

### Nervous

Sleepless, no appetite and very much run down, was the condition of my husband. Since taking Hood's Sarsaparilla he has wonderfully improved, and he now eats and sleeps well; in fact, he is all right.

### Hood's Sarsaparilla

We esteem very highly, Mrs. MARY CONRIGAN, 1040 Cedar St., Pueblo, Colorado. Hood's Pills cure all liver, bile, kidney, headache, etc.

### HARD TIMES FACTS.

GOOD READING FOR THE FAMILY CIRCLE.

Every reader of THE JOURNAL should look up the list of premiums given absolutely free with this paper. The WEEKLY JOURNAL at \$1 a year is the cheapest paper on the Pacific coast, yet with it we give yearly subscriptions to any of the following valuable publications, each known to the world as a standard in its field:

- The Toledo Blade,
- The Queen of Fashions,
- Womankind,
- The Farm News,
- The Child Garden.

These valuable publications are each worth a \$1 a year, yet we give you your choice, one year free, for a \$1.50 subscription to THE JOURNAL, either the DAILY for six months or the WEEKLY for eighteen months. See the list, and don't neglect to profit by it.

Don't be deceived into paying for so-called premiums offered with high priced papers at a slight advance. Remember THE JOURNAL is the cheapest newspaper on the Pacific coast, and it gives you high grade premiums without additional charge.

If Governor Lord calls a special session he should demand a reduction in the expenses of the supreme and circuit courts, the state law library and district attorneys. The fact is Oregon is an awfully lawyer ridden state. They cost the state more than its insane and come in for little or no criticism because the newspapers all more or less depend upon legal advertisements for an existence. Governor Lord is a lawyer himself and he knows that what we say is true.

The non-partisan election commission created last winter for San Francisco is knocked out in the courts. The new California primary election law is also declared invalid by a lower court. The courts seem to be the bulwark of political corruption in that state.

The Statesman says throw Geo. Steel overboard as chairman of the State Central committee. Steel was postmaster at Portland, Dolph's manager at Salem last winter and one of the Old Ring managers. The Statesman has a man of its own for the place.

For a reform party, the Populist party in Oregon begins with a terrible struggle for control of the organization. It is highly complimentary to the Republican party that the final element will have nothing to do with it.

The Herald of Albany brings out S. E. Young of that city for representative. He is a drygoods merchant. The only question the people should ask, is, will he represent the people or the machine?

The fight that is on in the populist party seems to be the same question that all parties have to deal with—shall men actuated by principle or men actuated by self be placed in control.

The Common People. As Abraham Lincoln called them, do not care to argue about their ailments. What they want is a medicine that will cure them. The simple, honest statement, "I know that Hood's Sarsaparilla cured me," is the best argument in favor of this medicine, and this is what many thousands voluntarily say. Hood's Pills are the best after-dinner pills, assist digestion, cure headache. 25 cents.

## WHY IT CIRCULATES

Phenomenal Demand for a Weekly Newspaper.

IT ADVOCATES POPULAR MEASURES

Characteristic Letters From All Kinds of People.

The phenomenal circulation of the WEEKLY CAPITAL JOURNAL in all the postoffices of Western Oregon causes a great deal of comment, and needs some explanation. Orders keep pouring in by every mail, and while names are struck off the list as soon as a subscription expires the additions surpass the expirations.

IT IS THE CHEAPEST Weekly in the state. One year \$1.00, six months 50 cents, three months 25 cents. At this low price all can afford to take an Oregon Weekly, and these hard times they naturally take the cheapest. It is too cheap to do without it, and conducted on the cash in advance basis, they know they will not have a bill run on them.

THE PEOPLE WANT IT. The people will not pay cash in advance for a paper unless they want it and appreciate it. THE WEEKLY is as popular as THE ONE CENT DAILY which is conceded to be the most popular daily in Western Oregon. A man brought in a silver half dollar the other day and ordered it for two months. He said: "I can't get work this winter. I can get along without one meal a day. But I can't get along without THE ONE CENT DAILY. These long, cloudy, rainy, winter days it comes a welcome messenger to cheer the whole family." The people feel the same way about the WEEKLY.

FROM NETARTS BAY. comes a cheering letter from a subscriber at Netarts, Oregon who encloses a dollar and writes:

"DEAR EDITORS: THE JOURNAL has the true Republican ring about it. I wish that every paper in the country would advocate the peoples cause as THE JOURNAL does. I will do all I can for THE JOURNAL."

W. C. O'HARA, A Republican of the school of Abraham Lincoln.

Mr. O'Hara is not afraid to sign himself an Abraham Lincoln Republican and THE JOURNAL feels proud to be considered a champion of Abraham Lincoln Republicanism.

FROM MAINE TO TEXAS. Come orders for THE \$1 WEEKLY JOURNAL. Silver dollars are sent. John Holm, Luling, Texas, sends us a big dollar of the daddy in a common envelope. It is one of those "In God We Trust," dollars, coined in 1893, good enough for any American, and good enough for any newspaper. THE JOURNAL is the only silver Daily and Weekly in Oregon. THE JOURNAL is the only Daily and Weekly in Oregon that fights the whole gold bond humbug and stands for the right of the American people to buy their bonds. It demands Republican legislation for the American people instead of for the corporation, the trusts, the bondholders and syndicates.

ORDER THE JOURNAL. Circulate the DAILY and WEEKLY. Stand by the cause of good government for the masses and sound American principles. We will pay extra postage on silver. Don't send stamps.

It will be a wonder if a congressman from Western Oregon shall in future have any influence whatever, if the ridicule of some of the prominent newspapers of Oregon can have any influence.

Children Cry for Pitcher's Castoria. "DR. MILES, Through His Nerveine Is a Benefactor to Thousands."

WIDELY known Wisconsin publisher, who resides at Green Bay, writes March 6th, 1896, as follows:

"Five years ago I became so nervous that mental work was a burden. I could not rest at night on account of sleeplessness. My attention was called to Dr. Miles' Restorative Nerveine, and I commenced to use it with the very best effect. Since then I have kept a bottle in my house and use it whenever my nerves become unstrung, with always the same good results. My son also takes it for nervousness with like never failing success. I have recommended it to many and it cures them. All who suffer from nerve troubles should try it. It is free from narcotics, perfectly harmless, and yet soothes and strengthens. Dr. Miles, through his Nerveine is a benefactor to thousands."

Editor and proprietor of DEN LASSERMAN. Dr. Miles' Nerveine is sold on guaranteed first bottle will benefit or money refunded.

# CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Chas. H. Pitcher* is on every wrapper.
