Will Not Perform Miracles But It Will Cure.

DR. MILES' RESTORATIVE NERVINE cures nervous prostration. Not miraculously, but scientifically, by first removing the germs of disease, and then supplying healthy nerve food, increasing the appetite, helping digestion and strengthening the entire system. Desperate cases require prolonged treatment as shown by that of Mrs. M. B. Reed, of Delta, Iowa, who writes: "As the result of a lightning stroke, the physician said I had a light stroke of paralysis, my limbs would all draw up. I would have throbbings in my chest that seemed unendurable. For three months I could not sleep and for three weeks did not close my eyes. I prayed for sleep, and felt that if relief did not come I would be dead or insane. I took Dr. Miles' Restorative Nervine and the second night slept two hours and from that time on my health improved; slowly at first, but steadily and surely. I took in all 40 bottles, and I cannot express how grateful I am, for I am now perfectly well, and have taken no medicine for over four months." Dr. Miles' Restorative Nervine is sold by druggists on guarantee that first bottle benefits or money refunded. Book on heart and nerves free. Dr. Miles Medical Co., Elkhart, Ind.
