"The Old Lime Kiln," in which the popular comedienne, Katie Putnam, will be seen at the opera house here on next Thursday night, is a comedy-drama in which the several elements of successful dramatic productions have been deftly and adroitly handled. Its author, C. T. Dazey, whose companion play "In Old Kentucky," has been the greatest success in a decade, has furnished a story of vivid and novel interest, embellishing with striking incidents, unique characterizations and sustained dramatic vigor. The action of the piece is largely in the Yellowstone National Park, and this fact has been taken advantage of to add the element of scenic beauty and picturesque interest. Miss Putnam has a character to depict that is full of lovely qualities.

When a person begins to grow thin there is something wrong. The waste is greater than the supply and it is only a question of time when the end must come.
In nine cases out of ten the trouble is with the digestive organs. If you can restore them to a healthy condition you will stop the waste, put on new flesh and cause them to feel better in every way. The food they eat will be digested and appropriated to the needs of the system, and a normal appetite will appear.
Consumption frequently follows a wasting of bodily tissues because nearly all consumptives have indigestion. The Shaker Digestive Cordial will restore the stomach to a healthy condition in a vast majority of cases. Get one of their books from your druggist and learn about this new and valuable remedy.

When the children need Castor Oil, give them Laxol.—It is palatable.
INDOOR BASEBALL TONIGHT.—The final game between the yellows and reds will be played at the Y. M. C. A. tonight. If you want to see an exciting contest you should plan to attend. Which side will win is the great question, as both sides think they are the sure winners. Be sure and attend. Admission 10 cents. Members admitted free.

The Common People.
As Abraham Lincoln called them, do not care to argue about their ailments. What they want is a medicine that will cure them. The simple, honest statement, "I know that Hood's Sarsaparilla cured me," is the best argument in favor of this medicine, and this is what many thousands voluntarily say. Hood's Pills are the best after-dinner pills, assist digestion, cure headache, 25 cents.
