Hood's Sarsaparilla is often of great value in giving the strength so much desired.

A WOMAN'S LETTER.

Comparing the Quality of Sympathy, as Possessed by Men and Women.

She had been to the city. She had enjoyed herself very much, and was able and willing to tell about it when she got home.

Now, she wasn't from the country—the sure-though country—but from a smaller city of several thousand inhabitants, yet rather primitive in its ways.

She had visited large cities oftentimes before. She was only droll in her manner of recounting her experiences—not what is in slangy phraseology termed "green."

Said she, "The only time I felt that I had been obliged to pay more than the worth of a thing was when I paid 50 cents for the privilege of occupying one of those chicken roosts called a 'berth'."

Of course, we attended the play one night. It was "Camille," and oh! it was perfection. The costumes were beautiful, and so well cared for and fresh.

I don't see how they can be kept so, being packed so much. But I suppose its all in the packing. Few know how to do it properly.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria.

When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

Bucklen's Arnica Salve. The best Salve in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped hands, Chomels and all Skin Eruptions.

"DR. MILES, Through His Nerveine is a Benefactor to Thousands."

A WIDELY known Wisconsin publisher, who resides at Green Bay, writes March 5th, 1895, as follows:

"Five years ago I became so nervous that mental work was a burden. I could not rest at night on account of sleeplessness. My attention was called to Dr. Miles' Restorative Nerveine, and I commenced to use it with the very best effect.

looking for someone, then settled herself with a slightly disappointed look. Soon afterward the car stopped on a crossing, and I saw a man with a radiant face leap aboard.

Women are generally supposed to possess FINER FEELINGS THAN MEN, but, taking them both in a 'lump sum,' I don't believe they do, really.

Men are more gruff in their manner, and have greater ability for disguising their feelings than women—or are unable to express them as you please; and I think women are more prone to indulge in petty jealousies which warp their sensibilities just a bit;

they have more time to do so, is the reason—not that they are naturally more depraved. We ought all to be as sympathetic as possible, for it will incite us to help others to be happy, and in so doing we gain greater happiness for ourselves.

Don't waste sympathy and pity upon yourself. Bestow it upon the woman who is envious or jealous of you; the woman who told a lie and couldn't get out of it without telling another; the man whose tie don't suit him; the small boy worsted in a game of marbles—anyone but yourself.

Editor Morrison, of Worthington, Ind., "Sun," writes: "You have a valuable prescription in Electric Bitters, and I can cheerfully recommend it for Constipation and Sick Headache, and as a general system tonic it has no equal."

"Mrs. Annie Stehle, 2025 Cottage Grove, Ave., Chicago, was all run down, could not eat nor digest food, had a backache which never left her and felt tired and weary, but six bottles of Electric Bitters restored her health and renewed her strength.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

"I am thoroughly convinced that MEN ARE SYMPATHETIC, but one cannot convince them of that fact until it is proven to them in some manner. They seem to consider it an effeminate attribute. They should not. I would not trust the man who cannot weep. Show me such a man and I will show one who is cold-hearted, selfish and cruel.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Balaeman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of Dr. H. Pitcher is on every wrapper.
