovery of insurance money on his yacht Mohican. The jury awarded him \$15,000. It is the doctor's intention to bring suit against the other companies in which the yacht was insured for the recovery of the additional \$10,000.

PARIS, Nov. 15.—M. Domergue, a wine merchant, suddenly became insane and killed a number of people. He shot his wife and mother, and then opened fire upon people in the street, killing three, and wounding several others. The madman then barricaded himself in a house and then fired upon the gen d'armes, who surrounded the building.

LONDON, Nov. 15.—The sportsman says that C. D. Ross has broken his collar bone. He was hunting with the Cottemore hounds when the accident occurred.

BRUSSELS, Nov. 15.—Herr Leib-knight, the socialist leader and editor, was today sentenced to four months' imprisonment for his majesty.

A DEED OF CRACKSMEN.

Fettle Attempt to Rob a Bank—Sheriff Gagged. WOODSTOCK, O., Nov. 15.—An attempt was made this morning by four men to rob the Monroe county bank. They drilled several holes in the vault and destroyed the time lock, but failed to get in. Just before they began work in the bank Sheriff J. P. Keyser, when going to his stable, in the rear of the bank, was pounced upon by the cracksmen, bound, robbed of \$60 and a gold watch, and then placed in the stable, where he was found this morning.

A Detective On Trial.

CHICAGO, Nov. 15.—Edward Dix, a private detective, who shot and killed Frank White in a carriage last night, said today that under orders from his superintendent Chas. McDonald, he must decline to say more than that he thought the man that was shot was Clarence White, who has been sought for for months under charge of burglarizing the residence Norman S. Ream. The case promises to be a celebrated one, as it is asserted that in no state but Illinois, are private detectives allowed to make arrests without warrants.

Pacific Coast Missionaries.

DENVER, Nov. 15.—The missionary committee of the Methodist church devoted the forenoon session of today to apportioning the \$1,000,000 appropriated yesterday for missions and the work was unfinished when a recess was taken. The Columbia river conference was allowed \$5,045, with \$500 additional for the Nez Perez reservation, Oregon \$2,700.

NEW YORK GOLD GOES

But Creates No Impression on Finance.

HE EMBZZLED COUNTY MONEY.

An Ohio Treasurer Gets a Heavy Sentence.

NEW YORK, Nov. 15.—In exchange circles conflicting are the opinions expressed as to the probability of engagements of gold for shipment tomorrow, in addition to the \$2,250,000 already reported. Some stress is laid on the fact that the Werra, regarded as the gold boat, does not sail till 4 o'clock tomorrow afternoon, which would permit of the execution of new orders on that day. Engagements actually made have had no perceptible influence upon the exchange market, which is reported as strong, though without quotable change in rates.

A Triple Killing.

PHOENIXVILLE, Pa., Nov. 15.—Thomas Etwin today cut the throats of his two children, aged 4 and 6 years, with a razor and then attempted to commit suicide in same manner. The children died almost instantly and there is but little hope of the father's recovery. Domestic troubles caused the tragedy.

Got County Funds.

IRONTON, O., Nov. 15.—Ex-Treasurer Mandeville Greenleaf, of Lawrence county, was today to five years' imprisonment in the Ohio penitentiary and to pay a fine of \$11,000, having pleaded guilty of embezzlement of county funds.

Convention Appointment.

No Arrests.

There has not been an arrest in Salem for a week of a tramp or a drunk. That shows well for our police force.

The Insurance Reserve fund is \$150,000, and other liabilities amounting to \$1,000, making a total of \$151,000. The total estimated assets are placed this afternoon at \$346,000.

STATE INSURANCE POLICIES.

A Word From Mr. Giltner as to Their Value. The policy holders are advised not to sacrifice their policies by delivering them to other agents, or placing their risks elsewhere, until the receiver can determine the exact condition of the State Insurance company and adopt ways and means to protect the policy holders to the fullest extent possible with the assets of the company.

Negotiations are now going on with one of the largest companies in the United States, with a view to protecting policy holders of the State Insurance company upon very favorable terms. EDMUND C. GILTNER.
