Cleveland's Jingoism is Severely
Denounced.

Serious Business Men Make Their
Influence Felt.

NEW YORK, Dec. 21.—The market opened very heavy and panicky. Serious losses from yesterday's closing figures were shown in first sales. At 10:30 the market had rallied sharply. The improvement was largely due to the cable dispatches denying that the Rothschilds had decided to withdraw \$25,000,000 from their American correspondence and that other London bankers were about to take action looking to withdrawal of large sums from this financial center.

LONDON PANICKY.
LONDON, Dec. 21.—Public attention here is almost entirely diverted from the political to the financial aspect of the Venezuelan situation. A manager of a house, whose influence is felt by every financial transaction, remarked: "If European investors take everything seriously, there is no knowing where the decline will stop, but the outlook is somewhat more favorable today. After all, merchants and bankers must make their influence felt, and we have indications that the really serious business men of America are anxious to undo the harm the jingoes have done."

The stock exchange opened with a tendency to panic.
All classes of securities were freely offered. Foreign government securities were heavy and the American market quite disorganized.

EUROPEAN OPINION.
LONDON, Dec. 21.—The Standard's financial article says: "It is rumored the Rothschilds have decided to immediately withdraw £5,000,000 from America. Whether this is true or not the gravity of the situation is undisputed. Nobody fears war, but it is questioned whether the United States will be able to maintain the gold standard, and whether the silver party will not become supreme and gold be driven to a heavy premium. President Cleveland's action has shattered all faith in the financial future of America."

The Daily News' financial article gives as its opinion that a European loan, to replenish the United States treasury, is an impossibility at present.

A NEW YORK SPECIAL.
NEW YORK, Dec. 21.—The Evening Post's London financial cablegram says:

"There was a severe panic in the stock exchange here Friday. All American securities, shares and bonds alike, are practically unsaleable here. The panic was not based so much on politics or a war scare as on a predicted financial crisis in America. Five million dollars more gold are to be engaged for shipment from New York today, making \$10,000,000 in all, but this is not absolutely confirmed. It is, however, only a question of time when the gold will go. The decline in console was not on investors' selling but on bear selling. In Americans, on the contrary, the rush of genuine holders was enormous, the stock received by the tone of the president's message, and still more by its acceptance by the house of Representatives being one of the severest experienced here. Other markets were flat in sympathy with the small business. It is rumored that \$3,000,000 have been engaged by the Rothschilds for shipment from America. I cannot confirm this, but the report comes from a good quarter. Prices closed a fraction above worse."

THE FRENCH BOURSE.
PARIS, Dec. 21.—The bourse was flat out of sympathy, and for the reasons cabled yesterday.

THE GERMAN MARKETS.
BERLIN, Dec. 21.—The markets were weak, but were the steadiest of the European markets.

MEETING OF FINANCIERS.
NEW YORK, Dec. 21.—A dispatch to a local paper from London says: "Grave but inevitable consequences of President Cleveland's message on the British-Venezuela dispute have arisen, perhaps sooner than might have been expected. A meeting of financial leaders who have important interests in the United States, was held in a London banking office for the purpose of considering the advisability of united action in calling in the American credits. It is undoubtedly within the power of English capitalists, by such a combined movement, to deal America a blow which would be terribly embarrassing and disastrous. It would, however, prove, to a certain extent, a boomerang, and this view had its influence on the majority of those who attended today's meeting. The conference was private, and it was intended even that the fact that it took place should not be allowed to be made public."

CHICAGO TRADE.
CHICAGO, Dec. 21.—Wall street conditions again for a time today dominated the local grain market, wheat going down steadily to 56¢. At these figures there was a good rally on buying by Partridge, Armour, Cudahy and other big dealers, and the price reacted to 57¢.

FOREIGN MARKETS.
LONDON, Dec. 21.—Glasgow and Manchester stock markets were much quieter in tone and had a hardening tendency.

AT WASHINGTON.
WASHINGTON, Dec. 21.—The ways and means committee held a brief meeting after the session of the house and formally organized.

The president's financial message was not considered nor was the adjournment resolution, which had also been referred to the committee. Adjournment was taken until Monday at 11 o'clock, meantime the republican leaders will confer upon the situation.

THE BILL SIGNED.
WASHINGTON, Dec. 21.—The president signed the Venezuelan commission resolution this afternoon.

COPPING CONFIRMED.
The senate in executive session today confirmed Colonel J. J. Coppinger as brigadier-general; John L. Peak, of Missouri, minister to Switzerland.

SEVERAL FAILURES.
PHILADELPHIA, Dec. 21.—The old banking and brokerage firm of L. H. Taylor & Co., doing extensive business, failed today.

NEW YORK, Dec. 21.—H. R. Burras & Co., traders in stocks, have just announced their suspension. It is not believed the failure is very serious.

NEW YORK, Dec. 21.—Harsh Bros. have announced their suspension on stock exchange.

Speaker Reed's Committees.
WASHINGTON, Dec. 20.—Speaker Reed today announced his committees. Hermann, of Oregon, is retained on rivers and harbors, but Hooker, of New York, is made chairman. Hitt, of Illinois, is chairman on foreign affairs. Dingley, of Maine, is chairman on the ways and means.

Xmas Football.
By an agreement reached this morning by telegram between the managers of the Willamette university and Portland university football teams, no game will be played at Salem or Portland, Xmas between the two teams. However the Y. M. C. A. and Chemawa Indian school teams will contest for honors at Chemawa this afternoon. The Salem teams went down on the 2:30 local this afternoon expecting to return on the Salem local this evening. Last Saturday the local team defeated the Indian boys with a score of 16 to 4. Today's game promises to be even more exciting than that of last Saturday.

THE MYSTERY SOLVED.
Body of John Elting Found in Mill Creek.

The mysterious disappearance of John Elting, for whom Mill creek was dragged last Sunday without success, has been found. His remains are lying in the undertaker's morgue.

A BODY FOUND.
At about 8:30 this morning, as a JOURNAL reporter was crossing the Bush bridge, on South Church street, the body of a man was discovered lying face downward in the willows, just above the bridge, in the south channel of the stream, with his overcoat over his head. He was dressed in a dark suit and wore a pair of rubber boots. His hat was gone. The coroner was notified and at 10:30 o'clock the body of the drowned man was removed from the water and taken to the office of Coroner A. M. Clough, where a large crowd soon gathered. Upon examination it was found that the head and face bore only slight bruises, swelling, doubtless, to the fact that his overcoat being over his face afforded him protection from the stones and snags in the stream. The body is that of a man, short, thick-set, with dark hair and mustache and heavy eyebrows, and there seemed little doubt that it was the body of the man John Elting, who disappeared last Saturday afternoon, and of whom there has been no news since. His wife and daughter, Mrs. J. C. Sones, were immediately notified of the finding of the body.

THE CORONER'S INQUEST.
At 1:30 p. m. Coroner Clough impaled a jury to conduct an inquest on his remains.

Geo. Hunter, Wells Latourette, policeman, Emer White, W. J. Culver, Henry Wenderoth, Dr. S. R. Jessup, Willie Lord and others all testified to the facts as above stated. He was seen Saturday night on his way home, and to cross Mill creek on a foot-bridge which it is thought he fell off. The jury was composed of J. C. Pickett, Jas. Batchelor, W. W. Hepburn, E. C. Smith, C. M. Parkmaster and H. M. Vanavary.

NECK DISLOCATED.
Dr. Jessup stated on the stand that there was no evidence of foul play or violence. His neck was dislocated and he undoubtedly fell quite a distance off a bridge, striking on his head and completely separating the vertebrate column just below the skull. Mr. Hunter's evidence showed that he probably stepped off the end of a walk in crossing one of the bridges on his way home in the dark. The foot-bridge west of the railroad is a private one and quite dangerous at night.

ELTING'S FAMILY.
His family consists of a wife and one child, L. H., aged 10 years. A married daughter, Mrs. J. C. Sones, lives on Twelfth street. The bereaved wife is staying with her daughter. THE JOURNAL reporter called at the house this afternoon but Mrs. Elting was absent and it could only be ascertained that the drowned man was about 30 years of age, a native of Germany and belonged to the Catholic church. The family have lived in Salem about two years.

JURY VERDICT.
The verdict of the jury was that the deceased was John Elting, and that he came to his death by dislocation of the neck, caused by an accidental fall; time and place unknown.

Hospital Board Meets.
The board of control of the Salem hospital met yesterday afternoon, and was presided over by Mrs. J. J. Murphy, president. Reports of committees relative to furnishing the hospital and employing help were heard. Miss Mills, a deaconess, explained her connection with hospital work by virtue of her belonging to the order of Deaconesses. The explanation was in view of the possibility of her being engaged as superintendent of the hospital. The committee on this matter will report to the board at a special meeting to be held at Dr. J. N. Smith's office next Monday evening. A finance committee, consisting of H. T. Bruce, A. N. Bush, and Frank Davey was appointed to audit bills. The committee on subscriptions were requested to make collections as soon as possible, and F. E. Hodgkin and Frank Davey were appointed to have printed and distributed a circular requesting an offering of necessary articles for the hospital.

ELECTRIC LITIGATION.
One Salem Company Demands Judgment for \$75,000.

The Salem Light and Power company is plaintiff in an action for money instituted in the Marion county circuit court against the Salem Consolidated Street Railway company. The complaint, now on file with the county clerk, sets forth the following allegations:

That the plaintiff is a corporation duly organized under the laws of Oregon, likewise the defendant; that on March 1, 1893, for the consideration of certain properties by the plaintiff, sold and delivered to the defendant, the defendant executed and delivered to the plaintiff, by its president and secretary, its promissory note whereby it promised to pay to the plaintiff on or before March 1, 1894, the sum of \$110,505.18 with interest from date until paid at 7 per cent per annum, interest paid semi-annually at banking house of the Northwest Loan and Trust company, Portland; that on May 12, 1893, plaintiff indorsed as a credit thereon on account, and for payment by the defendant made on account thereof, made on said date, the sum of \$30,794.80, but otherwise no payments have been made upon the note, either principal or interest, and there is yet due the sum of \$75,558.78 with the interest at the rate heretofore mentioned from May 12, 1893, for which sum, and \$1,000 attorneys' fees, judgment is demanded.

It is a suit brought by the Electric Light and Power Co., to get its claim on record and follows a suit begun by E. P. McCormack as trustee for foreclosure of a second mortgage on the property.

Congress Adjourns.
WASHINGTON, Dec. 20.—At 12:55 p. m. the house of representative adjourned until Monday. At 1:45 p. m. the senate adjourned until Tuesday without doing anything important.

Mrs. Rev. Kershaw Dead.
Rev. A. Kershaw received a telegram Friday afternoon, announcing the death of his wife, Mrs. Mary Kershaw, at Jerome, Appanoose county, Iowa, where she has been visiting with her parents. She left Portland September 24, where she went with her husband to attend conference. For two years and a half she has been an invalid but her death was not expected. She was about 46 years old and leaves a son ten years old, who was with her. Mr. Kershaw went to Portland this afternoon and leaves tonight over the Union Pacific. Her last letter received by her husband was very affecting, saying "these are my last lines. Care for little Paul." Mrs. Kershaw lived with her husband two years and at Silverton one year, where she made many warm friends. It will be a very sad Christmas for Mr. Kershaw, as he has lost the greatest treasure on earth for a man in his work—a noble Christian companion.

GOES RIGHT ON.
Some talk has been going on of late concerning the closing out of the Salem Woolen Mill store, but those in authority inform us the store will be continued right on as in the past. The management have decided to have a grand clearance sale to continue until January 11, '96.

Clothing and furnishing goods will be sold at prices that were never before heard of in the Willamette valley. Don't let such an opportunity to get good all wool goods go by without investigating.

Remember buy your candy at The Spa where you can get it fresh and home-made.
