 THE ECONOMY PLANK.

Adopted by the Last Republican State Convention.
 The plank reads as follows:
 "In our state of affairs we demand closest scrutiny and economy in expenditures. We condemn the prodigality and excess of past legislatures, and call upon the next legislative assembly to keep all appropriations within the limits of the most economical administration consistent with efficiency. The officers of the administrative department of the state have become too expensive, and their expenses must be reduced. When the constitution fixes the salary, only the constitutional salary should be paid, without additional emoluments. The practice of employing unnecessary clerks and of paying fees in excess of just payment for services needed or rendered, has become an abuse that must be cut off, and we pledge the Republican party to the prosecution and accomplishment of this reform. District attorneys and other officials should be paid fixed salaries, since payment of fees encourages litigation and entails upon the taxpayers heavy and needless expense."

WHO IS BANCROFT.
 Who is Senator Bancroft, the Portland ringster who is engineering the special session of the legislature for the benefit of the dear people of Oregon?
 Bancroft is general rustler for the Southern Pacific Railway, the Union Pacific Railway, etc. The economy bluff that is worked by him and his gang is to save the rotter railroad commission and not to abolish it.
 He is the mouth piece of the corporation ring.
 He represents nothing but corporation bread and butter for the gang and robbery and oppression of the people.
 Haven't the people of Oregon had enough of this sort of thing in the move of Republicans?
 O, do they want to be burdened with more of this thing?

DIVIDE UP THE ABUSE, GENTLEMEN.
 It is easy to abuse the legislature. But it cannot do all the reforming. Something is expected of the departments of the state government that conduct public business 365 days in the year, while the legislature sits 40 days. The supreme court itself owes it to the people to cut down its extravagances. It is as much a creature of the people as the legislature. Has anyone heard of its economizing one cent or proposing a reduction of any of its high-priced servants. The Oregonian abuses the governor for taking a high salary, but it never says a word about a mere clerk of the executive getting about \$2500 a year and \$10 a month for merely making out the electric light bills. It would be cruel to ask, is it because he is a nephew of Harvey Scott?

A LITTLE CALCIUM LIGHT.

The people of Oregon cannot begin their campaign for reform bills in the next legislature too soon or too earnestly, if they hope to get rid of any commissions or extravagance at the hands of the next legislature.—CAPITAL JOURNAL.
 We believe the editor of THE JOURNAL has had some experience with the Oregon legislative mule, and of course, he knows it to be a most stiff-necked and leather-headed animal. We do not know whose fault it was. Perhaps Col. Hofer can throw a calcium light on the subject from the stand point of his intimate personal association with that body.—Independence Enterprise.
 One of the first things that need be done if any reform is desired is to leave such men as Col. Hofer out of the legislature. The Democrats have no share in the responsibility for either good or bad in the last session, as they had not a single member in the house and only eight of the thirty senators. Some say that the last legislature was a howling mob of Republicans with a sprinkling of Populists, of which the editor of the JOURNAL tried to be the leader. The editor of that paper should lose no time in commencing the reform movement on himself.—Portland Dispatch.
 The Portland Dispatch is run by one Tony Noltner, an alleged Democrat, but really a tool of the old Portland ring, who was kept at Salem all last winter to keep a few Democrats in line for the Dolph managers. Penoyer appointed Noltner a regent of a state normal school, because he thought it would put him where "he could not steal anything. But he surmounted all the obstacles. Noltner could plunder even an educational institution. By some hocus-pocus he got his whole winter's hotel and whiskey bill allowed by the auditing board of the normal school. Instead of paying his bill he drew the warrant from the state treasury and put it in his pocket, leaving the Salem landlord to whistle for his winter's board. He is still whistling, and Noltner will see to it that he continues to whistle. A great deal more calcium light could be turned on Noltner if he were not such a dead and stinking political carrion that it would be a waste of time.

YAMHILL COUNTY.
 The people of Yamhill county are groaning beneath high taxes. Yet the bank ring and the county set ring are trying to carry the county for the goldbugs and anti-Mitchell men.
 They will do it unless the farmers and anti-ring men are aroused and organize at the primaries to down the tools of the Portland ring.
 The holdover senator from that county was one of the most faithful servants of the old corporation gang from Portland. The states from old Yamhill are being made up at Portland as usual, unless the people put a stop to it.

CREATE A NEW OFFICE.
 Create the office of state auditor. The state needs a state auditor. That is the daily howl of the Daily Statesman.
 The state needs a few more officials. The people are lying awake nights praying for more new offices.
 By all means give us more new offices. There is not enough to go around.
 T. L. Dugger, of the Seio Press, is one of the best people's party editorial writers in Oregon. He has more ability and intelligence than a great many so-called Populist leaders who are making a great noise in the state. Mr. Dugger was a Union soldier and is a sound money Populist if there is such a thing.

WHY IT CIRCULATES
 Phenomenal Demand for a Weekly Newspaper.

IT ADVOCATES POPULAR MEASURES
 Characteristic Letters From All Kinds of People.

The phenomenal circulation of the WEEKLY CAPITAL JOURNAL in all the postoffices of Western Oregon causes a great deal of comment, and needs some explanation. Orders keep pouring in by every mail, and while names are struck off the list as soon as a subscription expires the additions surpass the expirations.

IT IS THE CHEAPEST
 Weekly in the state. One year \$1.00, six months 50 cents, three months 25 cents. At this low price all can afford to use an Oregon Weekly, and these hard times they naturally take the cheapest. It is too cheap to do without it, and conducted on the cash in advance basis, they know they will not have a bill run on them.

THE PEOPLE WANT IT.
 The people will not pay cash in advance for a paper unless they want it and appreciate it. THE WEEKLY is as popular as THE ONE CENT DAILY which is conceded to be the most popular daily in Western Oregon. A man brought in a silver half dollar the other day and ordered it for two months. He said: "I can't get work this winter. I can get along without one meal a day. But I can't get along without THE ONE CENT DAILY. These long, cloudy, rainy, winter days it comes a welcome messenger to the whole family." The people feel the same way about the WEEKLY.

FROM NETARTS BAY.
 comes a cheering letter from a subscriber at Netarts, Oregon who encloses a dollar and writes:
 "DEAR EDITORS: THE JOURNAL has the true Republican ring about it. I wish that every paper in the country would advocate the peoples cause as THE JOURNAL does. I will do all I can for THE JOURNAL."
W. C. O'HARA.
 A Republican of the school of Abraham Lincoln.

Mr. O'Hara is not afraid to sign himself an Abraham Lincoln Republican and THE JOURNAL feels proud to be considered a champion of Abraham Lincoln Republicanism.

FROM MAINE TO TEXAS.
 Come orders for THE \$1 WEEKLY JOURNAL. Silver dollars are sent. John Holm, Luling, Texas, sends us a big dollar of the daddy in a common envelope. It is one of those "In God We Trust" dollars, coined in 1880, good enough for any American, and good enough for any newspaper. THE JOURNAL is the only silver Daily and Weekly in Oregon. THE JOURNAL is the only Daily and Weekly in Oregon that fights the whole gold bond humbug and stands for the right of the American people to buy their bonds. It demands Republican legislation for the American people instead of for the corporation, the trusts, the bondholders and syndicates.

ORDER THE JOURNAL.
 Circulate the DAILY and WEEKLY. Stand by the cause of good government for the masses and sound American principles. We will pay extra postage on silver. Don't send stamps.

Hood's is Wonderful.
 No less wonderful are the cures accomplished by Hood's Sarsaparilla, even after other preparations and physicians' prescriptions have failed. The reason, however, is simple. When the blood is enriched and purified, disease disappears and good health returns, and Hood's Sarsaparilla is the one true blood purifier.

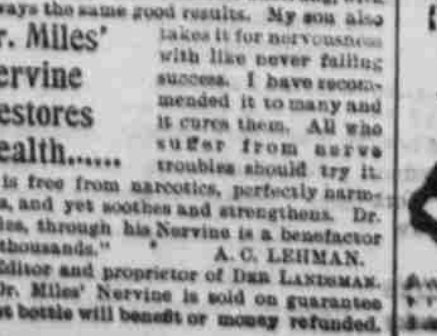

Hood's pills are prompt and efficient and do not purge, pain or gripe, 25 cents.
 Seio has organized a brass band, and wants a creamery and a Populist club. Nothing is too good for classic Seio.

"DR. MILES,
 Through His Nervine is a Benefactor to Thousands."

A WIDELY known Wisconsin publisher, who resides at Green Bay, writes March 6th, 1895, as follows:
 "Five years ago I became so nervous that mental work was a burden. I could not rest at night on account of sleeplessness. My attention was called to Dr. Miles' Restorative Nervine, and I commenced to use it with the very best effect. Since then I have kept a bottle in my house and use it whenever my nerves become unstrung, with always the same good results. My son also takes it for nervousness, and like me, has had the most successful success. I have recommended it to many and it cures them. All who suffer from nerve troubles should try it. It is free from narcotics, perfectly harmless, and yet soothes and strengthens. Dr. Miles' Nervine is a benefactor to thousands."
 Editor and proprietor of DEN LARKINMAN.
 Dr. Miles' Nervine is sold on guarantee. One bottle will benefit or money refunded.

GLANCE AT THIS MAP.
 Of the Chicago, Milwaukee and St. Paul Railway and note its connection with all transcontinental lines at St. Paul and Chicago, and remember when going east that its trains are lighted with electricity and heated by steam. Its equipment is superb, elegantly furnished with free smoking chairs. Each sleeping car berth has an electric reading lamp, and its dining cars are the best in the world. Other lines are longer than this, but ours are shorter, and no other offers the above luxurious accommodations. These are sufficient reasons for the popularity of "The Milwaukee."
