

The Cures

By Hood's Sarsaparilla are wonderful, but the explanation is simple. Hood's Sarsaparilla purifies, vitalizes and enriches the blood, and disease cannot resist its powerful curative powers. Read this: "My girl had hip disease when five years old. She was confined to her bed and for six or seven weeks the doctor applied weights to the affected limb. When she got up she was unable to walk, had lost all her strength and day by day she became thinner. I read of a cure of a similar case by Hood's Sarsaparilla, and decided to give it to Lillian. When she had taken one bottle it had effected so much good that I kept on giving it to her until she had taken three bottles. Her appetite was then excellent and she was well and strong. She has not used crutches for eight months and walks to school every day. I cannot say too much for Hood's Sarsaparilla."

Hood's Sarsaparilla
It is a splendid medicine and I would recommend it to any one." Mrs. G. A. LARSON, Oroville, California.

THE STATE ISSUE IN NEW YORK.

Legislative extravagance is not alone the issue in Oregon. Governor Morton's special message to the legislature, in which he urged the need of the strictest economy in the appropriations, will be endorsed by everyone as a very timely communication and it is hoped the law makers of that state will heed the injunctions therein contained better than the Oregon solons heeded Governor Lord. There is no doubt that every year large sums of the tax payers' money are appropriated for the benefit of certain restricted localities and the public pays the bills. Year after year bills are introduced to improve public buildings in a most extravagant and unnecessary manner and the money when obtained, while nominally used for the purpose directed, is made a political lever. It is well understood that more than one county sold its poor house and farm to the state last year for twice what it is worth and other counties are taxed to pay the bill while other counties will come forward with bills appropriating from fifty thousand dollars upwards for improvements on its Normal Schools or other state buildings. These appropriations are asked for every year and generally obtained when there isn't the slightest need of them. It is only a chronic habit that our legislators have fallen into to get all they can for their districts whether needed or not. That part of Governor Morton's message in which he says: "As guardians of the public interests and custodians of public funds, the paramount question should be, when considering the appropriation of the people's money, can this expenditure be deferred without injury to the public interests, until business shall have resumed its normal activity?" should be heeded. Those who do not show their desire to relieve taxation should be remembered and settled with at the polls when the opportunity offers.

HARD TIMES FACTS.

GOOD READING FOR THE FAMILY CIRCLE.

Every reader of THE JOURNAL should look up the list of premiums given absolutely free with this paper. THE WEEKLY JOURNAL at \$1 a year is the cheapest paper on the Pacific coast, yet with it we give yearly subscriptions to any of the following valuable publications, each known to the world as a standard in its field:

- The Toledo Blade,
- The Queen of Fashions,
- Womankind,
- The Farm News,
- The Child Garden.

These valuable publications are each worth a \$1 a year, yet we give you your choice, one year free, for a \$1.50 subscription to THE JOURNAL, either the DAILY for six months or the WEEKLY for eighteen months. See the list, and don't neglect to profit by it.

Don't be deceived into paying for so-called premiums offered with high priced papers at a slight advance. Remember THE JOURNAL is the cheapest newspaper on the Pacific coast, and it gives you high grade premiums without additional charge.

Children Cry for Pitcher's Castoria.

WHY IT CIRCULATES

Phenomenal Demand for a Weekly Newspaper.

IT ADVOCATES POPULAR MEASURES

Characteristic Letters From All Kinds of People.

The phenomenal circulation of the WEEKLY CAPITAL JOURNAL in all the postoffices of Western Oregon causes a great deal of comment, and needs some explanation. Orders keep pouring in by every mail, and while names are struck off the list as soon as a subscription expires the additions surpass the expirations.

IT IS THE CHEAPEST Weekly in the state. One year \$1.00, six months 50 cents, three months 25 cents. At this low price all can afford to take an Oregon Weekly, and these hard times they naturally take the cheapest. It is too cheap to do without it, and conducted on the cash in advance basis, they know they will not have a bill run on them.

THE PEOPLE WANT IT. The people will not pay cash in advance for a paper unless they want it and appreciate it. THE WEEKLY is as popular as THE ONE CENT DAILY which is conceded to be the most popular daily in Western Oregon. A man brought in a silver half dollar the other day and ordered it for two months. He said: "I can't get work this winter. I can get along without one meal a day. But I can't get along without THE ONE CENT DAILY. These long, cloudy, rainy, winter days it comes a welcome messenger to cheer the whole family." The people feel the same way about THE WEEKLY.

FROM SEASIDE BAY. Comes a cheering letter from a subscriber at Netarts, Oregon who encloses a dollar and writes: "DEAR EDITORS: THE JOURNAL has the true Republican ring about it. I wish that every paper in the country would advocate the peoples cause as THE JOURNAL does. I will do all I can for THE JOURNAL."

W. C. O'HARA, A Republican of the school of Abraham Lincoln.

Mr. O'Hara is not afraid to sign himself an Abraham Lincoln Republican and THE JOURNAL feels proud to be considered a champion of Abraham Lincoln Republicanism.

FROM MAINE TO TEXAS. Come orders for THE \$1 WEEKLY JOURNAL. Silver dollars are sent. John Holm, Luling, Texas, sends us a big dollar of the daddy in a common envelope. It is one of those "In God We Trust," dollars, coined in 1893, good enough for any American, and good enough for any newspaper. THE JOURNAL is the only silver Daily and Weekly in Oregon. THE JOURNAL is the only Daily and Weekly in Oregon that fights the whole gold bond humbug and stands for the right of the American people to buy their bonds. It demands Republican legislation for the American people instead of for the corporation, the trusts, the bondholders and syndicates.

ORDER THE JOURNAL. Circulate the DAILY and WEEKLY. Stand by the cause of good government for the masses and sound American principles. We will pay extra postage on silver. Don't send stamps.

A Valuable Prescription. Editor Morrison, of Worthington, Ind., "Sun," writes: "You have a valuable prescription in Electric Bitters, and I can cheerfully recommend it for Constipation and Sick Headache, and as a general system tonic it has no equal." Mrs. Annie Stehle, 2025 Cottage Grove, Ave., Chicago, was all run down, could not eat nor digest food, had a backache which never left her and felt tired and weary, but six bottles of Electric Bitters restored her health and renewed her strength. Prices 50 cents and \$1.00. Get a Bottle at Fred A. Legg's Drug Store.

MOTHERS, Do You Know

that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Dr. H. H. Pitcher* is on every wrapper.
