Smith, outside sentinel; Mrs. Walter Denton, musician; Mrs. L. L. Sprague, manager for 18 months; Dr. D. F. Lane, physician.

**ITS NINTH ANNIVERSARY.**  
The Y. P. S. C. E. of the First Presbyterian church celebrated its ninth anniversary at the church Friday evening in an appropriate manner. Vice President Fred Lockley stated the object of the meeting in a few remarks after which Miss Kelly sang a beautiful solo. Letters were then read from former presidents of the society. B. B. Barker, Henry Grod, of Chicago; and Mrs. H. A. Newell, of Los Angeles, each contributed excellent letters. Miss Anna McNary read a paper on the organization and progress of the society and Rev. A. L. Hutchison spoke of the work that had been, and could be, accomplished. Cake and cocoa were served in the lecture room of the church where the program for the evening was completed. Mr. W. S. Cole and Miss Kelly sang a duet very nicely while the selection was highly pleased with the selection of Messrs. Cole, Cawkins, Raymond and Hutchison. Mrs. McDowell sang a beautiful selection, bringing to a close a successful event.

**SURPRISE PARTY.**  
About 40 of the friends of Miss Ermine Carey agreeably surprised that young lady at her home, corner State and Fourteenth streets, Wednesday evening. The party of young folks assembled at Miss Grace Long's and then proceeded en masse to the home of Miss Carey, who was taken by surprise.

The evening passed away very rapidly, and it was not until an early hour that the young folks departed for their homes. Games and social converse was the order of the evening, which was only interrupted by the serving of a delicious lunch, at the proper time. Miss Grace Long planned the party and issued the invitations. Those present were:  
Misses Ermine Carey, Grace Long, Minta Guiss, Lydia Muelhaupt, La Blanche Kantner, Gertrude Stahley, Jessie Smith, D. Gans, Lulu McGhee, Lucia Cochran, Bonnie Gans, Lelo Nicklin, Bessie Johnson, Nellie Brown, Minnie Winters, Mattie, Maud and Zulu Hunter, and Messrs. George Beatty, Bert Adams, George Callison, Henry Wiprut, Roy Damon, John Cochran, Richard Williams, Carl Nicklin, Ernest Wilson, Chas. Winters, Clyde Brandenburg, Jay McCormick, Bert Long, Rt. Guiss, Rockwell Carey and John Van Wagner.

**A BIG SUCCESS.**  
The charity social given by the Men's League of the First Presbyterian church Monday evening, was a grand success. Enough tables and clothing were contributed by the charitably disposed people of Salem to keep many a family of limited means comfortable this winter. The contributions consisted of vegetables, canned fruits, clothing of all sorts and some wood. Those not bringing cabbages or clothing dropped their mite in the collection plate at the door from which quite a sum was realized. The cash and the contributions were taken possession of by the deacon's committee and will be distributed among the needy poor of the city. A most excellent musical and literary program was rendered commencing about 8 o'clock. The excellence of the entertainment was manifested by the audience, each number on the program being heartily enjoyed. A large number were disappointed in the absence of Prof. Winkler who was to execute a piano solo. The program was as follows:  
Mandolin and Guitar duet, Messrs. Hellenbrand and Payne.  
Selection—Presbyterian quartet, Messdames Wiggins and McDowell, Messrs. Cole and Wiggins.  
Recitation—Basil Wagner.  
Solo, with guitar accompaniment—Mrs. F. A. Wiggins.  
Selection—Congregational quartet—Misses Lona White and Meta Davis, Messrs. J. O. Bozorth and H. G. Kundert.  
Recitation—Miss Helen Matthews.

**NEW YEAR'S CONCERT AND RECEPTION.**  
It was demonstrated on New Year's day that the members of the Young Men's Christian Association has friends interested in their endeavors and attainments, for during their hours for receiving the association rooms were densely crowded with both lady and gentlemen friends, though it is probable that the latter predominated; and rightly so, for the reception was mainly for the ladies. The fact that the day marked the commencement of a new year, led the gentlemen to take matters in their own hands, and arrange for receiving in the same manner as do the ladies. They certainly achieved great success in their undertaking to demonstrate their ability to conduct such an affair in an approved method; and their ability as decorators was most marked—their preparations in that respect culminating in an exceedingly pleasing effect. Everywhere was displayed good-natured tokens of the membership contest now in progress, and the representative colors were conspicuous. Excellent music secured added to the enjoyment, an orchestra comprising six of our best musicians being present. On each side of the long gymnasium were booths containing refreshments and presided over by young men, those on one side being relegated to the "reds," and the other to the "yellows." Coffee and cake were served with a dexterity and dispatch not excelled by any lady waitresses. Jollity and good humor were rife, and the hours passed rapidly.

At 8 o'clock many of those present, as well as others, gathered at the opera house, which was also decorated with the rival colors, to hear the concert given by the Arment Concert company, it being the fourth entertainment in their star course. A long and interesting musical program was rendered, probably the most pleasing numbers being those of Carl Higgins, a violinist of unusual and evident ability. His rendition of "The Mocking Bird" was superb, and showed him to be the master of his instrument, and possessed of sympathy with the nature of the music. Each number received hearty and persistent encores, and even second encores, which were without exception generously responded to.

New Year's day was distinctively a Y. M. C. A. day. If the ladies would continue in their enthusiasm to the extent of becoming members of the Ladies' Auxiliary, the membership fee of which is but \$1, they would be of valuable assistance, and membership contests would be unnecessary to maintain a prosperous condition of the association here.

**HUGE PETITION.**  
Thousands of Mothers Would Sign.  
Every Little Village and Small Town.  
Multitudes of Homes in the Great Cities.  
To Be Represented on Enormous Rolls.  
People With World-Wide Reputations Lead the Way.  
Great Work of Paine's Celery Compound.  
A Blessing to Every Household in the Land.

If another huge petition, like the famous one now going around the world on quite another mission, were to be signed by all the men, women and children who have been cured of disease or saved from a weak, nervous condition by Paine's celery compound, it would take a stout conveyance to carry the enormous document from city to city.

Such a growing testimonial would receive additions from every tiny village and small town, not to mention the cities, on its journey across the United States.

It would be signed by thousands of women no longer tortured by sleeplessness, pains in the back and sides, continual headaches, neuralgia, dyspepsia and Bright's disease.

There would be fully as many men who had been permanently cured of kidney and liver diseases and rescued from chronic bad health by means of this great invigorator.

A vast number of children would be represented to testify to the ability of Paine's celery compound to restore a healthy appetite, to take away that constant tired feeling and to purify the blood of harmful humors.

The number of testimonials for Paine's celery compound from men and women of high standing in every state in the Union that have already been published, would fill a large volume. These testimonials have been written without solicitation. They have been published verbatim as they were received.

Necessarily the testimonials that have publicly appeared have been but one or two, here and there, taken almost at random from an enormously large number that every day and every week steadily increases.

Besides, it is to be remembered that not one tithe of all the magnificent cures fairly due to Paine's celery compound ever got beyond the knowledge of the immediate family; that, in fact, few people have any appreciation of the number of families throughout the United States where Paine's celery compound is kept constantly on hand and is being taken or has been taken by some one of its members.

Paine's celery compound has already done an enormous work. It has saved lives. It has saved health. It has saved homes.

But its work is the greatest nerve and brain strengthener and restorer the world has known, is only well started.

It is not beyond the reach of the most modest household, while a much greater expenditure will procure nothing else so effective.

Paine's celery compound, the remedy that makes people well, is within reach of all!

**Ministers Should Use Dr. Miles' Heart Cure.**

**THERE IS NO PROFESSION,** whose labors so severely tax the nervous system, as that of the ministry. The derangement of the nerve centers of the brain by over work frequently brings on attacks of heart trouble, and nervous prostration. Rev. J. P. Koster, M. D., Pastor U. B. church, London Mills, Ill., himself a physician, writes Feb. 20, 1895: "Heart affection and nervous prostration had become so serious last fall that a little over work in the pulpit would so completely prostrate me that it seemed certain I must relinquish the work of the ministry entirely. Heart palpitation became so bad that my auditors would ask me if I did not have heart disease. Last November I commenced taking Dr. Miles' New Heart Cure alternately with Dr. Miles' Nerve and Brain Tonic, and derived the greatest possible benefit. I have just closed revival work of 10 weeks, preaching nearly every night and twice on the Sabbath. I can speak for hours without suffering as I formerly did. Hard working ministers should keep Dr. Miles' grand remedies on hand." Dr. Miles' Heart Cure is sold on guarantee, the bottle will benefit or money refunded.

**The Salem Woolen Mills Store.**  
The clothing business in Salem during the past year has, in a general way, had its rough sailing. But the Woolen Mills Store has stood like Gibraltar and sold the most and best goods. It's home-made and all-wool goods, coupled with square dealing, has done that business, and the intention of the managers is to put in a large stock the coming season at prices that will correspond with small incomes, and at the same time the standard of these popular goods will be fully kept up, and its many friends and patrons can rely in the future on getting reliable goods, the same as in the past.
